I. SUMMARY REMARKS:

FIRST SUBMITTAL

CATS acknowledges receipt of the rezoning application and submits the following to the petitioner:

- 1) **The petitioner's site is currently served by CATS Route 3: Plaza Road.**
- 2) **CATS requests a waiting pad to be constructed on Barrington Drive. The waiting pad should be located approximately 60' from the intersection of Barrington Drive and The Plaza constructed to CATS Development Standards 60.01 A (see attached).**

A waiting pad is the connecting piece of concrete which is installed from the back of curb through the planting strip to the sidewalk (see attached). The waiting pad provides an ADA accessible bus stop boarding/alighting location for CATS' passengers.

Please designate such in the site plan and/or accompanying notes. Please contact Leonard Ganther (CATS Operations) @ 704.432.1283 prior to demolition or construction, to coordinate the final location of the waiting pad.

Should you require additional information, please advise.
