

May 2016

Charlotte-Mecklenburg Storm Water Services and Sealand Contractors Corporation continue with the construction phase.

Sealand has completed all the channel work as well as the installation of the 54" reinforced concrete pipe except for the leg at American Fence. Milling and paving

has also been completed.

Construction should be complete in a few weeks. Prior to the final walk through, we would like to know if you have any outstanding concerns or issues. If so, please email Inspector Matthew Hayes at [matthew.hayes@charlottenc.gov](mailto:matthew.hayes@charlottenc.gov) by June 10 and let us know what

your issue or concern is and where it is located.
