RESOLUTION OF THE CHARLOTTE CITY COUNCIL ESTABLISHING ITS POLICIES AND PROCEEDURE FOR PUBLIC NOTIFICATION, NOMINATION, AND APPOINTMENT OF PERSONS TO BOARDS, COMMITTEES, AND COMMISSIONS, AND STATING CITY POLICIES FOR CONSECUTIVE TERMS, OATHS OF OFFICE, RESIDENCY, AND ATTENDANCE, AND FOR THE SUBMITTAL OF ANNUAL REVIEW REPORTS OF BOARDS AND COMMISSIONS.

WHEREAS, the City Council of the City of Charlotte, NC, has reviewed its policies and process for public notification of vacancies, nominating, and appointing volunteer citizens to boards, committees, and commissions, and

WHEREAS, the City Council has reviewed City policies regarding, consecutive terms, residency, attendance, and review reports of boards, committees, and commissions;

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Charlotte that it hereby establishes the following policies and procedures for public notification, nomination, and appointment of persons to boards, committees and commissions, and states the City’s policies regarding consecutive terms, residency, attendance, and submittal of reports by boards, committees, and commissions as follows:

Section 1. PROCESS FOR PUBLIC NOTIFICATION, NOMINATIONS AND APPOINTMENTS

Appointments to boards, committees, and commissions shall be made monthly. City Council may nominate one person for appointment to each of the positions to be filled by Council. After nominations are closed, no further nominations may be made. If a person receives at least six nominations, the appointment may be made upon a motion, second and voice vote of Council at the same meeting at which the nomination is made. Only applicants receiving two or more nominations shall be brought forward for consideration during appointments.

At least four weeks prior to nominations, the City shall publicize vacancies to be filled by appointment of the Council as follows: (i) the City Clerk will provide the Council with a list of upcoming vacancies; and (ii) the City Clerk shall provide such information to the public through the City’s website, the GOV Channel, social media and other opportunities.

Any vacancies created by resignation or automatic removal shall be included with the next group of monthly nominations. Terms expiring during any month shall remain filled by the person then holding the position until a successor is appointed and qualified.

By nominating a person who has not submitted an application for the subject board, committee, or commission, the nominating Council Member certifies that the person has indicated an interest in serving and that the nominee will submit an application with the City Clerk’s Office by noon the day before the appropriate Council agenda for appointment is delivered to Council. If such application is not made, the nomination will be deemed to have been withdrawn. The City Clerk’s Office will notify the nominee of the actual deadline for submitting the application the day following the nomination.
At the next business meeting after the close of nominations, the Council shall vote on the nominees for the positions to be filled. The appointments shall be determined by written ballot. A ballot containing the names and districts of nominees shall be distributed to each Council Member. Each Council Member shall vote for a nominee, sign the ballot and return it to the City Clerk at the beginning of the dinner briefing. The City Clerk shall tally and announce the votes and the results.

In accordance with the City Charter, no nominee shall be deemed appointed unless he or she receives at least six votes. At the dais, Council shall be provided with a hard copy of the voting results and any run-offs required. If no nominee receives at least six votes on the first ballot, a second ballot (or vote) shall be cast. Only the top two vote getters shall be candidates on the second ballot. If as a result of the first ballot a tie vote situation produced more than two top vote getters, (i.e., 3-3-3-2; 5-3-3; 4-2-2-2-1), the Council shall cast ballots (or vote) on the top candidates to narrow the field of candidates to two. Then a third ballot (or vote) shall be cast on the top two vote getters. If no nominee receives at least six votes after the third ballot, all nominations shall lay on the table until the next regular meeting, at which time balloting shall be done in accordance with this paragraph.

Criminal background checks are required for nominees of the following boards:

- Charlotte Regional Visitors Authority
- Domestic Violence Advisory Board
- Civil Service Board
- Charlotte Housing Authority
- Housing Appeals Board
- Citizens’ Review Board
- Passenger Vehicle for Hire
- Zoning Board of Adjustment

A nominee to the Citizens Review Board who has a felony or Class A1 misdemeanor conviction, or a Class 1 or Class 2 misdemeanor conviction within three years of the date of nomination, shall not be eligible to serve. Appointments to the other listed boards may be denied for those persons convicted of crimes against a person, or crimes against property where intent is an element, or any offense involving drugs, alcohol, or gambling. Other crimes may also be considered by the Council in making appointments.

Current and former City employees, and the spouse, parents, and children of a current or former CMPD officer shall not be eligible to serve on the Citizens Review Board.

Current and former City employees, and the spouse, parents, and children of a current or former CMPD officer or CFD firefighter, shall not be eligible to serve on the Civil Service Board.

Any departure or deviation from the above process shall not affect the validity of an otherwise valid Council appointment.

Section 2. **CONSECUTIVE TERMS/MULTIPLE BOARDS**

No member of any board, committee, or commission may serve more than two full consecutive terms. After serving two full consecutive terms, a person must be off that board, committee, or commission for one full term before being eligible for appointment to the same body. An exception to this rule may be made on a case by case basis (i.e., a need for continuity or experience).

An individual may not serve on more than two boards, committees, or commissions at one time.
Section 3. **OATHS OF OFFICE/ORIENTATION**

For a board, committee, or commission requiring an oath of office, a new member may not vote on any matter until the oath of office has been administered. Reappointed members shall also be administered the oath of office.

Staff advisors shall conduct an orientation session for new members with the chair in attendance prior to or at the first regular meeting after appointment. Expectations shall be given concerning attendance, conflicts of interest, information on City Government, etc.

Section 4. **RESIDENCY REQUIREMENTS**

A member of any board, committee or commission must at all times be registered to vote in Mecklenburg County.

Exceptions to the above statement may exist for some boards for purposes of regional membership (i.e. the Airport Advisory Committee). Any exceptions will be handled on a case by case basis.

Section 5. **ATTENDANCE POLICY**

In order for a board, committee, or commission to be effective and efficient, and to accomplish its purpose, its membership must be actively involved and attendant to the business of the body. Therefore, all members are required to attend at least 65% of the regular and special meetings of the body and assigned committees and subcommittees held in any one calendar year with **NO EXCUSED ABSENCES**. On January 1 of each year, a member of any board, commission, or committees appointed by the Mayor, Council or City Manager shall be automatically removed from said body for failure to attend at least 65% of all regular and special meetings of the body and assigned committees and subcommittees held during the immediately preceding calendar year. For persons not serving for an entire calendar year, the 65% attendance requirement shall apply to meetings held during the portion of the year during which the person served. In order to be eligible for reappointment to a board, committee, or commission, a member must have attended at least 75% of the regular and special meetings of the body and assigned committees and subcommittees during the concluding term, or portion of the term during which the member served. In addition, any member of a board, commission or committee shall be automatically removed from said body for failure to attend any THREE CONSECUTIVE REGULAR MEETINGS of the body. A member must attend fifty percent (50%) of a meeting in order to be considered in attendance for the purposes of this policy. Members appointed in the fourth quarter of the year shall be exempt from the 65% attendance rule for that calendar year only, but are still subject to the three consecutive meeting policy.

The City Clerk shall send a letter to anyone who is removed from a board, committee, or commission for failure to meet the attendance policy. Vacancies resulting from the removal of a member shall be filled by the same method as provided for initial appointments.

The City Clerk shall send a letter to any member who is in danger of violation of the attendance requirement, asking them to be mindful of said requirement.
Staff advisors shall file attendance reports with the City Clerk pursuant to the schedule established by the City Clerk.

This attendance policy shall apply to every member of a board, committee, or commission that is part of the City of Charlotte regardless of who appoints the member. In addition, this attendance policy shall apply to all appointees by the City Council to a board, committee, or commission that is not part of the City of Charlotte.

Section 6. **REPORTS OF BOARDS, COMMITTEES, AND COMMISSIONS**

The City Council finds it appropriate to periodically review each standing board, committee, and commission to which they make appointments for the purpose of assessing whether said board, committee, or commission should be renewed, dismantled, expanded or its charge redefined. To this end, each board, committee, and commission that is part of the City, or that was established by the City Council, whether acting alone or in conjunction with one or more other local governments, is required to submit annual written reports that must contain in depth reviews of the body’s activities including goals, objectives, successes, problems, and/or the need for City Council assistance. These reports shall be submitted to the City Clerk and will be staggered through the year according to a schedule established by the City Clerk. The City Clerk shall then provide the Mayor and City Council with copies of the reports and refer the reports to the appropriate Council Committee for the Committee’s information.

Boards, committees, and commissions that are not part of the City shall submit reports in accordance with the reporting requirements set forth in their contract, if any, with the City.

In addition to required written reports, the City Council may request on a case-by-case basis that an oral report be made to the Council.

Section 7. **CONFLICT OF INTEREST**

Council’s January 24, 1983 Conflict of Interest Resolution established for boards, commissions, and committees shall continue as it is in its entirety.

Section 8. **REPEALER**

All prior resolutions of the City Council establishing procedures for the public notification, nomination, and appointment of persons to boards, committees, and commissions, and setting forth the City’s policies for consecutive terms, oaths of office, residency, attendance, and review reports are, except to the extent that they are supplementary to and consistent herewith, repealed. This repeal includes, but is not limited to, resolutions recorded at Resolution Book 34, Pages 578-582, Resolution Book 36, Page 148, and Resolution Book 38, Page 277, and Resolution Book 47, Pages 585-589.

Why are you interested in serving on these boards/committees?

I have been a resident of Charlotte for thirteen years. Charlotte is a great place to live, work and play. I feel it will continue to stay that way but needs to keep its community of residents engaged and informed. I have a huge compassion to make our communities even better places to live and want to help the Keep It Beautiful program continue their efforts in providing Charlotte citizens with opportunities to make progressive changes in their neighborhoods. I see an even deeper need for the KIB to work with business owners in lower income neighborhoods such as those in District 1 and District 4 (in particular because I am familiar with them) in an effort to provide more education and understanding on the various programs and resources business owners can partner with KIB and the City of Charlotte on that will further aid business owners on keeping business environments healthy, beautiful and community friendly while operating within our neighborhoods and to provide opportunities through program support to help offset the expenses for projects that will bring our residents and businesses within our communities closer together.
Please describe any background or abilities that qualify you to serve on these boards/committees.

I have 16 years of experience demonstrating consistent track records of outstanding design, licensing, marketing, merchandising, product development, sports social media, sales and customer service results. I am an effective communicator, leader and problem solver who builds teamwork and possesses the initiative to exceed goals with strong qualifications in all areas of department operations: P&L, budgeting, inventory control, training and development. My background in retail and corporate includes a wide range of industries such as consumer products, event marketing, health care and sports marketing. Looking for ways to create positive change in the Farmcrest Community, I, alongside several other interested residents, have begun the formation of a neighborhood association. Based on the concerns and interests of our recently formed Board of Directors, I, as elected President, have aided the association by spearheading requests with the City of Charlotte/Mecklenburg County/CMPD for the installation of additional street lighting, methods of access control, littering issues and traffic control measures. I have also assisted by writing our association By-laws and Committee Operating Procedures, in defining a Calendar of Events and by creating a Strategic Plan for the 2016-2017 term that will enhance the quality of life and values of our neighborhood, by residents working together to create a beautiful, safe, and healthy environment. As of last December, I have been serving as a member of the Advisory Team for a veterans non-profit based out of Austin, TX. In addition to my advisory position, I am also the Major Gift Coordinator for the organization where I am the spokesperson and point of contact for the organization’s work in fundraising and donor relations, focusing on individuals and companies who currently or could potentially make significant monetary contributions to the organization. I also handle all grant applications and proposal writings.

Why are you interested in serving on these boards/committees?
I love Charlotte, and feel an immense amount of pride living here due to a number of reasons- one of which being the physical beauty of Charlotte. Any opportunity to contribute to the physical appeal of this city is an opportunity at which I would leap!

Please describe any background or abilities that qualify you to serve on these boards/committees.
Due to my professional background in the fashion industry for over a decade, I feel as though I have a great deal of insight and experience to bring to the table. I also have a masterful grasp on use of color, and am eager to apply my skills (while acquiring new ones) to help keep Charlotte beautiful. Real Estate Broker

Job Title:

Brief description of duties:

I currently am a real estate broker in the South Charlotte area. I help my clients list their property, market that property for sale, and am extremely thorough and diligent about providing an exceptional experience while helping them get the highest price. With buyer-clients, I work with them establishing their needs and their wants, and then I scour the market for homes that would best fit their desires. Prior to showing them properties I run a comparative market analysis to view the relevant data necessary to gauge what my client would offer, should the situation arise. I also deal with relocation into the Queen City, and am able to communicate effectively with out-of-town residents working to get them settled into a new perfect home here. Once all of the moving parts have come to a settled calm, I flex my networking muscles and get them wired into the community with any and every resource that they may need – be it varying clubs, activities, groups, and even specialists like landscapers and stylists.

Other employment history:

Prior to working for Allen Tate I managed a shop called Coplon's, which is located in Phillips Place for about three and a half years. Before that I worked as a sales associate at Tory Burch in SouthPark mall, after moving to Charlotte from Los Angeles. While in LA I worked as my then-idol's assistant which ultimately led me to realizing that LA was not the place for me.

Why are you interested in serving on these boards/committees?

Since the 6 years I've moved to Charlotte I have seen this city change its aesthetics from one end to the other. To see all the different pockets we have (i.e. Noda, Dilworth, Steele Creek, Uptown, Ballantyne, University, etc.) morph into an enjoyable sight makes me proud what of what our city is becoming. To keep Charlotte beautiful, means not only to construct buildings, homes, architecture and other sights, but also to preserve our historical parts, parks, trails/nature, keeping our streets clean & taking care of our communities. I would bring value to the board because I have the enthusiasm to see our city grow, I have also been to many different countries & observed the feel/look of those cities/countries as an adult now I know the value cities have when they are beautified.

Please describe any background or abilities that qualify you to serve on these boards/committees.

Traveled many cities within the US and abroad, nature enthusiast, advocate of reuse, recycle & reduce and enjoy meeting with individuals from all different backgrounds. These attributes may not qualify as certifications, degrees or a concentration in a specific field, however, having a voice as a community member and the knowledge to think outside the box makes me a suitable board member.

U.S. Department of Justice National Sexual Assault Kit Initiative Grant

Action:
Authorize the City Manager to accept a grant in the amount of $837,342 from the U.S. Department of Justice over a three year period to test backlogged sexual assault kits and hire personnel for the Charlotte-Mecklenburg Police Department’s Crime Laboratory Division and Sexual Assault Unit/Cold Case Unit.

Staff Resource(s):
Kerr Putney, Police
Melanie Peacock, Police
Matthew Mathis, Police

Explanation
- The Charlotte-Mecklenburg Police Department (CMPD) has been awarded a grant from the U.S. Department of Justice for a FY 2017 National Sexual Assault Kit Initiative (SAKI) Program.
- On September 28, 2015, City Council authorized the city manager to accept a grant from the New York County District Attorney’s Office to test 885 unprocessed sexual assault kits.
- On October 10, 2016, City Council authorized the city manager to accept a grant from the U.S. Department of Justice to test 300 remaining unprocessed sexual assault kits (SAKs).
- The objective of the FY 2017 SAKI grant is to provide funding to test “partially tested” SAKs that were subjected to serological (blood and other bodily fluids) screening or previous non-Combined DNA Index System (CODIS) eligible DNA testing methodologies.
- The FY 2017 SAKI grant award will allow CMPD to conduct DNA testing on “partially tested” SAKs in the hope of yielding a CODIS eligible profile that could potentially solve cases that pre-dated DNA testing.
- CMPD will use its most recent FY 2017 SAKI grant to fund the following:
  - Outsource 600 partially tested SAKs to an accredited lab.
  - Purchase two laptops for the part-time, hire-back Sexual Assault Unit detectives, funded by the FY 2016 SAKI grant, to conduct case follow-up, and contact victims.
  - Hire one part-time former assistant district attorney for 1,040 hours annually to research and prepare cases for prosecution that have resulted from CODIS hits.
  - Lease one vehicle to allow travel to area hospitals to deliver supplies and training to nurses (site coordinator), and to meet with victims and attend sexual assault response team meetings (victim advocate).
    - The site coordinator and victim advocate are funded by the FY 2016 SAKI grant.
  - The total amount of the grant award is $837,342.
  - This grant does not require the City to match funds.
Agenda #: 13. File #: 15-6701 Type: Consent Item

- The grant period is October 1, 2017, through September 30, 2020.
- The City must accept this award by October 23, 2017.
- At the conclusion of the grant, CMPD will evaluate the need for the grant-funded positions.

U.S. Department of Justice FY 2017 DNA Capacity Enhancement and Backlog Reduction Program

Action:
Authorize the City Manager to accept a grant from the U.S. Department of Justice in the amount of $331,814 to continue funding four existing DNA positions and a quality assurance audit in the Charlotte-Mecklenburg Police Department DNA Crime Laboratory Division.

Staff Resource(s):
Kerr Putney, Police
Bruce Bellamy, Police
Matthew Mathis, Police

Explanation
- Annually, since 2006, the Charlotte-Mecklenburg Police Department (CMPD) has received a grant from the U.S. Department of Justice DNA Capacity Enhancement and Backlog Reduction Program.
- The U.S Department of Justice DNA Backlog Reduction grant for Fiscal Year 2016 currently funds four existing grant positions.
- By November 13, 2017, the City of Charlotte must accept the Fiscal Year 2017 DNA Capacity Enhancement and Backlog Reduction Program grant award for the performance of DNA analysis on current and active cases.
- The Biology Unit of CMPD’s Crime Laboratory Division continues to experience an increase in the demands for DNA testing. Currently, the Biology Unit tests cases including, but not limited to, homicides, rapes, robberies, and property crimes (e.g. burglaries).
- DNA Backlog Reduction grant funds will allow the Biology Unit to process more DNA samples, thereby helping to reduce the number of forensic DNA and DNA database samples awaiting analysis.
- The grant funds are to be used to help decrease the backlog of cases with DNA evidence by providing:
  - $138,420 will fund two Criminalist DNA Analysts for 12 months.
  - $52,251 will fund one DNA Analyst Trainee for 12 months. At the completion of the training period, the DNA Analyst Trainee will be qualified to assume full DNA analysis duties.

  - $69,761 will fund the benefits for the four positions during the grant period.
  - $14,639 for supplies including amplification, quantification, and extraction kits.
  - $8,994 will fund a quality assurance audit that is required by the Federal Bureau of

Granite Pointe Apartments Bond Issuance Approval

Action:
Adopt a resolution granting the Charlotte Housing Authority’s request to issue multi-family housing revenue bonds in an amount not to exceed $23 million to finance the development of Granite Pointe Apartments.

Staff Resource(s):
Pamela Wideman, Housing and Neighborhood Services
Zelleka Biermann, Housing and Neighborhood Services

Explanation
- The Charlotte Housing Authority (CHA) is requesting that City Council adopt a resolution authorizing the issuance of multi-family housing revenue bonds for Granite Pointe Apartments, a 198-unit affordable housing development. Pedcor Investments is the developer of the community, which will be located at 9101 Nations Ford Road.
- This development supports City Council’s commitment of achieving 5,000 affordable housing units within three years as outlined in the Community Letter.
- The CHA bonds, which are not to exceed $23 million, will be used to finance land acquisition and construction.
- The adoption of the resolution is required by the governmental unit with jurisdiction over the area where the development is located in order to satisfy Section 147(f) of the Internal Revenue Service Code of 1986. This action will not obligate the City financially or impact the Community Investment Plan.

Background
- On September 12, 2016, City Council approved a waiver of the Housing Locational Policy to support the development of Granite Pointe Apartments.
- The North Carolina Housing Finance Agency approved a four percent tax credit and a bond allocation capacity totaling $23 million to be used for the Granite Pointe Apartments affordable housing development.

RESOLUTION

AUTHORIZE THE CEO TO PROVIDE PRELIMINARY APPROVAL TO ISSUE REVENUE BONDS TO FINANCE THE ACQUISITION, CONSTRUCTION AND EQUIPPING OF AN AFFORDABLE HOUSING DEVELOPMENT (GRANITE POINTE APARTMENTS)

WHEREAS, Pedcor Investments, A Limited Liability Company, a Wyoming limited liability company, or an affiliated or related entity (the “Borrower”), has requested that the Housing Authority of the City of Charlotte, N.C. (the “Authority”) assist in financing the acquisition, construction and equipping of a 198-unit multifamily housing development to be known as Granite Pointe Apartments, located at 9101 Nations Ford Road in Charlotte, North Carolina (the “Development”); and

WHEREAS, the Borrower has described to the Authority the benefits of the Development to the City of Charlotte and the State of North Carolina and has requested the Authority to agree to issue its revenue bonds in such amounts as may be necessary to finance the costs of acquiring, constructing and equipping the Development; and

WHEREAS, the Authority is of the opinion that the Development is a facility which can be financed under the Act and that the financing of the same will be in furtherance of the purposes of the Act;

Now Therefore BE IT RESOLVED BY THE HOUSING AUTHORITY OF THE CITY OF CHARLOTTE, N.C.:

1. It is hereby found and determined that the Development will involve the acquisition, construction and equipping of a housing facility to serve persons of low and moderate income, and that therefore, pursuant to the terms and subject to the conditions hereinafter stated and the Act, the Authority agrees to assist the Borrower in every reasonable way to issue bonds to finance the acquisition, construction and equipping of the Development, and, in particular, to undertake the issuance of the Authority’s revenue bonds (the “Bonds”) in one or more series in an aggregate amount now estimated not to exceed Twenty-Three Million Dollars ($23,000,000) to provide all or part of the cost of the Development.

2. The Authority intends that the adoption of this resolution be considered as “official action” toward the issuance of the Bonds within the meaning of Treasury Regulations Section 1.150-2 promulgated by Internal Revenue Service pursuant to the Internal Revenue Code of 1986, as amended (the “Code”).

3. The Bonds shall be issued in such series and amounts and upon such terms and conditions as are mutually agreed upon among the Authority and the Borrower. The Authority and the Borrower shall enter into a “financing agreement” pursuant to the Act for a term and upon payments sufficient to pay the principal of, premium, if any, and interest on the Bonds and to pay all of the expenses of the Authority in connection with the Bonds and the Development. The Bonds will be issued pursuant to an indenture or other agreement between the Authority and a trustee (the “Trustee”) or the bondholder which will set forth the form and terms of the Bonds and
will assign to the Trustee for the benefit of the holders of the Bonds, or directly to the bondholder, the Authority’s rights to payments under the financing agreement. The Bonds shall not be deemed to constitute a debt or a pledge of the faith and credit of the State of North Carolina or any political subdivision or agency thereof, including the Authority and the City of Charlotte, but shall be payable solely from the revenues and other funds provided under the proposed agreements with the Borrower.

4. The Authority will proceed, upon the prior advice, consent and approval of the Borrower, bond counsel and the Authority’s counsel, to obtain approvals in connection with the issuance and sale of the Bonds, including, without limitation, from the City of Charlotte and the North Carolina Local Government Commission.

5. It having been represented to the Authority that it is desirable to proceed with the acquisition, construction and equipping of the Development, the Authority agrees that the Borrower may proceed with plans for such acquisition, construction and equipping, enter into contracts for the same, and take such other steps as it may deem appropriate in connection therewith, provided that nothing herein shall be deemed to authorize the Borrower to obligate the Authority without its written consent in each instance to the payment of any monies or the performance of any act in connection with the Development and no such consent shall be implied from the Authority’s adoption of this resolution. The Authority agrees that the Borrower may be reimbursed from the proceeds of the Bonds for all qualifying costs so incurred by it as permitted by Internal Revenue Service Regulations Section 1.150-2.

6. All obligations hereunder of the Authority are subject to the further agreement of the Authority and the Borrower, to satisfactory review by the Authority of the financial capability of the Borrower and satisfactory underwriting of the Development, and mutual agreement to the terms for the Bonds, including the execution of a financing agreement, indenture, or security agreement and other documents and agreements necessary or desirable for the issuance, sale and delivery of the Bonds. The Authority has not authorized and does not authorize the expenditure of any funds or monies of the Authority from any source other than the issuance of the Bonds. All costs and expenses in connection with the financing and the acquisition, construction and equipping of the Development and the issuance of the Bonds, including the reasonable fees and expenses of the Authority’s counsel, bond counsel, and the agent or underwriter for the sale of the Bonds, shall be paid from the proceeds of the Bonds or by the Borrower, but if for any reason the Bonds are not issued, all such expenses shall be paid by the Borrower and the Authority shall have no responsibility therefore. It is understood and agreed by the Authority and the Borrower that nothing contained in this resolution shall be construed or interpreted to create any personal liability of the officers or commissioners from time to time of the Authority.
7. The officers of the Authority are hereby authorized and directed to take all actions in furtherance of the issuance of the Bonds, including calling for a public hearing with respect to the financing of the Development through the issuance of the Bonds.

9. This resolution shall take effect immediately upon its passage.

Parking Citation Management System and Related Services Contract Amendment

**Action:**
Approve a contract amendment with Complus Data Innovation, Inc. for a parking citation management system and related services for an extension period of six months.

**Staff Resource(s):**
Liz Babson, Transportation
Kathy Dennis, Transportation

**Explanation**
- The City contracts with Complus Data Innovations, Inc. to provide a parking citation management system and collections services for the Charlotte Department of Transportation’s (CDOT) Park It! Program.
- CDOT’s Park It! office issues an average of 33,215 citations annually representing over $1.1 million in revenue.
- The City actively looks for opportunities to leverage savings by combining contract usage among departments where applicable.
- Both the Aviation and the Transportation Departments currently contract separately with Complus Data Innovations, Inc. to provide citation management and collection services. The current Transportation contract with Complus Data Innovations will expire on January 14, 2018 and the Aviation contract with Complus Data Innovation Inc. will expire on July 31, 2018.
- In order to align the two contract terms and enable the City to solicit and provide one contract for citation management system and collection services that can be used citywide, a six month amendment to the Transportation Department’s contract is needed.
- The estimated contract expenditures for the six month contract extension are projected to be $142,000.

No subcontracting goal was established for the Amendment because there are no subcontracting opportunities (Part C: Section 2.1(a) of the Charlotte Business INClusion Policy).

Monroe Road Streetscape Planning and Design Contract

Action:
Approve a contract in the amount of $1,699,100 with RS&H Architects-Engineers-Planners, Inc. for planning and design services for Monroe Road Streetscape.

Staff Resource(s):
Mike Davis, Engineering and Property Management

Proposed improvements include sidewalks, mid-block crossings, bicycle lanes, and on-street parking.
- On February 17, 2014, the City issued a Request for Qualifications (RFQ); five proposals were received from interested service providers.
- RS&H Architects-Engineers-Planners, Inc. (RS&H) was selected to orchestrate a pre-planning phase to garner community support and help provide community engagement with other projects in the area. The project received $75,000 in initial funding to complete the pre-planning phase.
- In November 2016, $2.08 million was approved in the Transportation bonds for planning and design.
- This contract will include, but is not limited to traffic analysis, public involvement, coordination with private development, right-of-way plans, and traffic control plans.
- An additional $8.32 million is proposed to be included in the 2018 bond referendum for a total project budget of $10.4 million.
- This contract is for planning and design phase plans. This phased approach to completing construction plans is consistent with City contracting procedures.
- It is anticipated that City Council will be asked to approve a construction contract in the future when the planning and design phase has been completed.

Charlotte Business INClusion

Charlotte-Mecklenburg Police Department Central Division Construction Manager at Risk Pre-Construction Services

Action:
Approve a contract in the amount of $157,700 with Edifice, Inc. for Construction Manager at Risk Pre-Construction Services for the Charlotte-Mecklenburg Police Department Central Division Station.

Staff Resource(s):
Mike Davis, Engineering and Property Management
William Haas, Engineering and Property Management
Kerr Putney, Police

Explanation
- The Charlotte-Mecklenburg Police Department (CMPD) Central Division comprises of 100 staff members who serve 4.2 square miles of area inside I-277 and portions of South End.
- The CMPD Central Division currently occupies a building leased from Bank of America at 119 East 7th Street. This project would replace the current leased building with a new, City-owned facility located at the intersection of 5th and 6th streets.
- The proposed project is to construct a three-story, 31,000-square-foot facility and a 250-space parking deck for the CMPD Central Division and potentially space for another City Department.
- The City will use the Construction Manager at Risk (CMAR) project delivery method to provide more certainty with respect to project cost and schedule, mitigate risk during construction, and enhance Charlotte Business Inclusion participation.
- This contract with Edifice, Inc. will provide pre-construction services, including but not limited to:
  - Construction estimating,
  - Developing the project schedule,
  - Constructability reviews of the design plans,
  - Developing a Charlotte Business Inclusion utilization plan, and
  - Pre-qualification of contractors
- On April 28, 2017, the City issued a Request for Qualifications (RFQ) for construction manager-at-risk services; eight proposals were received from interested service providers.
- Edifice, Inc. was selected as the most qualified firm to meet the City’s needs on the basis of demonstrated competence, qualifications, experience, and responsiveness to RFQ requirements.
- The CMAR delivery method will require one additional contract for the construction phase. It is anticipated that City Council will be asked to award a construction contract in spring of 2018.
Agenda #: 19. File #: 15-6346 Type: Consent Item

- After construction award, Edifce, Inc. will award the subcontracts and manage the construction.
- An update was provided to City Council on the CMPD Central Division project during the dinner briefing on April 10, 2017. Additional follow-up responses to questions posed by City Council during the dinner briefing are included as an attachment.

Background
- In February 2010, CMPD adopted the Facilities Strategic Plan, which outlines division facility goals through 2025. In this plan, CMPD prioritized the transition from renting spaces to occupying City-owned facilities. This recommendation supports CMPD’s objectives to be highly visible and accessible within the community, reduce operating costs, and accommodate future personnel growth.
- On April 24, 2017, Council approved the design contract with ADW Architects and authorized staff to proceed with the condemnation of 0.17 acres needed for this development which would bring the total site to 1.27 acres.

Charlotte Business INClusion for Design Contract

Questions and Answers from April 10th Council Dinner Briefing
Resolution
Location Map: Charlotte-Mecklenburg Police Department
Central Division Office
Construction Manager-at-Risk Pre-Construction Services
(Council District 2)
The following information is provided in response to questions posed by the Mayor and Council members during the April 10, 2017 Dinner Briefing on the Charlotte-Mecklenburg Police Department Central Division Office.

**Question 1:** What were the selection criteria used for considering and selecting alternative sites for constructing the new Central Police Division Office?

In January 2009, the Charlotte-Mecklenburg Police Department (CMPD) formed a Strategic Facilities Committee charged with creating a Facilities Strategic Plan that would be used to guide leaders as they made decisions related to the capital needs of the CMPD over the next 15 years. The Facilities Strategic Plan has been updated several times, most recently in September 2016. Since the formation of the Strategic Facilities Committee, the key objectives have remained the same for the location and construction of new CMPD Patrol Division Offices, and include:

- Patrol division offices must be located in highly visible and accessible locations that contribute to the community’s perception of safety and security.
- Patrol division offices must be sized to accommodate future personnel growth and support the functions a patrol division is expected to provide to the community.
- Each patrol division office, while reflecting the exterior design context of the community where it is located, will be of similar design in order to be highly recognizable as a CMPD patrol division office.
- Patrol division offices should support its neighborhood crime reduction mission and become a vital part of the neighborhoods where they are located.

CMPD Patrol Division Offices, constructed since 2009, have been situated within their respective patrol division to serve its community’s local residents. These new Patrol Division Offices include the Metro Division (1118 Beatties Ford Road), Providence Division (715 Wendover Road), Steele Creek Division (2227 Westinghouse Boulevard), Eastway Division (305 Central Avenue), and the Westover Division (2550 West Boulevard).

In order to meet these key objectives of the Facilities Strategic Plan, CMPD believes it is important that the new Central Division Office be located within the I-277 loop. Each Patrol Division is designed and workloads calculated with the goal for the Patrol Division Office to be centrally located within the Division to maximize response times. Constructing the Central Division Office outside the I-277 Loop will have a detrimental effect of response times. The alternative sites listed below are either outside the I-277 Loop, or entirely outside the Central Division boundaries.

- N. Poplar Street & 12th Street
- S. Tryon & Tremont Avenue
- W. Morehead Street & Wilkinson Blvd
- College Street, 12th Street, N. Tryon Street
- N. Tryon Street & 12th Street
- W. Morehead Street & Freedom Drive
- Wilkinson Blvd. & Suttle Avenue
- Summit Avenue near Bryant Street
Some of the alternative sites considered by CMPD and the City’s Real Estate Division were also deemed inappropriate due to security concerns associated with significant grade differences surrounding the properties. In addition to some of them being outside the I-277 Loop, the sites listed below also have the real potential of debris being thrown from higher elevations on 12th Street or I-277 onto the new Central Division Office, potentially damaging CMPD patrol cars or injuring officers. CMPD has experienced such occurrences at other Division offices in the past, particularly at the previous Providence Division office on Latrobe Drive, where debris was thrown from the higher elevation of nearby property on a regular basis, damaging patrol cars and personal vehicles of officers.

- College Street & 11th Street
- College Street, 12th Street, N. Tryon Street
- N. Tryon Street & 12th Street

Some of the alternative properties were eliminated from consideration because of challenging access to the sites, which would delay egress from the station and increase response times. Alternative properties with access concerns include:

- College Street & 11th Street
- College Street, 12th Street, N. Tryon Street
- N. Poplar Street & 12th Street
- W. Morehead Street & S. Cedar Street

**Question 2:** What were the estimated purchase costs for the alternative properties considered as potential sites for the Central Division Police Office?

**Table 1** below lists the sites considered as possible locations for the CMPD Central Division, along with the estimated value of each property. The sites highlighted in gray are within the Central Division boundary. The estimated valuations shown for each alternative site were determined in 2014 by Real Estate staff through an analysis of comparable properties. These amounts represent the value of the property at that time. A complete appraisal was not conducted on these properties, and property owners were not approached because the property was eliminated from consideration by Real Estate Division staff and Police Chief Rodney Monroe for the reasons cited in the comments section of the table. For additional explanation of the reasons cited, see the response to Question 1 above.

**Question 3:** Will the allocation of additional funding to construct the Central Police Division Office impact the ability to complete other Police division offices currently funded in the Council-approved General Community Investment Plan?

Allocation of additional funding for the Central Division Office will not impact the ability to complete other Police stations currently funded or programmed in the Council-approved General Community Investment Plan. Additional funding for Central Division would be provided from new, unallocated debt capacity created by growth in property and sales tax revenues supporting the Municipal Debt Service Fund. Funding for the six new police stations approved by City Council for construction between 2014 and 2020 has been dedicated from debt capacity created by the 3.17 cent property tax increase approved by Council in June 2013. The Westover Division Station was funded in FY 2014, and the completed station is now in operation. The Hickory Grove Division and South Division stations were fully funded in FY 2017, and land acquisition and design work are currently underway for both stations. Funding for land acquisition for Independence Division and University City Division was approved in FY 2017, and remaining funding for construction of those two stations is programmed for FY 2019. The sixth and final approved station for the new Northwest Division is programmed for funding in FY 2021.

**Question 4:** Did staff consider the site at 501 E. Trade Street as an alternative location for the new Central Police Division Office?

This property was not considered for the CMPD Central Division Office because the parcel was anticipated to be developed as a new courthouse when the Central Division site analysis was conducted in 2014. In 2015, City Council approved a property exchange which will result in the City taking ownership of this property, effective after November 2017. Located along the LYNX Gold Line, the land is anticipated to be valued around $20,000,000 and is well situated to serve as an economic development catalyst in the area. This location has strong potential for a multi-use development with pedestrian-friendly ground level amenities. If sold for private development, this property would generate significant revenue from the proceeds that could be allocated to critical capital needs and would create additional property tax revenue to support future City operations.

Staff Resource(s):
Mike Davis, Engineering and Property Management
Tony Korolos, Engineering and Property Management
Kerr Putney, Police
Katrina Graue, Police

Explanation
- In February 2010, the Charlotte-Mecklenburg Police Department (CMPD) adopted the Facilities Strategic Plan, which outlines facility goals through 2025 and prioritizes the transition from leased division offices to City-owned stations. The Facilities Strategic Plan was updated in 2016 and identified construction of the University City Division Station as a top five priority.
- Mecklenburg County owns 1.83 acres located at 8446 North Tryon Street (parcel identification number 049-336-01A) and has determined it has no immediate need for the property in the delivery of its current line of service. The Board of County Commissioners approved the sale of this property at their meeting on October 3, 2017.
- The County-owned parcel is well situated to meet CMPD’s objectives to provide quality and efficient service, and be highly visible and accessible within the community. The property is also adjacent to Fire Station 27.
- The property was appraised in March 2017, for $745,900.
- The purchase and sale agreement includes the following terms:
  - Price of $745,900,
  - An option for Mecklenburg County to purchase the property back for $745,900, should construction of the University City Division station not commence within two years of the date on which the City acquires the property, and
  - Closing within 60 days.
- CMPD University City Division currently leases 10,717 square feet in the building located at 8401 University Executive Park Drive for $229,879.65 annually. The lease expires on December 31, 2021, with a termination option available on December 31, 2020.
- Funding for design and construction of the new, two-story facility of approximately 14,000 square feet, is anticipated to be received in FY 2019. Contracts for design and construction are forthcoming, with construction estimated to be completed by December 31, 2020.
- As part of the mandatory referral process, the Planning Commission reviewed the transaction on
May 16, 2017, and provided no additional comments.

- This transaction is consistent with the City-Owned Real Estate and Facilities Policy, adopted by City Council in June 2017.

Staff Resource(s):

Explanation

- This purchase is consistent with the City-Owned Real Estate and Facilities Policy, adopted by City Council in June 2017.
- Currently, more than 130 Innovation and Technology (I&T) staff are located in three separate facilities and on five floors within the Charlotte-Mecklenburg Government Center. Consolidation into a single facility will improve operational efficiency, customer service, and employee morale.
- The FY 2018-2022 Community Investment Plan includes $5,400,000 to be used for I&T Consolidation.
- The parcel at 5516 Central Avenue is 3.89 acres, zoned O-1, and includes a 36,865 square foot building. The building has been vacant for approximately two years, and has been listed for sale since July 2016.
- The property is a good option to facilitate the consolidation because the building is large enough to accommodate current I&T staff as well as growth projections, includes 150 surface parking spaces, and will have access to the proposed CityLYNX Gold Line streetcar. The presence of a City facility will also promote community safety through increased activity and demonstrate the City’s commitment to economic development in East Charlotte.
- The terms of purchase are:
  - Purchase price of $2,400,000 based on negotiation,
  - Due Diligence Period of 90 days, which will be used to assess the building condition and construction costs,
  - Earnest Money Deposit in the amount of $120,000 of which $5,000 will be non-refundable to the City. The remaining $115,000 will become non-refundable after the expiration of the due diligence period, and

- Staff will ask City Council to approve design, furniture, and construction contracts at a later date. Planned capital improvements include a new roof and HVAC system.

Property Transaction Process Following City Council Approval for Condemnation

The following overview is intended to provide further explanation for the process of property transactions that are approved by City Council for condemnation.

Approximately six weeks of preparatory work is required before the condemnation lawsuit is filed. During this time, City staff continues to negotiate with the property owner in an effort to reach a mutual settlement.

- If a settlement is reached, the condemnation process is stopped, and the property transaction proceeds to a real estate closing.

- If a settlement cannot be reached, the condemnation lawsuit is filed. Even after filing, negotiations continue between the property owner and the City’s legal representative. Filing of the condemnation documents allows:
  - The City to gain access and title to the subject property so the capital project can proceed on schedule.
  - The City to deposit the appraised value of the property in an escrow account with the Clerk of Court. These funds may be withdrawn by the property owner immediately upon filing, and at any time thereafter, with the understanding that additional funds transfer may be required at the time of final settlement or at the conclusion of litigation.

- If a condemnation lawsuit is filed, the final trial may not occur for 18 to 24 months; however, a vast majority of the cases settle prior to final trial. The City’s condemnation attorney remains actively engaged with the property owner to continue negotiations throughout litigation.
  - North Carolina law requires that all condemnation cases go through formal non-binding mediation, at which an independent certified mediator attempts to facilitate a successful settlement. For the minority of cases that do not settle, the property owner has the right to a trial by judge or jury in order to determine the amount of compensation the property owner will receive.
Reference - Property Acquisitions and Condemnations

- The City has negotiated in good faith to acquire the properties set forth below.
- For acquisitions, the property owner and staff have agreed on a price based on appraisals and/or estimates.
- In the case of condemnations, the value was established by an independent, certified appraisal followed by a third-party appraisal review.
- Real Estate staff diligently attempts to contact all property owners by:
  - Sending introductory letters via regular and certified mail,
  - Making several site visits,
  - Leaving door hangers and business cards,
  - Seeking information from neighbors,
  - Searching the internet,
  - Obtaining title abstracts, and
  - Leave voice messages.
- For most condemnation cases, City staff and the property owner(s) have been unable to reach a settlement. In some cases, condemnation is necessary to ensure a clear title to the property.
- If the City Council approves the resolutions, the City Attorney’s office will initiate condemnation proceedings. As part of the condemnation process, real estate staff and the City Attorney’s Office will continue to negotiate, including court-mandated mediation, in an attempt to resolve the matter. Most condemnation cases are settled by the parties prior to going to court.
- If a settlement cannot be reached, the case will proceed to a trial before a judge or jury to determine “just compensation.”
- Full text of each resolution is on file with the City Clerk’s Office.
- The definition of easement is a right created by grant, reservation, agreement, prescription, or necessary implication, which one has in the land of another, it is either for the benefit of land, such as right to cross A to get to B, or “in gross,” such as public utility easement.
- The definition of fee simple is an estate under which the owner is entitled to unrestricted powers to dispose of the property, and which can be left by will or inherited, commonly, synonym for ownership.
