Dear Neighbors:

We invite you to attend a community meeting to receive information regarding the proposed site plan amendment for 1211 South Tryon Street. The purpose of this amendment is to modify the existing zoning site plan to show two columns that were erected during the construction of the building but not included on the rezoning plan. This building is fully constructed and there are no other changes proposed to the plan. For more information on this petition, please go to the link below:

Sometimes, information is not readily available to interested parties and the facts about the request are misunderstood. Representatives would like to take this opportunity to present this proposal to you so that you may have the facts about the request. You may not have an interest in this particular site plan amendment, but if you do, please plan to attend this meeting to learn more about the proposal, share your comments, and have an opportunity to ask questions.

**The meeting will be held at 7 pm on Thursday, November 13, 2008 at the Camden Properties Regional Office, Camden Grandview, 309 East Morehead Street. Parking is located at Garage Level G1 and take the West Elevator to Floor 2. The Office is down the hallway, the first door on the right.**
