   Follow-Up Report-Rev

3. Upcoming Cases of Special Interest

   January Upcoming Rezoning Cases of Special Interest_01-12-2016_Draft
HISTORIC LANDMARK RESOLUTION

4. Edward M. Rozzell House Property
   A recommendation to adopt a resolution to hold a Public Hearing on the Question of designating the property known as the “Edward M. Rozzell House Property” (listed under Tax Parcel Number 03122258 as of December 22, 2015) as an Historic Landmark.

   Property Owner: United States of America
   Location: 11601 Old Rozzelles Ferry Road Charlotte, North Carolina

5. Sloan-Porter House
   A recommendation to adopt a resolution to hold a Public Hearing on the Question of designating the property known as the “Sloan-Porter House” (listed under Tax Parcel Number 11317102 as of December 31, 2015) as an Historic Landmark.

   Property Owner: Brian S. Clarke, and Christine Elizabeth Mille Clarke
   Location: 10124 Walkers Ferry Road Charlotte, North Carolina
ZONING DECISIONS

Location: Approximately 26.5 acres located on the west corner of the intersection at Mallard Creek Road and Salome Church Road. (Council District 4 - Phipps)

Current Zoning: CC (commercial center)
Proposed Zoning: CC SPA 5-Year Vested Rights (commercial center, site plan amendment)

Zoning Committee Recommendation:
The Zoning Committee voted 7-0 to recommend APPROVAL of this petition as modified.

Staff Recommendation:
Staff agrees with the recommendation of the Zoning Committee.

Statement of Consistency:
The Zoning Committee found this petition to be consistent with the Northeast Area Plan based on information from the staff analysis and the public hearing, and because:

- The plan recommends multi-family and/or retail land uses for this site.

Therefore, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because the petition:

- Incorporated standards on site design, open space and buffers, street design and connectivity, and building form and design (as identified in the District 4 Multi-Family Assessment); and
- Reduces the overall intensity of the site by eliminating 107,000 square feet of retail entitlement and reducing the total allowed number of residential units to 380 (422 currently allowed).

7. Rezoning Petition: 2015-090 by Copper Builders, Inc.

Update: Protest Petition (Sufficient)

Location: Approximately 4.53 acres located on the north side of Pineville-Matthews Road between Rea Road and Windswept Drive (Council District 7 - Driggs)

Current Zoning: INST (CD) (institutional, conditional)
Proposed Zoning: UR-2(CD) (urban residential, conditional)

Zoning Committee Recommendation:
The Zoning Committee voted 6-1 to recommend APPROVAL of this petition as modified.

Staff Recommendation:
Staff agrees with the recommendation of the majority of the Zoning Committee.
Statement of Consistency:
The Zoning Committee found this petition to be inconsistent with the South District Plan; however, they found the petition to be consistent with the General Development Policies-Residential based on information from the staff analysis and the public hearing, and because:

- The plan recommends institutional uses for this site as amended by a previous rezoning; and
- The proposed residential density of 5.51 units per acre is supported by the General Development Policies-Residential.

Therefore, this petition was found to be reasonable and in the public interest based on information from the staff analysis and the public hearing, and because:

- The requested residential density of 5.51 units per acre is supported by the General Development Policies; and
- The residential density in the area surrounding the subject property ranges from three dwelling units per acres to eight units per acre; and
- There is a concentration of six to eight units per acre adjoining the subject property at the intersection of Rea Road and Pineville-Matthews Road; and
- The proposal is also compatible with the low scale residential character of the surrounding area.

Rezoning Petition: 2015-092 by QuikTrip Corporation

Location: Approximately 5.11 acres located on the northwest corner at the intersection of East W.T. Harris Boulevard and The Plaza. (Council District 5 - Autry)

Current Zoning: R-4 (single family residential) and B-1 (CD) (neighborhood business, conditional).

Proposed Zoning: B-1 (CD) (neighborhood business, conditional) and B-1 (CD) SPA (neighborhood business, conditional, site plan amendment)

Zoning Committee Recommendation:
The Zoning Committee voted 7-0 to recommend APPROVAL of this petition as modified.

Staff Recommendation:
Staff agrees with the recommendation of the Zoning Committee.

Statement of Consistency:
The Zoning Committee found a portion of the petition to be consistent with the Northeast District Plan and a portion of the site inconsistent with the Northeast District Plan, based on information from the staff analysis and the public hearing, and because:

- The plan recommends retail uses for the portion of the site that is currently zoned B-1 (CD) and single family residential for the remaining portion of the site.

However, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- The intersection of East W. T. Harris Boulevard and The Plaza is identified as a neighborhood center in the Northeast District Plan; and
- A significant portion of the site was previously developed with a retail use, which has since been
demolished; and
- The proposed development will re-establish retail on the portion of the site, which is currently vacant; and
- The remainder of the property, which is currently developed with single family residential and a church fronting The Plaza, will be primarily utilized for site access, tree save, landscaping, and buffering, and has been designed to be compatible with the adjacent residential on Hunters Crossing Lane and across The Plaza.

**Location:** Approximately 371 acres located on the northwest corner at the intersection of Rocky River Church Road and Albemarle Road. (Outside City Limits)

**Current Zoning:** R-3 (single family residential), R-12MF (multi-family residential) and B-1 (CD) (neighborhood business, conditional)

**Proposed Zoning:** NS (neighborhood services) 5-year Vested Rights and MX-1 (INNOV) 5-year Vested Rights (mixed use, innovative)

**Zoning Committee Recommendation:**
The Zoning Committee voted 6-0 to recommend APPROVAL of this petition as modified.

**Staff Recommendation:**
Staff agrees with the recommendation of the Zoning Committee.

**Statement of Consistency:**
The Zoning Committee found the request to rezone the portion of the subject property to MX-1 (mixed use) to be consistent with the adopted policies in the Albemarle Road/I-485 Interchange Study. The Committee further found that a portion of the area proposed for NS (neighborhood services) is consistent with the plan policies; however, the remaining area proposed for NS is inconsistent with the plan based on information from the staff analysis and the public hearing, and because:

- The plan recommends single family land uses between four and eight dwelling units per acre for the MX-1 (mixed use) portion of the property and a mix of residential, office, and retail uses and single family residential up to eight units per acre for the NS (neighborhood services) portion of the property.

However, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- Rezoning petition 2008-051 established O-2(CD) (office, conditional) and B-1(CD) (neighborhood business, conditional) zoning for a future hospital and limited commercial development for the properties along Albemarle Road between the subject property and I-485 and
- In light of the proposed hospital and retail uses to the west of the subject site, and the commercial zoning to the east of the site, well designed office and retail uses are appropriate for the portion of the site fronting Albemarle Road; and
- The proposed non-residential development along Albemarle Road is intended to have a pedestrian oriented character and provides a direct connection to the large residential neighborhood that is planned for the rear portion of the site, and could also complement the hospital with potential medical offices and services; and
- This commercial center will provide goods and services within walking distance of the neighborhood,
which the Albemarle/I-485 plan envisioned for residents of this area; and
- The single family residential neighborhood is designed to promote walkability, provide a series of water quality facilities designed to serve as amenities, and retain significant open space.

2015-101_ZC_Reco_01-04-016-final
2015-101 vicinity map
2015-101 rezoning map
2015-101 REV Site Plan 12-23-15

**Location:** Approximately 12.99 acres located on the south side of David Cox Road near the intersection of David Cox Road and Davis Lake Parkway. (Council District 2 - Austin)

**Current Zoning:** INST (CD) (institutional, conditional) & MX-2 (INNOV) (mixed use, innovative standards)

**Proposed Zoning:** MX-2 (INNOV) (mixed used, innovative standards) & MX-2 (INNOV) SPA (mixed use, innovative standards site plan amendment)

**Zoning Committee Recommendation:**
The Zoning Committee voted 6-1 to recommend **APPROVAL** of this petition as modified.

**Staff Recommendation:**
Staff agrees with the recommendation of the majority of the Zoning Committee.

**Statement of Consistency:**
The Zoning Committee found a portion of this petition to be consistent with the **Northeast District Plan** and the portion currently zoned institutional to be inconsistent with the plan based on information from the staff analysis and the public hearing, and because:

- The plan recommends retail uses for a portion of the site; and
- The plan recommends institutional uses for a portion of the site as amended by a previous rezoning.

However, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- The subject site is part of approximately 383 acres originally rezoned in 1991 to allow a planned community consisting of 1,020 residential units, 292,000 square feet of office, and 197,000 square feet of commercial uses; and
- The site is located within an area with more intense development and abuts a retail center and is across Davis Lake Parkway from existing multi-family residential; and
- This proposal is a minor increase in density from 7.6 to 7.9 dwelling units per acre from the rezoning approved in 2008 for the subject property; and
- Although a portion of the property was rezoned for institutional uses, the development rights for multi-family residential are still in place for the majority of the site; and
- The proposal will provide improved pedestrian and vehicular connectivity through an internal network of sidewalks, public streets, and private drives, including a new connection to David Cox Road; and
- The project will enhance the existing water quality pond with amenities such as benches and walking trails.
11. Rezoning Petition: 2015-118 by Pavillion Development Company

Update: Protest Petition (Sufficient)

Location: Approximately 1.79 acres located on the northeast corner at the intersection of Nations Ford Road and Tyvola Road. (Council District 3 - Mayfield)

Current Zoning: CC (commercial center)
Proposed Zoning: CC (SPA) (commercial center, site plan amendment)

Zoning Committee Recommendation:
The Zoning Committee voted to recommend APPROVAL of this petition as modified.

Staff Recommendation:
Staff disagrees with the recommendation of the Zoning Committee.

Statement of Consistency:
The Zoning Committee found this petition to be inconsistent with the Southwest District Plan, based on information from the staff analysis and the public hearing, and because:

- The plan, as amended by petition 1997-015, prohibits automobile oriented uses such as convenience stores with fuel sales.

However, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- The petitioner has addressed concerns related to the lease and conversion of the site from a service station to general retail in the event the lease is terminated; and
- The proposal prohibits a 24-hour diner; and
- The propose use will be an amenity to the area.

12. Rezoning Petition: 2015-123 by Bainbridge Communities Acquisition I, LLC

Location: Approximately 1.6 acres located on the northwest corner of South Boulevard and Poindexter Drive. (Council District 3 - Mayfield)

Current Zoning: I-1 (light industrial) and TOD-M (transit oriented development-mixed use)
Proposed Zoning: TOD-RO (transit oriented development-residential, optional)
Zoning Committee Recommendation:
The Zoning Committee voted 7-0 to recommend APPROVAL of this petition as modified.

Staff Recommendation:
Staff recommends with the recommendation of the Zoning Committee.

Statement of Consistency:
The Zoning Committee found this petition to be consistent with the New Bern Transit Station Area Plan, based on information from the staff analysis and the public hearing, and because:

- The plan recommends transit supportive development for this site.

Therefore, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- The site is within ¼-mile walk of the New Bern station; and
- The request is consistent with the New Bern Transit Station Area Plan; and
- Underutilized land will be replaced with new residential units, providing increased density in a transit corridor; and
- The development will activate the South Boulevard Rail Trail with ground floor residential uses and storefront-type lobby/leasing and common areas;

2015-123 reco_01-04-2016
2015-123 vicinity map
2015-123 rezoning map revised
2015-123_RevisedSitePlan_12-18-2015

Location: Approximately 4.78 acres located east of 13th Street, west of Belmont Avenue between North Brevard Street and North Davidson. (Council District 1 - Kinsey)

Current Zoning: B-1 (neighborhood business) B-2 (general business), and I-2 (general industrial)
Proposed Zoning: TOD-M (transit oriented development-mixed use)

Zoning Committee Recommendation:
The Zoning Committee voted 7-0 to recommend APPROVAL of this petition.

Staff Recommendation:
Staff agrees with the recommendation of the Zoning Committee.

Statement of Consistency:
The Zoning Committee found this petition to be consistent with the Blue Line Extension Transit Station Area Plan, based on information from the staff analysis and the public hearing, and because:

- The plan recommends transit supportive development for this site.

Therefore, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- It is consistent with the Blue Line Extension Transit Station Area Plan recommendation for transit supportive development; and
- Rezoning will allow site to convert to transit supportive land uses; and
• Redevelopment will support the revitalization of this part of Optimist Park neighborhood; and
• Conventional TOD-M (transit oriented development - mixed-use) applies standards and regulations to create the desired form and intensity of transit supportive development.

14. **Rezoning Petition: 2015-128 by Cousins Acquisition Entity, LLC**

**Location:** Approximately 2.3 acres located on the west side of South Tryon Street between West Park Avenue and Camden Road. (Council District 3 - Mayfield)

**Current Zoning:** B-1 (neighborhood business), TOD-M (transit oriented development-mixed use) and MUDD-O (mixed use development, optional)

**Proposed Zoning:** TOD-M (O) 5-Year Vested Rights (transit oriented development, optional) 5-Year Vested Rights

**Zoning Committee Recommendation:** The Zoning Committee voted 6-0 to recommend **APPROVAL** of this petition as modified.

**Staff Recommendation:**
Staff agrees with the recommendation of the Zoning Committee.

**Statement of Consistency:**
The Zoning Committee found this petition to be consistent with the **South End Transit Station Area Plan**, based on information from the staff analysis and the public hearing, and because:

- The plan recommends a mix of transit oriented uses with the greatest intensity of development within ¼ mile of the transit station.

Therefore, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- Significant employment uses support the mixed use goal of the **South End Transit Station Area Plan**; and
- Includes street level pedestrian activation with neighborhood-serving retail uses and urban open spaces; and
- Strengthens Camden Road as South End’s “Main Street”; and
- Building height is attenuated by stepping the building back on two sides. The building mass on the southern half of the site is consistent in scale with surrounding buildings;

15. **Rezoning Petition: 2015-129 by Doug Bradley**

**Location:** Approximately 2.98 acres located on the northwest corner at the intersection of Otts Street and Louise Avenue. (Council District 1 - Kinsey)
Current Zoning: I-2 (general industrial)
Proposed Zoning: MUDD-O (mixed use development, optional)

Zoning Committee Recommendation:
The Zoning Committee voted 7-0 to recommend APPROVAL of this petition as modified.

Staff Recommendation:
Staff agrees with the recommendation of the Zoning Committee.

Statement of Consistency:
The Zoning Committee found this petition to be inconsistent with the Belmont Area Revitalization Plan, based on information from the staff analysis and the public hearing, and because:

- The petition is inconsistent with the Belmont Area Revitalization Plan recommendation for industrial uses.

However, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- Although inconsistent with plan’s recommendation for industrial uses, the Belmont Area Revitalization Plan does recommend removal of some industrial uses to help buffer the City’s Fleet Management site from the Belmont neighborhood; and
- This site would be an appropriate site for non-industrial uses that would buffer the neighborhood; and
- This project proposes to repurpose the existing factory constructed in 1945, and the City has approved approximately $65,000 in façade grants for improvements to restore the exterior of key facades; and
- The retail and office uses that would be allowed by MUDD (mixed use development) zoning could provide opportunities for goods and services to the residents of the Belmont neighborhood.

Rezoning Petition: 2015-131 by Synco Properties

Location: Approximately 27 acres located on the west side of Sharon Road between Morrison Boulevard and Colony Road. (Council District 6 - Smith)

Current Zoning: R-17MF (multi-family residential)
Proposed Zoning: MUDD-O 5-Year Vested Rights (mixed use development, optional, with 5-Year Vested Rights)

Zoning Committee Recommendation:
The Zoning Committee voted 7-0 to recommend APPROVAL of this petition as modified.

Staff Recommendation:
Staff agrees with the recommendation of the Zoning Committee.

Statement of Consistency:
The Zoning Committee found this petition to be inconsistent with the SouthPark Small Area Plan based on information from the staff analysis and the public hearing, and because:

- The plan recommends multi-family with limited retail/service uses for this site.
However, this petition was found to be reasonable and in the public interest based on information from the staff analysis and the public hearing, and because:

- The SouthPark Small Area Plan envisioned the area transitioning from a suburban shopping and business environment to a walkable town center; and
- The Centers, Corridors and Wedges Growth Framework identifies SouthPark as a Mixed Use Activity Center, a priority area for intensification; and
- The proposal is inconsistent with the specific land uses recommended, but is consistent with the larger vision articulated in the area plan and in the Centers, Corridors and Wedges Growth Framework, as well as recent development; and
- The site plan includes a vertical mix of uses and active ground floor uses; and
- The site plan also provides wide setbacks along the existing public streets to allow preservation of mature trees and to add green space.

2015-131 vicinity map
2015-131 rezoning map
2015-131_RevisedSitePlan_01-14-2016

17. **Rezoning Petition: 2015-132 by Simonini Saratoga, LLC**

**Location:** Approximately 0.36 acres located on the north side of Huntley Place near the intersection of Huntley Place and Providence Road. (Council District 1 - Kinsey)

**Current Zoning:** R-4 (single-family residential) and B-1 (neighborhood business)

**Proposed Zoning:** UR-3(CD) (urban residential, conditional)

**Zoning Committee Recommendation:**
The Zoning Committee voted 6-0 to recommend APPROVAL of this petition as modified.

**Staff Recommendation:**
Staff agrees with the recommendation of the Zoning Committee.

**Statement of Consistency:**
The Zoning Committee found this petition to be inconsistent with the Central District Plan; however, they found the petition to be consistent with the General Development Policies-Residential based on information from the staff analysis and the public hearing, and because:

- The plan recommends retail development for this site;
- However, the proposed residential density of 11.11 units per acre is supported by the General Development Policies-Residential.

Therefore, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- Although the Central District Plan identifies site for retail, it also envisions a mix of uses including residential could be appropriate for this and surrounding sites; and
- The requested residential density of 11.11 units per acre is supported by the General Development Policies; and
- Proposed development will provide a moderate density residential transition from the Providence Road commercial area to the single family neighborhood; and
- The low scale and generous setbacks of the proposed units are compatible with the existing neighborhood; and
- The site has been designed to maintain the existing sidewalk and pedestrian activity along Huntley
18. **Rezoning Petition: 2015-133 by BRC Salome Church LLC**

**Location:** Approximately 20.6 acres located near the northwest corner at the intersection of Salome Church Road and North Tryon Street. (Council District 4 - Phipps)

**Current Zoning:** R-3 (single-family residential) and R-22MF (CD) (multi-family residential, conditional)  
**Proposed Zoning:** R-12MF (CD) (multi-family residential, conditional)

**Zoning Committee Recommendation:**
The Zoning Committee voted 6-0 to recommend APPROVAL of this petition as modified.

**Staff Recommendation:**
Staff agrees with the recommendation of the Zoning Committee.

**Statement of Consistency:**
The Zoning Committee found this petition to be consistent with the *Northeast Area Plan*, based on information from the staff analysis and the public hearing, and because:

- The plan recommends residential development at up to 12 dwelling units per acre for this site.

Therefore, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- The proposed development is consistent with the adopted plan recommendation, which calls for residential development up to 12 units per acre; and
- The site is located at a confluence of major streets, on or near I-485, North Tryon Street and Salome Church Road, and is located in an area planned and zoned for primarily residential development; and
- The site design meets the plan's recommendation for higher density residential, by providing an internal network of streets that connects to abutting properties and to Salome Church Road and by fronting buildings along these streets; and
- Architecture features such as building materials, minimization of long and blank walls, and roof pitches have been included to support the goal of designing buildings to fit into a larger neighborhood context;

19. **Rezoning Petition: 2015-134 by Charlotte Merlane FDS 713525**

**Location:** Approximately 1.84 acres located on the northwest corner at the intersection of West Sugar Creek Road and Merlane Drive. (Council District 1 - Kinsey)

**Current Zoning:** R-4 (single family residential)
Proposed Zoning: NS (neighborhood services)

Zoning Committee Recommendation:
The Zoning Committee voted 6-0 to recommend APPROVAL of this petition as modified.

Staff Recommendation:
Staff disagrees with the recommendation of the Zoning Committee for reasons listed in the Zoning Committee recommendation.

Statement of Consistency:
The Zoning Committee found this petition to be inconsistent with the Central District Plan, based on information from the staff analysis and the public hearing, and because:

- The plan recommends residential development at up to four dwelling units per acre for this site.

However, this petition was found to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, and because:

- The petition will bring new development and encourage future development in the area.
