**Re: Rezoning Petition 2008-054**

A Community Meeting was held at 8155 Ardrey Kell Road, Suite 104 in Charlotte on Monday, March 31<sup>st</sup> at 6:30pm. There were 27 people in attendance and no opposition to our rezoning request.

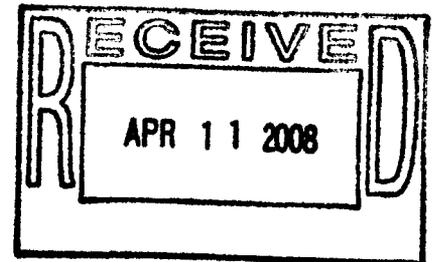

The project site plan and zoning request were presented and explained. A few questions were asked such as: will the landscaping be increased; what are the tenant's hours of operation and what are the ages of the children attending be. There are no changes to the site plan due to the concerns from this meeting.

Please contact me if you have any questions.

Sincerely,

Bransen L. Patch
