1. **Petition No. 2013-052** (Council District 4 - Barnes) by Arden Group for a change in zoning for approximately 39.06 acres located on the southeast corner at the intersection of Interstate 85 and University City Boulevard across from IKEA Boulevard from CC (commercial center) to B-2(CD) (general business, conditional).

This petition is found to be consistent with the *University City Area Plan* and to be reasonable and in the public interest based on information from the staff analysis and the public hearing, by a 5-0 vote of the Zoning Committee. The Committee voted 5-0 to recommend **APPROVAL** of this petition with the following modifications:

### Ikea Boulevard & Site Connectivity
1. Eliminated inventory parking areas between Ikea Boulevard and the property line (within Duke Power easement).
2. Added notes under heading of Streetscape, Landscaping, Buffers and Common Plaza to require the following: (a) Ikea Boulevard right-of-way streetscape will include large maturing trees planted on both sides of the street, staggered on either side of the sidewalk and 10-foot sidewalk/trail located within and outside the right-of-way; (b) the 20-foot setback will be landscaped; (c) low accent walls will be provided at the private street entrance from Ikea Boulevard; (d) a common plaza area with pedestrian amenities will be located at the private street entrance from Ikea Boulevard; (e) the southwest and southeast corners of City Boulevard and Ikea Boulevard will be designed to create a sense of entry that retains and may add to the existing monumentation.
3. Amended Note 5 under Streetscape, Landscaping, Buffers and Common Plaza heading to state the following: “An easement will be granted and a sidewalk connection will be constructed at the end of Stetson Drive, which will connect to the corner of Ikea Boulevard and City Boulevard. This connection must be made prior to the issuance of the certificate of occupancy.”
4. Provided a graphic of the intersection of City Boulevard and Ikea Boulevard.
5. Provided a street cross-section for Ikea Boulevard.
6. Provided a layout of the plaza area along Ikea Boulevard.

### Pedestrian/Multi-modal Connectivity
7. Added note requiring Macfarlane Boulevard to be built and extended to connect to the east-west private street and/or the east-west private street shall be aligned to connect to the existing portion of MacFarlane Boulevard.

### Building Placement and Architectural Design
8. Provided a broader explanation of the Architectural Design Guidelines that categorizes Primary and Secondary building materials and frontages. Added qualifications for the use of allowable building materials, and percentage requirements for materials and frontages (categorized by Primary and Secondary). Provided definitions, examples and illustrations along with visual conceptual vignettes.
9. Added decorative/architecturally finished concrete masonry units (CMU) as an allowable building material.
10. Listed concrete masonry units (CMU) without architecturally or decorative finish, and “stamp type” brick and stone finishings as prohibited exterior building materials.
11. Required buildings to extend the full length of the building frontage.
12. Required a building base to be provided that shall be maintained through material transitions and building articulation.
13. Addressed massing and scale by requiring façades to be designed to reduce the mass, scale and uniform monolithic appearance of large unadorned walls, while providing visual interest. Large building facades shall be divided into distinct massing elements, and a roof line more than 90 feet in length shall include a change in height that must align with the vertical building bays.
14. Added note requiring building façade along the frontages to provide a two-story appearance to define the street edge.
15. Required building service areas to be screened from view with a minimum 5-foot tall masonry wall that is designed to match and complement the building architecture of adjacent buildings.

16. Amended Note 2(d) to state “In Areas A, C and D, accessory customer parking, accessory inventory parking areas, freestanding structures for accessory uses and plazas and outdoor activity may be located within the building envelopes provided that a principal structure is also located within the building envelope. For Area B, the building envelope standards and conditions only apply should a building be located within this development area. Development Area B may contain only inventory parking without a building.”

17. Defined “service areas.”

Other

18. Amended Note 5(g) to state that the existing monumentation will remain but may be added to, provided it will comply with the ordinance.

19. Agreed to preservation of the 50-foot Natural Buffer and 50-foot Landscape Buffer as stipulated in Belgate Rezoning Petition 2008-59.

20. Addressed Urban Forestry comments by stating that the site will comply with the Tree Ordinance.

21. Amended Site Development Data to list automotive sales and repair excluding tractor trucks and accompanying trailer units as allowed within the B-2 (general business) district as the principal use.

22. Listed accessory uses that may be included.

23. Specified that Development Area B may contain inventory parking, with or without a building.

24. Specified that the site may be developed with up to 275,000 square feet of building area. No single building may exceed 75,000 square feet.

25. Development Area A is limited to a building size of 45,000 square feet.

26. Deleted the term “gross floor area” from the Site Development Data.

27. Clarified that building height is limited to a maximum of 40 feet.

28. Clarified that the site may accommodate an auto mall cluster that includes up to five building envelopes within which principal and accessory uses will be located.

29. Reflected proposed zoning as B-2(CD) (general business, conditional).

30. Amended Note 2(b) under Permitted Uses & Development Areas as follows: “Prior to approval by the City Council of 2013-052, the Petitioner and the owner of the property covered by Petition 2008-059 will file an administrative site plan amendment for Petition 2008-059 that will adjust the development right: (i) reduce the development rights pertaining to retail and restaurant uses to 388,000 square feet for Parcels B1, B2, B3, B4 and B5. The maximum floor area for retail, restaurant and office uses (excluding hotels) shall be adjusted to 438,000 square feet. If Petition 2013-052 is approved by the City Council, the adjustments will be binding and may not be added back through the administrative amendment process. If Petition 2013-052 is not approved by the City Council, the administrative site plan amendment will be null and void.”

31. Amended Note 2(a) to remove reference to “automated freestanding car wash facility(ies).”

32. Deleted the list of prohibited uses.

33. Amended Note 3(b) to indicate that the number and location of access points to the development areas will be determined during the building permit process. Approximate driveway locations are shown on the technical data sheet.

34. Amended Note 5(i) to indicate that sidewalk and streetscape improvements will be constructed along the frontage of Macfarlane Boulevard, in accordance with the office-wide street classification standard.

35. Amended Note 3(e)(1) to add the following: “Public street right-of-way dedication (two access points shown) to the edge of the site for connection to tax parcel 04723106 as depicted on the technical data sheet. Provide public street dedication of up to 77 feet of right-of-way as shown on U-05A of the Charlotte Land Development Standards Manual prior to issuance of a final certificate of occupancy or at the time CATS constructs the connection to Ikea Boulevard, whichever occurs first.”
