## ZONING DECISIONS

1. **Petition No. 2013-061** by Charlotte-Mecklenburg Planning Department for a Text Amendment to the City of Charlotte Zoning Ordinance to add conference centers, convention centers and halls, exhibit halls, merchandise marts and similar uses as a use permitted under prescribed conditions in B-2 (general business) and I-1 (light industrial) zoning districts.

   This petition is found to be consistent with the *Centers, Corridors, and Wedges Growth Framework* goals and to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, by a 6-0 vote of the Zoning Committee. The Committee voted 6-0 to recommend **APPROVAL** of this petition.

   Staff recommends approval of this petition.

2. **Petition No. 2013-069** (Council District 7 – Driggs) by The Ryland Group, Inc. for a change in zoning for approximately 5.0 acres located on the north side of Providence Road West near the intersection of Tolliver Drive and Providence Road West from R-3 (single family residential) to UR-1(CD) (urban residential, conditional).

   This petition is found to be consistent with the *South District Plan* and the *General Development Policies* and to be reasonable and in the public interest based on information from the staff analysis and the public hearing, by a 6-0 vote of the Zoning Committee. The Committee voted 6-0 to recommend **APPROVAL** of this petition with the following modifications:

   1. The zoning of abutting parcels are labeled on the site plan.
   2. Amendments to Rezoning Plan heading and associated language have been removed from the site plan. General Provisions language has been modified to state future amendments to rezoning plan must be in accordance with the provisions of Section 6.207 of the Zoning Ordinance.
   3. A six-foot sidewalk has been added along the proposed local residential medium street. Language under Streetscape and Landscaping has been amended to reflect this requirement.
   4. Language has been added under Permitted Uses stating accessory uses to single family residential units are permitted uses.
   5. Petitioner has modified paragraph under General Provisions by creating separate sentences, and removing reference to Celadon Development LLC and replacing with The Ryland Group, Inc.
   6. Petitioner has modified Transportation language as follows:
      a. Added a note committing to the construction of a left turn lane with 150 feet of storage on Providence Road West to serve the Site.
      b. Added language stating dedication of right-of-way along Providence Road West will occur via quitclaim deed and subject to reservation for any necessary utility easements.
   7. Petitioner has modified Architectural Standards with the following:
      a. New language references a booklet that contains schematic architectural renderings of the front elevations of the proposed single family homes. The petitioner did submit the booklet as part of the revised site plan submittal.
      b. Added language stating that the permitted exterior building materials for the front elevation of each single family detached home shall be face brick, manufactured stone, architectural block or similar masonry materials, stucco and cementitious siding and shake or a combination thereof.
| 2013-069 continued | c. Added language stating that vinyl siding shall not be a permitted exterior building material. However, vinyl accents, such as trim components, shall be permitted; vinyl may be utilized on the soffits of the single family detached homes and vinyl windows may be installed on the single family detached homes.  
8. The revised site plan now shows a proposed 6-foot shadowbox fence located 5 feet off the property lines of proposed lots 9 through 11. Petitioner shows 11 Crepe Myrtle (4 gallon) and 12 Steeds Holly (7 gallon) proposed to be planted within the 5-foot area along rear property lines of Lots 9 and 10. A detail of the proposed shadowbox fence is now shown on the site plan.  
9. The petitioner has added language under Streetscape and Landscaping that states prior to issuance of a building permit for construction of a home on Lots 9-11, the following must be accomplished:  
10. The above-mentioned shadowbox fence must be installed along the rear property lines of Lots 9 through 11.  
11. Noted Crepe Myrtle and Steeds Holly must be installed along the rear property lines of Lots 9 and 10.  

Staff recommends approval of this petition.

| 3. Petition No. 2013-071 (Council District 6 – Smith) by The Presbyterian Home at Charlotte, Inc. for a change in zoning for approximately 24.80 acres located on the west side of Sharon Road between Eastburn Road and Hazelton Drive from R-3 (single-family residential) and INST(CD) (institutional, conditional) to INST(CD) (institutional, conditional) and INST(CD) SPA (institutional, conditional, site plan amendment).  
The existing independent and dependent care facility of this petition is found to be consistent with the South District Plan (1993) while the small portion of the site developed with single family homes is inconsistent with the plan, and to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, by a 6-0 vote of the Zoning Committee. The Committee voted 6-0 to recommend APPROVAL of this petition with the following modifications:  
1. The maximum building height for the apartment-style independent living structures has been provided on the site plan.  
2. The number of existing independent living units and beds have been labeled on the site plan under the site data table. The number of existing and proposed units have been labeled by type on the site plan.  
3. A detail of the proposed ornamental fence has been provided.  
4. A note has been added that the petitioner will submit plans for the sign, fence, and landscaping to the Fair Meadows Home Owners Association and provide a letter of approval from the Home Owners Association to the Charlotte-Mecklenburg Planning Department, before submitting for Commercial Plan review.  
5. A note has been added that the petitioner will submit landscaping plans for the corner of Sunnybrook Drive and Eastburn Drive to the appropriate Homeowners Associations and provide a letter of approval from the Home Owners Associations to the Charlotte-Mecklenburg Planning Department, before submitting for Commercial Plan review.  
6. A note has been added that an encroachment agreement for the proposed fence in the right-of-way will be sought with the Charlotte Department of Transportation.  
7. The site plan has been modified that any proposed fence or landscaping material will comply with the required sight triangles.  

Staff recommends approval of this petition.

### 5. **Petition No. 2013-079** (Council District 1 – Kinsey) by Joseph Okoye & Sylvia Okoye

for a change in zoning for approximately 1.59 acres located on the west side of Eastway Drive near the intersection of Audrey Street and Eastway Drive from R-17MF (multi-family residential) to INST(CD) (institutional, conditional).

This petition is found to be inconsistent with the *Eastside Strategy Plan* but to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, by a 7-0 vote of the Zoning Committee. The Committee voted 7-0 to recommend **APPROVAL** of this petition.

Staff recommends approval of this petition.

Attachment 5

for a change in zoning for approximately 1.54 acres located on the south side of The Plaza near the intersection of East W.T. Harris Boulevard and The Plaza from R-3 (single-family residential) to B-1(CD) (neighborhood business, conditional).

This petition is found to be consistent with the *Eastside Strategy Plan* but not to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, by a 5-2 vote of the Zoning Committee. The Committee voted 5-2 to recommend **DENIAL** of this petition. The following modifications have been made:

1. The conditional notes and site plan data and development have been placed in the requested format.
2. The required buffer has been labeled as a 30-foot Class B Buffer.
3. A note has been added that any attached building lighting “will be downwardly directed and will be a full cut-off fixture.”
4. A note that expanses of building wall 20 feet or more in length will be broken up by various materials, clear glass, architectural features, and masonry brick has been added to the site plan.
5. Add windows and architectural features, such as decorative masonry patterns and grill work, to break up the left side of the proposed structure.
6. A note has been added that landscaping and screening trees will be provided along the front edge of the parking area.
7. Glass windows has been added to the front of the building to break up long expanses of blank wall.
8. A note has been added that detached identification signage will be limited to a ground mounted sign.
9. The “eight-foot planting strip” along The Plaza has been labeled.

Staff recommends approval of this petition.

7. **Petition No. 2013-091** (Council District 7 – Driggs) by Shea Anniston, LLC for a change in zoning for approximately 11.38 acres located on the north side of Marvin Road, east of Johnston Road, between Donnington Drive and Wilklee Drive from R-3 (single-family residential) to MX-1 (mixed use).

This petition is found to be consistent with the South District Plan and the General Development Policies and to be reasonable and in the public interest, based on information from the staff analysis and the public hearing, by a 7-0 vote of the Zoning Committee. The Committee voted 7-0 to recommend **APPROVAL** of this petition with the following modifications:

1. The zoning of abutting parcels are now noted on the site plan.
2. Streetscape and Landscaping Note B has been clarified to indicate a minimum a 30-foot rear yard along the site’s eastern property boundary.
3. Cross-section for the proposed local residential street has been amended to provide a six-foot sidewalk (instead of five feet wide as previously shown) and a 2'-6" standard curb and gutter. Other items requested as related to parking width, thru lanes, right-of-way width, and sidewalk/utility easement have been rescinded as the cross-section provided meets the overall intent.
4. The location and width of sidewalks, planting strips and setbacks for new internal public streets are noted on Rezoning Sheet 2 on the typical cluster plan and the local residential street cross-section.
5. The local residential street cross section and the Typical Cluster Plan both shown on Sheet RZ-2 have been modified to reflect consistency with respect to location and width of proposed improvements within the 50-foot right-of-way.
6. Architectural Standards Note 4b has been modified to state that vinyl elements may be used for soffits, windows and other architectural accent materials.
7. Neighborhood and Business Services and Transportation comments have been addressed by providing the following:
   a. Provided a note on the site plan that states that typical front yard is where building front entry is located, and referring to typical cluster plan on Sheet RZ-2 for typical yard classification. In addition, petitioner modified Innovative Development Standards Item 1b regarding minimum internal rear yard (five feet from back of curb) to now read as minimum front yard (five feet) (*Neighborhood and Business Services*).
   b. Eliminated the first recessed on-street parking space closest to the proposed traffic circle on the west side of the proposed public street (*Transportation*).
   c. Removed each of the proposed splitter islands on either approach to the proposed traffic circle (*Transportation*).
8. Modification to Innovative Development Standard 1(b) from minimum internal rear yard (five feet from back of curb) to minimum front yard (five feet).
9. An undisturbed buffer ranging in width from 35 feet to 50 feet is now identified along portions of the east and west property lines, and along the northern property line.
10. Development notes have been added to Parks, Greenways and Open Space as follows:
   a. Petitioner shall provide at least four acres of open space and tree save areas as generally depicted on the proposed site plan.
   b. An undisturbed buffer shall be provided along the perimeter of the northern portion of the site. The location and width is depicted on RZ-1. “Undisturbed” shall mean that the existing vegetation is allowed to remain, and no grading or other improvements shall be allowed. Routine maintenance such as trash removal, removal of vines and invasive plant species or dead or dangerous trees will be allowed.
   c. Areas of common open space not included within the undisturbed buffer area may be used for passive recreational activities and may include walking trails, benches, picnic tables, bridges, and a gazebo or picnic shelter. However, no lighting or other permanent structures shall be permitted in open space areas.
   d. Water quality area shall be screened and fenced as generally depicted on RZ-1. Fencing shall be at least four (4) feet in height and screening plantings shall be evergreens planted six (6) feet on center and shall be expected to reach five (5) feet in height within three (3) years of planting.
2013-091 continued

e. All common areas shall be maintained by a homeowners association which will also be responsible for monitoring and controlling mosquito activity within the water quality feature.

11. In regards to new Parks, Greenways and Open Space development notes identified above, the site plan has been modified to show the following:
   a. An undisturbed buffer ranging in width from 35 feet to 50 feet along portions of the east and west property lines, and along the northern property line in its entirety.
   b. Evergreen shrubs on berm around water quality area with safety fence.
   c. Common open space to be developed with passive amenities, including possible gazebo and trail.

Staff recommends approval of this petition.

3. Amended Note 4a to amend the list of proposed building materials as follows: The building materials used on the principal buildings constructed on the site will be a combination of portions of the following: brick, stone, precast stone, precast concrete, synthetic stone, cementitious siding (such as hardi-plank), stucco, EIFS, decorative block and/or wood. Vinyl or aluminum as a building material may only be used on windows, soffits and on handrails/railings.

4. Amended Note 4(c) to state “The two ends of the proposed building will be designed to be a maximum of two stories in height as generally illustrated on Sheet TE002 of the Rezoning Plan.

5. Amended Note 5(d) to amended the buffer to be provided along the site’s boundaries from a 38-foot Class C buffer to a 50-foot Class A buffer, except where the site’s access drive is located, in which case a 38-foot Class A buffer will be provided.

6. Amended Note 5(d) to added that the required buffer will be enhanced by utilizing only evergreen trees to meet the required buffer plantings for trees “and by installing a six-foot fence generally along the interior edge of the buffer, the fence may be located up to three feet into the buffer, as generally depicted on the Rezoning Plan. No more than 25% of the fence surfaces shall be left open and the finished side of the fence shall face the abutting property. The width of the Class A buffer will not be reduced by the installation of this fence as prescribed by the Ordinance.”

7. Amended Note 6 to added the following: “The site’s storm water detention facility will be designed and constructed to be a wet pond and will be outfitted with a water circulation fountain and will be enclosed by a decorative four-foot metal type picket fence as generally depicted on the rezoning plan.”

8. Amended Sheet TSP001 as follows:
   a. labeled a two-story building element.
   b. labeled a two-story building element and specify that OMITTED a porte cochere building element will be omitted.
   c. showed location of and label a six-foot privacy fence along the edge of the 50-foot Class A buffer.
   d. showed and label the 50-foot Class A buffer to remain disturbed.
   e. showed approximate location of and label the four-foot high decorative fence around the open space/storm water BMP area.
   f. labeled wet pond in open space/storm water BMP area.

9. Amended Sheet TE002 as follows:
   a. omitted a porte cochere on Building 1A.
   b. reflect amended roof line on portions of building, an addition of two units, and an increase of the breezeway from two stories to three stories.
   c. revised three units to remove porches from the west (Willomere) side of the building and relocated porches to the east side.
   d. revised building height to coordinate with reduced building height on the north end.
   e. omitted two units and breezeway on building elevations from three stories to two stories on the north end.

10. Amended Note 6(c) under Environmental Features to state “If approved by City Storm Water Services and City Engineering the Site’s storm water detention facility will be designed and constructed as a wet pond. If constructed as a wet pond it will be outfitted with a water circulation fountain. The storm water detention facility will be enclosed by a decorative four (4) foot metal type picket fence as generally depicted on the Rezoning Plan.”
