

May 2016

Charlotte-Mecklenburg Storm Water Services and Ferebee Corporation continue with the construction phase.

The city's contractor has completed storm drain installation on Forest Park Drive. Currently contractor crews are working on placement of new curb, driveways and asphalt on Forest Park Drive. In the next few

weeks, storm drain installation will begin on Princeton Avenue. In the next several months, storm drain installation will progress toward Somerset Drive.

Temporary construction traffic signage will direct motorists around the construction work zones. Please follow the detour signs and be alert for workers in the construction zone.

For more information please visit StormWater.CharMeck.org or scan the QR code.
