

PUBLIC WORKSHOP ON

NOVEMBER 9!

The City of Charlotte and the North Carolina Department of Transportation will host a public workshop on Wednesday November 9, where staff will present a refined Charlotte Gateway Station (CGS) area concept. Attendees will have the opportunity to give their feedback on land use, development opportunities, transportation connections, and desired amenities for the future station area.

- What:** Charlotte Gateway Station Project Public Meeting
- When:** Wednesday, November 9; 5:30 p.m. to 7:00 p.m.
- Where:** Charlotte Mecklenburg Library Main Branch
Francis Auditorium
310 North Tryon Street
Charlotte, NC 28202

Public participation is critical in shaping the CGS station area and creating the vision and identity of this future regional hub.

About Charlotte Gateway Station

The CGS, a partnership between the City of Charlotte and the North Carolina Department of Transportation (NCDOT), will be a comprehensive multi-modal transportation facility in vibrant uptown Charlotte at the intersection of West Trade and Graham Streets. This signature passenger station will provide both long-distance travelers and daily-commuters with access to CityLYNX Gold Line streetcar service, CATS local and express bus service, the future LYNX Red Line, and inter-city transportation including Amtrak trains and Greyhound buses.
