

# Water Oak

storm drainage improvement project

your storm water fees at work

February 8, 2013

Dear Resident:

Charlotte-Mecklenburg Storm Water Services held its first public meeting on January 24 at Charlotte Masonic Temple to present the existing conditions for the Water Oak Storm Drainage Improvement Project.

#### Meeting highlights:

- Project Manager David Perry introduced the project team and provided background information about the Water Oak project. Perry also discussed the project goals and presented general information about the storm water program.
- David Bocker, Project Manager for our design consultant Mulkey Engineers and Consultants, presented the existing conditions analysis of the east, west and central outfall results.

- A question/answer session was held.
- Residents broke into smaller groups to review the east, west and central outfalls and their potential impacts on their properties.

For more information or detailed meeting minutes, visit our website: <http://stormwater.charmeck.org>. Click on the **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Water Oak**.

Please note this project has transferred to Project Manger Adrian Cardenas. If you have any questions, please contact him at [acardenas@charlottenc.gov](mailto:acardenas@charlottenc.gov) or 704-336-4682.
