

Wiseman

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

October 2012

Dear Resident,

Charlotte-Mecklenburg Storm Water Services and its engineering consultant, W.K. Dickson, are finalizing the design and real estate acquisition phases of the Wiseman Storm Drainage Improvement Project. Next steps include submitting plans and other documents to initiate the bidding phase of the project.

Please note this project has transferred to Project Manager Jackie Bray. If you have any questions about this project, please contact her at 704-336-6770 or jbray@charlottenc.gov.

For more information about this project, please visit our website at <http://stormwater.charmeck.org>. Click on **Storm Water Projects** dropdown menu in the green bar, then **Active Projects** and **Wiseman**.

Maintain Your Drain

Clogged storm drains can cause street flooding.

BEFORE it rains, remove trash, leaves and other debris from storm drains near your home.
