Re: Stewart Creek Stream Restoration and Floodplain Map revisions

Dear «GreetingLine»:

Charlotte-Mecklenburg Storm Water Services (Storm Water Services) invites you to attend an informational meeting regarding the following: 1) the restoration of Stewart Creek to improve water quality and 2) proposed revisions to local floodplain maps. The purpose of this meeting is to provide a forum for residents to ask questions and for County staff to share important information.

You are receiving this letter because your property located at «Address_Line_1»«Address_Line_2» will be directly affected by the stream enhancements and Storm Water Services will need your participation in order for the project to be a success. Storm Water Services is now in the planning phase of the stream restoration project and you are a crucial part of the planning process.

The meeting will be held at:

Location: Memorial Presbyterian Church

2600 Beatties Ford Road, Charlotte, NC 28216

Date: Thursday, Dec. 4, 2014

Time: 6 p.m.

In addition to discussing Stewart Creek stream enhancements, Storm Water Services staff will present information regarding proposed floodplain map revisions. Representatives from other City and County departments also will be present to discuss ongoing projects in your area. We hope you will join us at this important meeting. If you have any questions, please email me at Stephanie.roberts@mecklenburgcountync.gov or call me at 704-432-5766.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephanie Roberts".
