Subject: Rezoning Petition 07-045: Located on the west side of Euclid Avenue
between McDonald Avenue and East Tremont
Avenue (revised 5/12/07)

We previously commented on this petition in our March 1, 2007, memorandum to you. This site could generate approximately 310 trips per day as currently zoned. Under the proposed zoning the site could generate approximately 340 trips per day. This will have a minor impact on the surrounding thoroughfare system.

We have no remaining transportation issues with this petition.

The several remaining site plan issues related to the driveway design and curb/parallel parking alignment on Euclid Avenue will be addressed during the TOD review process.

If we can be of further assistance, please advise.
