

Wanamassa

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

Dear Resident:

Consulting engineers Armstrong Glen has submitted a storm drainage analysis of the Wanamassa project area using the survey data obtained earlier this year. Storm Water Services staff is completing a review of the analysis and looking at possible solutions for the drainage system. Staff plans to meet with the neighborhood in the coming months to discuss the existing drainage system and to explain what improvements are possible.

For more information, please visit our website at <http://stormwater.charmeck.org> and click on **Storm Water Projects** dropdown menu in the green bar, then Active Projects and **Wanamassa**.

If you have any questions about this project, please contact Project Manager Chad Nussman at 704-336-5676 or cnussman@charlottenc.gov.

**Water Pollution...
Be part of the
solution!**

The Water Watchers app makes it easier than ever for citizens to report pollution on the go

For more information visit StormWater.CharMeck.org

The advertisement features a smartphone displaying the "Water Watchers" app interface. The app screen shows the Charlotte-Mecklenburg Storm Water Services logo and several menu options: "Report Water Pollution", "Submit Stream Clean-up Report", "Submit Monitoring Report", "Facebook", and "Weather". At the bottom of the app screen are icons for "Main", "Report Issue", "My Reports", and "Contact Us". The background of the advertisement is a collage of images related to water pollution, including a close-up of a pipe, a stream with debris, and a person's face.
