We previously commented on this petition in our October 28, 2008 memorandum to you.

### **Consistency with Transportation Action Plan (TAP)**

The TAP relies on the Centers, Corridors, and Wedges land use strategy to be implemented. This project site is located in a Corridor and appears to support the Centers, Corridors, and Wedges land use strategy.

We have no transportation issues with this petition.

If we can be of further assistance, please advise.
