

Thank you!

We want to thank each of you for your participation in the Beatties Ford/Sunset Comprehensive Neighborhood Improvement Program (CNIP). Your involvement is critical to the success of this program.

Can my neighbors still participate? YES! If you know someone who missed the opportunity to come to the public workshops, an online survey is available at the link below.

What's next? We are working to summarize all the input that we received. This information will help inform the selection of potential City investments in the area. A second round of public meetings will be held in Fall 2015 to review the identified projects and provide feedback on priorities.

We encourage you to continue to check the website for project materials and updates. We hope to see you in the Fall!
