

Soapy water from cleaning activities

Cloudy or discolored water in the street

# STORM DRAINS connect to our STREAMS

## You can make a difference:

- Keep pollution out of storm drains.
- Call 3-1-1 to report water pollution.
- Tell your neighbors about the street-to-stream connection.

**BE PART OF THE  
SOLUTION TO  
WATER POLLUTION!**

Call 3-1-1 to report excessive  
mud in roads coming from  
construction sites.

# Mud Pollutes Creeks

**Mud & debris in storm drains can end  
up in streams & harm aquatic life.**
