

Dear Resident:

Construction is underway for Charlotte-Mecklenburg Storm Water Services' Robinhood/Dooley Storm Drainage Improvement Project. Ferebee Corporation was awarded the construction contract and began work this week.

Work has begun along Lake Forest Drive and will continue to the intersection of Eastbourne Road. The contractor will install a 42" reinforced concrete storm drainage pipe upgrading from a 15" pipe. Signage has been installed and the tree protection is in place. Residents will continue to see crews in the neighborhood locating utility lines.

For more information about this project, please visit our website to view project updates at: <http://stormwater.charmeck.org>. Click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Robinhood/Dooley**.

If you have any questions, please contact one of the following members:

**On-site Construction Inspector:**

Heather Broome: 704-634-1039  
Email: hbroome@charlottenc.gov

**Construction Supervisor:**

Steve Canter: 704-704-336-7047  
Email: scanter@charlottenc.gov

**Project Manager:**

David Perry: 704-336-4202  
E-mail: dperry@charlottenc.gov

*A construction inspector will be on site daily to address any questions or concerns. Please note efforts are taken to minimize disruption to nearby properties.*

**UNDER CONSTRUCTION**
