

Princeton/Somerset

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

Dear Resident,

Charlotte-Mecklenburg Storm Water Services continues the easement acquisition phase of the Princeton/Somerset Storm Drainage Improvement Project. During this phase, real estate consulting agents from Gulf Coast LLC have been contacting property owners if easements are needed on their property to construct the proposed improvements. The design engineer will begin preparing the final construction documents after all easements have been acquired.

Project managers work very hard to keep project costs down, including easement costs. The City requests that easements be donated to provide access to your property to make the recommended improvements and provide future maintenance. Continued support and cooperation is greatly appreciated.

For more information about this project, please visit our website at stormwater.charmeck.org and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Princeton/Somerset**.

If you have any questions, please contact Project Manager Jennifer Barker at jbarker@charlottenc.gov or 704-432-0963 or Watershed Manager Doug Lozner at dlozner@charlottenc.gov or 704-432-0964.
