

Solid Waste Services Rezoning Petition Notes

February 2012 Rezoning Packet

Date: December 14, 2011

Name: Mavis Gant

2008-039 Charlotte Mecklenburg Historic Landmarks Commission

Comments:

Site plan is missing the necessary Solid Waste notes for multifamily usage. Plans must specify garbage container type (dumpster, compactor), recycling space allowed, or if site proposes use of a private hauler.
