

# We work year-round to manage the runoff from rainfall & reduce flooding.

Your stormwater fees at work.

Replacing aging infrastructure to ensure it's ready to handle stormy weather.

Restoring floodplains to hold excess water during heavy rain.

Responding to residents who call 3-1-1 to report drainage and flooding problems.

# Thunderstorm season is here...

**Don't get caught off guard.**

- Protect your property with flood insurance.
- Keep storm drains clear of debris. Report severe clogs and blockages to 3-1-1.
- Drive safely and avoid standing water and flooded streets. Turn Around, Don't Drown. Your car is not a boat.
