

# Yancey Road

storm drainage improvement project

your storm water fees at work

Dear Resident:

Charlotte-Mecklenburg Storm Water Services, along with engineering consultant US Infrastructure of Carolina, Inc., continue to work through the planning phase of the Yancey Road Storm Drainage Improvement Project. City staff continue to analyze potential alternatives to address the drainage issues and concerns in the neighborhood. Coordination meetings with Charlotte Department of Transportation and Duke Energy were held to explore additional options.

A public meeting will be scheduled to present the recommended solution and solicit input from

residents. Meeting details will be mailed to residents approximately two weeks prior to the meeting.

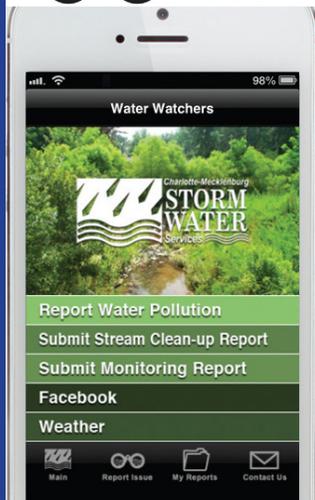

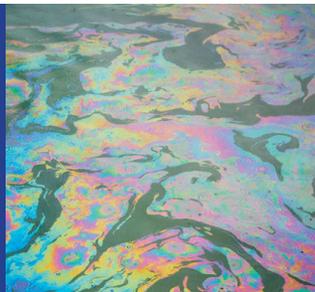

For more information about this project, please visit our website: [stormwater.charmeck.org](http://stormwater.charmeck.org). Click on **Storm Water Projects** dropdown menu in the green bar, then **Active Projects** and **Yancey Road**.

If you have any questions, please contact Project Manager, Adrian Cardenas, at 704-336-4682 or [acardenas@charlottenc.gov](mailto:acardenas@charlottenc.gov).
