Resolution to Expand the Planning Liaison Committee
To Include the Six Mecklenburg Towns

Joint Luncheon

August 18, 1998

Mecklenburg County Spheres of Influence
Resolution to Expand the Planning Liaison Committee
To Include the Six Mecklenburg Towns

Since the late 1970's there has existed a Planning Liaison Committee. The committee's membership is made up of representatives from the Charlotte City Council, the Mecklenburg Board of County Commissioners, the Charlotte-Mecklenburg Board of Education and the Charlotte-Mecklenburg Planning Commission. The sole purpose of this body is to promote communication and to facilitate actions of common interest among the participants. The governing bodies reserve the right of final decisions.

The metropolitan area's growth and development presents many challenges for all of the elected officials within Mecklenburg County. The County and its municipalities are increasingly faced with planning issues that are requiring joint consideration.

In response to the need for cooperation between the County and its municipalities, the Planning Liaison Committee voted on July 24, 1998 to expand the Planning Liaison Committee. The expansion will be through a resolution of the City of Charlotte, Mecklenburg County, and the Board of Education authorizing the Six Towns of Mecklenburg County to each appoint one elected official to the Planning Liaison Committee.

The consensus of the Planning Liaison Committee was to discuss the resolution at the August 18, 1998 Joint Luncheon and to invite the mayor of each of the Six Towns (Cornelius, Davidson, Huntersville, Matthews, Mint Hill and Pineville) to attend.
