Dear Mr. Fortune:

Reference: rezoning petition #2008-095

Childress Klein Properties conducted a community meeting on May 27, 2008 to satisfy the referenced rezoning petition requirement. We distributed the enclosed letter to each of the neighboring property owners as identified within the spreadsheet provided by the city. This letter notified the neighbors of the rezoning petition and also invited them to the community meeting for the purpose of reviewing our proposal and answering questions.

We are reporting that we had no neighbors in attendance for this meeting. As requested, enclosed is our sign-in sheet for your records.

Please advise if you need any additional information prior to our June 16th public hearing.

Very truly yours,

CHILDRESS KLEIN PROPERTIES

Michael J. Haney
