5. **Petition No. 2013-047** (Council District 2 – Mitchell) by Brookline Residential, LLC for a change in zoning for approximately 26.68 acres located on the west side of Interstate 77 near the intersection of Reames Road and Lakeview Drive from MX-1 to UR-2(CD).

This petition is found to be inconsistent with the *Northlake Area Plan*; however, to be reasonable and in the public interest, by a 4-1 vote of the Zoning Committee. The Committee voted 4-1 to recommend **APPROVAL** of this petition with the following modifications:

1. Modified Note 4.C. to reference driveway permits to be approved by CDOT and NCDOT.
2. Modified the last sentence of Note 4.D. to read: “...is valid for a period of ten (10) years from the date of the *first certificate of occupancy being issued on the site* original approval of the Brookline site plan”.
3. Eliminated Note 4.E.
4. Eliminated Note 4.G.
5. Modified the second sentence of Note 4.H. to read: “Petitioner *may* shall be allowed to construct control access gates at the project entrance, generally as depicted on the schematic site plan and subject to CDOT and Planning approval”.
6. Provided an additional “Transportation” note indicating the petitioner will construct a concrete passenger waiting pad for bus service along the eastern side of Reames Road and that the location will be coordinated with CATS.
7. Provided an additional “Transportation” note that reads: “During the subdivision development review process, it will be determined if a vehicular/pedestrian connection(s) will be required to the abutting property north of the site. If such connection(s) is required and the development of this site occurs prior to the redevelopment of the abutting site to the north, the portion of the connection(s) on the site will be designed and constructed at the property line within two feet above or below the existing grade of the northern abutting parcel to facilitate the connection. Once such connection(s) is made it shall remain open to the public and any gate if installed to date must be removed.”
8. Modified Note 5.D. to read: “…masonry materials *including* (brick, stone, brick veneer, and/or simulated stone) architectural lock and other masonry materials”.
9. Eliminated Note 6.A.
10. Eliminated the last sentence of Note 6.B.
11. Eliminated Note 6.D.
12. Eliminated Note 6.E.
13. Eliminated Note 6.F.
14. Provided a conditional note regarding the open space areas, including tree save and stormwater areas, that indicate what amenities will be provided.
15. Removed the note on Sheet RZ-2 that states: “Due to existing conditions/perennial stream along this property line, roadway connection per USDG shall not be required”.
16. On Sheet RZ-2, extended the internal sidewalk along the private street between buildings 4 and 5 out to the internal sidewalk along Boylston Drive.
17. On Sheet RZ-2, extended the internal sidewalk along the private street between buildings 7 and 11 out to the internal sidewalk along Boylston Drive.
18. The building elevation on Sheet RZ-3 indicates “accent vents and cupola on featured buildings”. Provided additional notes that clearly define the featured buildings that will be constructed with the additional architectural elements.
19. Addressed Transportation comments.
20. The buffer width along Interstate 77 has been increased from a 50-foot Class “C” buffer to a 75-foot buffer along a majority of the road frontage. A portion of the buffer adjacent to the storm water management pond has been increased to 65 feet.
21. The minimum requirement for masonry materials on the exterior building walls has been increased from 25 percent to 30 percent. The percentage requirement for the carriage unit facades facing Boylston Street and the single family homes has been increased to 75 percent and their elevations have been modified to incorporate covered porches.
| 2013-047 continued | 22. Provided a note to allow the eight current homeowners within Brookline to use the pool facility at the proposed apartment community for an annual fee of $600.  
23. Provided a note indicating the petitioner will fund the repair of the existing gate at the Lakeview Road entrance and commit to having the apartment community pay for the long term maintenance of the gates.  
24. Provided a note indicating the apartment community will share in the cost of maintaining the private roads in Brookline and in keeping up the landscaping along Reames Road.  

Staff recommends approval of this petition.

| 6. Petition No. 2013-048 (Council District 7 – Cooksey) by Elevation Church for a change in zoning for approximately 22.15 acres located on the east and west side of Lancaster Highway and at the intersection of Lancaster Highway and Johnston Road from R-17MF(CD) and NS to O-1(CD).  
This petition is found to be inconsistent with the South District Plan; however to be reasonable and in the public interest by a unanimous vote of the Zoning Committee. The Committee voted unanimously to recommend **APPROVAL** of this petition with the following modifications:  
1. Amended Note 14 to state “prior to approval by the City Council on Rezoning Petition 2013-048, the petitioner and owner of the property covered by Rezoning Petition 2000-02c will file an administrative amendment for Petition 2000-02c that will reduce the number of residential units currently approved to an amount that falls within the allowed density. If Rezoning Petition 2013-048 is approved by City Council, the reduction in the number of allowed units on Rezoning Petition 2000-02c will be binding and may not be added back to Petition 2000-02c through the administrative amendment process. If Rezoning Petition 2012-048 is not approved by the City Council, the administrative amendment will automatically be null and void, and of no effect.”  
2. Relabeled the area designated for trash as "solid waste and recycling area."  
3. Added a note that a low masonry wall and landscaping will be provided to screen parking as shown on the site plan.  
4. Provided a minimum five-foot sidewalk on the eastern side of the main interior driveway that runs perpendicular to the proposed public street.  
5. Illustrated a five-foot internal sidewalk connection to the proposed six-foot public sidewalk along US Highway 521.  
6. Modified the zoning buffer references to indicate a 75-foot Class B buffer.  
7. Addressed CDOT comments as follows:  
  a. Eliminated the proposed eastbound through-right lane on Lancaster Highway, at the intersection of Johnston Road (US 521) and Lancaster Highway, and let it remain as a through-lane only. Extended the existing right-turn lane on US Highway 521 to provide a total storage of 525 feet.  
  b. Added a note that commits to the installation of pedestrian signals, and high visibility cross-walks on the western approach of the subject intersection.  
  c. Per discussion with CDOT, petitioner agrees to provide one of the following two roadway improvement options:  
    (i) Extend the northbound left-turn lane storage on Lancaster Highway at Providence Road West from 150 to 225 feet with a 150-foot bay taper plus;  
    (ii) Re-mark the existing marked out pavement on Ardrey Kell Road at US Highway 521 to a second westbound left-turn lane with 160 feet of storage and;  
    (iii) Provide a 200-foot bay taper; OR |
2013-048 continued

(i) Provide a dedicated left-turn and through right combination on the western approach to the intersection of Providence Road West and Lancaster Highway and adding additional asphalt on the eastern approach of the subject intersection to allow for a proper through lane transition across the intersection; plus
(ii) Re-mark the existing marked out pavement on Ardrey Kell Road at US Highway 521 to a second westbound left-turn lane with 100 feet of storage using the existing bay taper.

d. Petitioner agrees to share the cost estimates with CDOT for both options "6a" and "6f" above prior to submitting construction plans, in order to identify the costs associated with each option. Provided that the cost to Petitioner to construct the improvements set forth in option "6b" is equivalent to the cost to construct the improvements set forth in option "6a", Petitioner will construct the improvements set forth in option "6b." Nothing herein shall be construed as requiring Petitioner to provide both options.

8. Pedestrian and vehicular connections throughout the Site will be provided in a manner generally shown on the Site Plan.
9. Internal sidewalks shall connect the entrances of the building to the sidewalk along the street.
10. Petitioner will offer for dedication additional right-of-way along Lancaster Highway to include a minimum 8-foot planting strip and 6-foot sidewalk, generally as depicted on the Site Plan.
11. Petitioner will provide a sidewalk easement to allow for a 6-foot sidewalk along US Highway 521 as generally shown on the Site Plan.
12. Petitioner is requesting the abandonment of a portion of Lancaster Highway as shown on the Site Plan.

Staff recommends approval of this petition.
