6:00 p.m. - ZONING DECISIONS
Meeting Chamber

DECISIONS

1. **Petition No. 99-125 (decision)** by **PEN, LLP, Charles McLaughlin** for a change in zoning for approximately 12.0 acres located on the northeast corner of Providence Road West and Lancaster Highway from R-3 to O-1(CD) and B-1(CD).

   Two protest petitions have been filed and are sufficient to invoke the ¾ voting rule.

   The Zoning Committee voted to recommend **APPROVAL** of this petition by a vote of 7-0, with the following modifications:

   - The transposed B-1 and O-1 uses in the “Permitted Development With Area A, B, and C” notes (in three places) were corrected.
   - Note #10 referencing the R-4 district was removed.
   - Note #11 was changed to read, “Trees 6-inches in caliper shall be required to be preserved in the setback.”
   - Notes #18 and #19 were added to address CDOT issues.

   Attachment No. 1

2. **Petition No. 2000-24 (decision)** by **Old White, LLC** for a change in zoning for approximately 4.7 acres located on the northwest corner of Providence Road and Rea Road, east of Old Providence Road from R-3 to R-8MF(CD).
A protest petition has been filed and is sufficient to invoke the ¾ voting rule.

The Zoning Committee voted to recommend **APPROVAL** of this petition by a vote of 5-2, with the following modifications:

- The number of dwelling units was reduced to 32, removing one building.
- Internal channelization of 100 feet (measured from the new right-of-way) was provided at the entrance to Providence Road.
- All trees 6” in caliper or greater within the setbacks will be preserved.
- The advisory note recommended the petitioner take sounding or depth of water measurement on the downstream pond was added.

Attachment No. 2

3. **Petition No. 2000-89 (decision)** by Tiger Properties for a change in zoning for approximately 4.3 located on the northwest corner of Elm Lane and Ballantyne Commons Parkway from O-1(CD) to O-1(CD)S.P.A.

The Zoning Committee voted to recommend **APPROVAL** of this petition by a vote of 7-0, with the following modifications:

- A note stating that all signs located on the property will be in conformance with the ordinance and overall Ballantyne development was added to the site plan.
- The site plan indicated a sidewalk connection from the front courtyard to the Elm Lane sidewalk.

Attachment No. .3

4. **Petition No. 2000-93 (decision)** by Atrium Development, Inc. for a change in zoning for approximately 2.4 acres located on the southwest corner of Strawberry Lane and Pineville-Matthews Road (NC 51) from R-3 to INST(CD).

A protest petition has been filed and is sufficient to invoke the ¾ voting rule.

The Zoning Committee voted to recommend **APPROVAL** of this petition by a vote of 7-0. The approval is contingent upon NCDOT approval of the traffic signal at the intersection of Strawberry Lane and Highway 51 and with the following modifications:

- No play structures will be allowed within 100 feet of the NC 51 right-of-way.
- The storm water detention facilities will be designed and maintained as part of the landscaping of the site or will be screened from NC 51.
- As directed by CDOT, the site access will be revised to utilize only one access point that will align with Rye Mill Court.
- The security fence around the outdoor play space will be composed of a 6” black
vinyl coated chain link material, that will be screened from NC 51 and Strawberry Lane by a berm or combination of berms 2 to 3 feet high, upon which a combination of fast growing evergreen plant materials will be planted, and that plant material will be 30” high at the time of installation. The intent of this provision is to create a solid appearing landscaped screen along the outside of the outdoor play area.

- The petitioner will contribute up to $35,000 toward the purchase and installation of a traffic signal at the NC 51 and Strawberry Hill intersection.

Attachment No. 4

5. **Petition No. 2000-135 (decision)** by *Autobell Car Wash, Inc.* for a change in zoning for approximately 0.9 acres located on the east side of Piper Station Drive, south of I-485 Outer Belt and east of Rea Road from B-1 S.C.D to B-2(CD).

The Zoning Committee voted to recommend **APPROVAL** of this petition by a vote of 7-0, with the following modifications:

- The petitioner will install certain plantings and vegetation on the existing or heightened berm within and for the entire length of the twenty-five foot buffer (up to but not beyond the common boundary of the 2.369 acre parcel as shown on the Technical Data Sheet with Lot 5 Piper Glen – Parcel 31 as shown on the Technical Data Sheet) located between the 34-foot easement for ingress and egress and the existing multi-family property located to the south of the Site. The plantings and vegetation shall include a variety of the types of plantings and vegetation described in the Supplemental Planting Grid se forth on the Technical Data Sheet. The planting of the Leyland Cyprus trees will be in sufficient number for the entire length of the twenty-five foot buffer (up to but not beyond the common boundary of the 2.369 acre parcel as shown on the Technical Data Sheet with Lot 5 Piper Glen – Parcel 31 shown on the Technical Date Sheet) and will be planted on a staggered basis with 10-foot center. The Petitioner shall maintain the plantings and vegetation, which shall include appropriate irrigation and replacement of dead vegetation with vegetation of the same size as when originally planted on an as-needed basis so as to preserve the screening provided by the plantings and vegetation. The planting and vegetation shall otherwise be substantially as shown on the attached Schematic Site Plan.

- Note 1 and 2 on lighting shall be deleted in their entirety and the following note substituted in lieu thereof:

  1. The maximum height of any free-standing light fixture, including its base, shall not exceed 20 feet in height: notwithstanding the foregoing, the maximum height of each free-standing lighting fixture, including its base, located within the 34’ easement of ingress and egress shall not exceed 15 feet.

  2. All direct lighting within the Site shall be designed such that the direct illumination does not extend past any exterior property line.
and particular consideration will be given to redirection of illumination away from the building located on the existing multi-family property located to the south of the Site. Consideration will be given to the impact of lighting, both within and without the perimeter of the site. Items for consideration will include intensity, cut-off angles, color, energy efficiency and shielding of sources of light, the intent being to eliminate glare in the direction of Piper Station Drive, the 34-foot private drive easements depicted on the Technical Data Sheet and adjacent properties, including without limitation the multi-family property located to the south of the site.

- The hours of operation for the site will be no longer than from 7:00 am to 8:00 pm EDT or 7:00 am to 7:00 pm EST.

Attachment No. 5

6. **Petition No. 2000-136 (decision)** by *Cornerstone Real Estate Advisers, Inc.* for a change in zoning for approximately 2.5 acres located on the west side of Church Street, between West Third and West Second Street and on the east side of Poplar Street from UMUD to UMUD-O.

The Zoning Committee voted to recommend **APPROVAL** of this petition by a vote of 7-0, with the following modifications:

- The total retail area provided was modified to eliminate the management offices and the business center. The total retail square footage is 20,075 square feet.
- The Church Street tree requirement was corrected to identify Zelkova Trees and not Green Ash Trees.
- The opaque glass on the first floor level of the building was modified to some other type of element (i.e. art work, display windows, etc.)

Attachment No. 6

7. **Petition No. 2000-137 (decision)** by *Raley Miller Properties* for a change in zoning for approximately 13 acres located on the southeast corner of Mallard Creek Road and Mallard Creek Church Road from R-3 and O-1(CD) to B-1(CD).

*A protest petition has been filed and is sufficient to invoke the ¾ voting rule.*

The Zoning Committee voted to recommend **APPROVAL** of this petition by a vote of 6-0, with the following modifications:
Fast food restaurants with drive through windows were eliminated.

The sign area for the shopping center will be limited to 100 square feet.

All sealed trash compactors (if any) will be screened including gates on the access side.

A note will be added indicating that the petitioner will make necessary modifications to existing drainage structures, which are not adequate for conveying the site runoff, and that they will make necessary improvements to these structures so that they are consistent with the land development standards.

The architectural standards will clearly state that the building on the out parcels will be architecturally compatible with the main shopping center by including some architectural design features and some of the same colors, materials and landscaping.

The exteriors of the front and side elevations of the buildings on the out parcels will be at least 80% brick.

Channelization of 150’ off Mallard Creek Road entrance will be provided.

A left over design of the entrance off of Mallard Creek Road will be indicated on the site plan if an alternative agreement cannot be reached with CDOT.

Additional screening will be provided along Mallard Creek Road to screen the rear of the shopping center.

Broome excused for potential conflict of interest.

Attachment No. 7

8. **Petition No. 2000-141 (decision)** by *Charlotte-Mecklenburg Planning Commission* for consideration of a text amendment to delete Section 9.902(16) which permits off-street parking as a principal use for public parking, private parking, or parking in conjunction with other permitted uses and to replace it with a new item, Section 9.903(13.1) which permits off-street parking subject to prescribed conditions.
