

# ROBINHOOD/DOOLEY

STORM DRAINAGE IMPROVEMENT PROJECT

Boulder wall installed downstream of Rolling Hill.

Dear Resident:

Construction continues for Charlotte-Mecklenburg Storm Water Services' Robinhood/Dooley Storm Drainage Improvement Project.

- The area on Robinhood Circle near Harri-Ann Drive has been completed including culvert installation under roadway and in the stream, waterline and sewerline installation, driveway culvert installations and paving.
- Paving of Eastbourne, Woodbridge, Glen Cannon and portions of Rolling Hill has been completed.
- Ditchwork at Rolling Hill has been completed including installation of a boulder wall in the stream.
- Work is starting on Lake Forest Drive and apartments entrance installing triple barrel pipes (54 inch, 42 inch and 48 inch). A temporary driveway will be installed for the apartment residents.
- Once work begins on the triple barrel pipe installation, portions of Lake Forest Drive will be closed.
- Robinhood Circle between Dooley Drive and Maplewood Lane has been closed for culvert work to be started in this area. The work has begun with the relocation of the waterline in this area

For more information about this project, please visit our website to view project updates at: <http://stormwater.charmeck.org>. Click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Robinhood/Dooley**.

If you have any questions, please contact one of the following members:

**On-site Construction Inspector:**

Heather Broome: 704-634-1039

Email: [hbroome@charlottenc.gov](mailto:hbroome@charlottenc.gov)

**Project Manager:**

David Perry: 704-336-4202

E-mail: [dperry@charlottenc.gov](mailto:dperry@charlottenc.gov)

**Construction Supervisor:**

Steve Canter: 704-704-336-7047

Email: [scanter@charlottenc.gov](mailto:scanter@charlottenc.gov)

*A construction inspector will be on site daily to address any questions or concerns. Please note efforts are taken to minimize disruption to nearby properties.*
