Residential Solid Waste Collection Review Options

March 11, 2016

Process Summary

- Reviewed multi-family solid waste collections options
- Received feedback through two public forums
- Revisiting options and developing others that speak to the concerns of the public
- No recommendations at this point
- Staff is still reviewing and analyzing the options

Options

- Continue with current service delivery model to multi-family
- Evaluate an alternative fee structure (new)
- Disaggregate multi-family (i.e., town homes, condos, and apartment complexes)
- Eliminate all multi-family collections
 - Not a viable option based on what we learned from the forums
