Options

1. To bring Councilmembers up to the same total compensation and to provide the same percentage increase for the Mayor, an adjustment of $8,500 would need to be made to the budget.

2. To bring the Mayor and Councilmembers up to the same base salary as Mecklenburg County, an adjustment of $24,100 would need to be made to the budget.

3. To bring the Mayor and Councilmembers up to the same base salary and expenses, an adjustment of $45,000 would need to be made to the budget.

4. Other options as determined by Council.

Funding

As stated in Section B, $465,395 is budgeted in Council’s FY99 Contingency. Any adjustment to Mayor and Council compensation would require a transfer of the total adjustment needed from contingency to the Mayor/Council budget.

- A Water and Sewer rate increase of 2.79% for residential customers.

- No increase in transit fares.

**Property Tax Rate:**

Ordinance

C. The FY99-03 Capital Investment Plan Resolution

- The resolution approves the five-year capital investment expenditure and financing plan totaling $1.3 billion.

- The property tax rate dedicated to the Municipal Debt Service Fund is recommended at 6.7c. This is a ¼c increase over FY98. The increase is a transfer from the Storm Water Fund as part of the financing of the 1996 bond projects and a phase-out of the property tax support for storm water.
The sale of up to $291,000,000 of refunding bonds will result in estimated interest savings of $5,073,000.

**Two-Thirds Bonds:**

1. This resolution allows staff to secure authorization to issue up to approximately $20,480,000 of two-thirds General Obligation Bonds to include up to approximately $19,730,000 of Street Bonds for street and sidewalk projects, and up to approximately $750,000 of Cemetery Bonds to finance cemetery projects.

2. Approval of the resolution includes:
   a. Introduction of a bond order for $19,730,000 of Street Bonds.
   b. Introduction of a bond order for $750,000 of Cemetery Bonds.
   c. Designation of staff to file the Sworn Statement of Debt with the City Clerk.
   d. Setting the City Council meeting on June 22, 1998 as the place and time for a public hearing concerning the bond orders.

**Refunding Bonds:**

3. Approve a resolution to authorize up to $275,000,000 of General Obligation Refunding Bonds and up to $16,000,000 of Airport General Obligation Refunding Bonds, which includes:
   a. Introduction of a bond order up to $275,000,000 of General Obligation Refunding Bonds.
   b. Introduction of a bond order for $16,000,000 of Airport General Obligation Refunding Bonds.
• The property tax rate dedicated to the Pay-As-You-Go Fund is recommended at 2.25¢. This is an increase of 1¢ over FY98. The increase is a transfer from the General Fund to the Pay-As-You-Go Fund to increase the amount of cash available to fund capital projects.

• The Storm Water Capital Project Fund expands to $125.3 million over the next five years, supported by fee increases averaging 6.5% for residential customers, 7.2% for commercial customers, and 10% for City facilities.

• The Public Transit Capital Project Fund schedules $140.6 million over the next five years to support the Five-Year Transportation Plan. The Operating Budget impact of the infrastructure plan totals $3.4 million in FY99.

• The Water and Sewer Capital Program totals $370.1 million over the next five years, requiring an FY99 residential rate increase of 2.79%.

Attachment 2

C. Two-Thirds General Obligation Bonds Resolution and Refunding Bonds Resolution

The City’s FY99-03 CIP includes an option to partially fund General Capital projects with two-thirds bonds.

North Carolina General Statutes contain provisions for the issuance of bonds under a “two-thirds” rule. This rule provides for the issuance of general obligation debt, without a referendum, for an amount equal to two-thirds of the amount of general obligation net principal reduction in the previous fiscal year. The total two-thirds capacity available in FY99 is approximately $29,000,000, of which $20,480,000 is being used in the FY99-03 CIP.
c. Designation of staff to file the Sworn Statement of Debt with the City Clerk.

d. Ratification and approval of the filing of an application with the Local Government Commission.

e. Setting the City Council meeting on June 22, 1998 as the place and time for a public hearing concerning the bond orders.

- Under current market conditions (interest rates), a portion of the refunding bonds would produce only marginal savings. The savings on refinancing are very sensitive to market conditions and a minor decline in rates could produce significant savings. Staff requests to be in a position to move quickly if rates move in our favor. In addition, a regular bond sale has been scheduled with the Local Government Commission for July 14, 1998. Combining the refunding bond sale with the regular bond sale will allow the city to realize savings on the sale expenses.

Resolution

E. The FY99 Employee Pay and Benefits Plan Resolution

The FY99 Pay Report includes the following recommendations:

- In the Broadbanding Pay Plan, a 4.2% total budget increase for each Key Business Unit and includes:
  
  - 3.7% for merit increases and .5% for career development increases.
- Merit increases will range from 0% to 8% based on market position and performance level, but total increases in each Business Unit will not exceed 4.2%.

- A 3% increase to minimum and maximum rates in the Broadbanding Pay Plan.

- In the Public Safety Pay Plan:

  - No increase for step rates in the Public Safety Pay Plan but full funding is recommended for a 5% step increase for employees not at maximum pay. This is consistent with the original design of the Plan in which adjustments to steps generally will be made only in the first year of the two-year budget cycle.

  - A 4% increase was made to the step rates for FY98.

- Medical insurance premiums for employees/retirees and the City will increase by 7%.

- No change to life insurance or dental insurance premiums, and that the annual dental maximum benefit be increased from $1,000 to $1,500 per calendar year for each covered member.

- The City will comply with the Federal Mental Health Parity Act by changing the maximum benefit structures for mental health and substance abuse services.

Attachment 4
F. The FY99 Lease Purchase Agreement Resolution

- The FY99 Budget includes the purchase of equipment through lease purchase. The City has used this type of financing since 1982 with favorable results. The FY99 contract is recommended up to $8.5 million and includes the following:
  - Public Safety vehicles $4.93 million
  - CMUD vehicles & equipment .70 million
  - Other vehicles & equipment 2.58 million

This action authorizes staff to proceed with the necessary actions to secure the Lease/Purchase Agreement (Installment Purchase Contract).

- Individual bids for this equipment come to Council for approval prior to these funds being spent.

Attachment 5

G. City/County Interlocal Agreement Amendments

- The City Manager and the County Manager recommend amending the Interlocal Agreement in the following way:
  - The City would fully fund the Planning Commission, Animal Control, Emergency Management, Rideshare, and Cable TV Administration.
  - The County would fully fund the Tax Office and Veterans Services.
• These services will still be considered City-County functions with no impact on the level of service now provided. This amendment only pertains to how the services are funded.

• The five services the City will fund and the two services the County will fund each total approximately $2.5 million.

• The County Commission approved this funding amendment on April 2, 1998.

H. Financial Partners Performance Review RFP

• In association with the FY99 Budget Development Process, the City Manager developed a systematic plan for reviewing the performance of selected Financial Partners. This process will review the efficiency and effectiveness of each Partner’s organization and management structure, financial management, how each organization supports Council’s focus areas and priorities, and the success of each organization in fulfilling its stated mission.

• Partners selected for study in FY99 are:

1. Carolinas Partnership;
2. Charlotte Convention and Visitors Bureau; and

The evaluations will take place between September 1998 and January 1999 with a final report to City Council in March 1999. $250,000 is included in the budget for these reviews.

• Council is requested to approve the attached RFP, process, and schedule for these reviews.
Sections 1-M contain contracts in excess of $100,000. Scope of services and FY99 program objectives for each of these agencies are attached.

I. Arts and Outside Agencies Contracts:

1. Charlotte Convention & Visitors Bureau (CCVB) $2,373,948

Funding for CCVB is derived from the proceeds of a county-wide occupancy tax. The increase of $210,198 over FY98 is due to increases in the net proceeds of the tax.

The CCVB promotes economic development in the Charlotte-Mecklenburg area by promoting the area as a destination for convention, leisure, and sports-related travel.

Attachment 7

2. Convention Center Marketing $3.4 million

In 1993, City Council approved an agreement between the Convention and Visitors Bureau (CCVB) and the Auditorium/Coliseum/Convention Center Authority to jointly market the Charlotte Convention Center. 70% of the marketing dollars go to CCVB and 30% goes to the Authority. Marketing dollars come from the prepared food and beverage tax and the second 3% of occupancy taxes.

The amount projected to be available during FY99 for marketing the Convention Center is $3.4 million.
On March 17, 1998, the Board Chairs of the CCVB, the Hospitality and Tourism Alliance (HTA), and The Authority presented to Council a process to develop a marketing plan for the Convention Center and the City as a whole. The Board Chairs committed to update City Council in approximately 90 days. A status report to Council is scheduled for the June 22, 1998 Dinner Meeting.

To accommodate any possible changes Council may approve during FY99 on how the Convention Center is marketed, a new clause has been inserted into the contract with CCVB and the Authority stating that the City Council may amend or terminate the contract without cause upon issuance of a 90-day notice.

3. United Family Services  
   (Victim Assistance) $244,512

Funding for United Family Services increased from FY98 to FY99. The increase of $11,137 represents a 3.7% increase in City support dedicated to staff salaries and a one-time cost for technology upgrade.

Attachment 8
4. Arts & Science Council (ASC) $2,174,580
