

Sponsored by the City of Charlotte Land Development Division,
Charlotte-Mecklenburg Storm Water Services, and Mecklenburg
County Water Quality Program

Charlotte-Mecklenburg Soil Erosion & Sedimentation Control Spring Training Seminar

Thursday August 25, 2016

8:30 a.m. to 3:30 p.m. (doors open at 8:00 a.m.)

**NEW LOCATION: Mecklenburg County Offices,
2145 Suttle Ave. Charlotte, NC 28208**

A soil erosion and sedimentation control overview seminar and **Charlotte-Mecklenburg Certified Site Inspector (CMCSI)** certification preparation for interested participants. Upon completion, an optional certification test will be administered for those interested in becoming a certified Charlotte-Mecklenburg Certified Site Inspector.

Topics Include:

- Sediment and turbidity water quality impact;
- Soil erosion and sedimentation control principles;
- Conventional and innovative BMP's installation and maintenance;
- Problem identification and proactive solutions;
- Local ordinances and State regulations; and
- Erosion control self-inspection logbook maintenance.

Please contact Jeff Bock at 704-560-9798 for more information about the CMCSI program. **REGISTER NOW, Space is limited!**
