*FEMA WILL PAY $235,000.00
**FEMA WILL PAY $265,000.00

Project Description: Bids were received for removal of hurricane debris in accordance with Federal Emergency Management Agency (FEMA) guidelines. The bids have been reviewed with FEMA representatives who have recommended award of the contracts as listed above.

Work will begin immediately upon award of the contracts. Residents in the areas covered by these contracts will be requested to place their debris adjacent to the right-of-way by December 20, 1989.

Source of Funding: Hugo Disaster Relief Fund.
4 Consider taking the following actions with regard to the proposed NFL Football Stadium Project

(a) Acceptance of assignment of six options to purchase real property totalling $6,348,000

(b) Adoption of a budget ordinance appropriating $79,000 from the Public Land Acquisition Capital Account to continue the six options in effect.

(c) Approve the utilization of bonds, notes and purchase money financing under North Carolina General Statutes Section 160A-20 as methods of financing the acquisition of land and the construction of any necessary capital improvements on or in connection with the City's stadium and stadium parking program, including financing, issuance and all other costs necessary in conjunction with such financing and authorize appropriate City Officials to investigate and negotiate the selection and terms of such financing.
Request for Council Action

To the City Manager

Subject: Consider funding option for Cityfair advertising/promotion and management team.
Author: City Manager

Consider funding option for Cityfair advertising/promotion and management team. Authorize City Manager to execute all documents related to management contract and operations of Cityfair. Adoption of a budget ordinance.

Economic Development Department

The request should be reviewed according to therium categories

Background

At its October 23rd meeting, Council approved entering into a settlement agreement with Chemical Bank to ensure the orderly transfer of Cityfair to City ownership and approved a four month base budget of $280,800. This budget did not include a substantial component for advertising/promotion, any signage or banners, minor capital improvements, holiday decorations and contractual services. At the October 23rd Council meeting, staff indicated that advertising/promotion could easily run $25,000 per month, but funding for this line item and others would be more precisely determined once a management firm was selected.

City staff, including representatives from Economic Development, Finance, Budget and Evaluation, and City Manager’s office, assisted by business people from the CCA Retail Task Force, have carefully reviewed the proposals and selected American Fidelity Property Company of Oklahoma City, through its North Carolina subsidiary W.M.C. Management Co., to manage Cityfair. Selection of American Fidelity took place after City staff and members of the CCA Retail Task Force visited Oklahoma City last week to review the results of a recent turnaround project with a specialty shopping center. As part of this turnaround, American Fidelity Property Company has assembled a strong team that has increased sales through effective marketing and the addition of national tenants even amidst a distressed economy.

American Fidelity Property Company is an affiliate of American Fidelity Companies, a family owned corporation with assets at the end of 1986 of about $680 million. William M. Cameron,
President of American Fidelity Property Company, will head the team managing Cityfair. American Fidelity Company is focusing its real estate interests on retail projects. Their long term interest in Cityfair is to pursue ownership of the project.

The team American Fidelity Property Company has assembled includes R.E. Haydel, who has 15 years shopping center experience in Oklahoma and Texas, including the re-merchandising and leasing of the Forum in downtown Tulsa for the Williams Companies, and Trent Moore, formerly Operations Director for 50 Penn Place in Oklahoma City where he directed the day-to-day operations and worked with tenants such as Williams-Sonoma, Polo, and Jaeger.

**Explanation of Request**

The team from American Fidelity Property Company estimates that the total additional cost above the base budget for four months of operation, including their five man team and $129,000 for advertising, to be $218,000. Council, however, need not fund this entire amount.

<table>
<thead>
<tr>
<th>Option</th>
<th>Cost/Comments</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Option 1:</strong> Close Cityfair.</td>
<td>Lose 150 jobs; 25 businesses close. Negative perception of Uptown and retailing; value of building declines; parking deck deficit increases.</td>
</tr>
<tr>
<td><strong>Option 2:</strong> Operate Cityfair as now-&quot;caretaker&quot;.</td>
<td>Slow decline leads to closing; constant stream of bad publicity.</td>
</tr>
<tr>
<td><strong>Option 3:</strong> Recommended. Enhanced operations of Cityfair-&quot;jump start&quot;. Four months of operation and special management team, with significant advertising/promotions budget.</td>
<td>Easier to sell. Can create more jobs and rent paying businesses; value added.</td>
</tr>
</tbody>
</table>

Option 3 is recommended because there is continuing interest in the purchase of Cityfair as a retail project. Under our sharing formula with Chemical Bank, sale of Cityfair for approximately $996,000 would completely repay this loan in accordance with our Settlement Agreement.

**Source of Funding**

Loan from the Fund Balance of the General Fund to be repaid from proceeds of sale of Cityfair.

**Clearances**

Budget and Evaluation, Economic Development, Finance, City Manager’s Office.

Overview of South Boulevard Special Project Plan.

6:00 p.m. - ZONING HEARINGS
Meeting Chamber

Invocation.

ITEM NO.

1. BID ITEM

This item was deferred at the October 23 meeting. Additional information will be sent to Council prior to the October 30 meeting.

Contract for USAir Maintenance Hangar Overhead Cranes and Hoist

Aviation

Recommendation: The Aviation Director recommends that the lowest responsive bid from ACCO Chain and Lifting Products in the amount of $847,800 for the general contract be accepted for award on a lump sum basis.

Project Description: The overhead cranes and hoists are for installation in the USAir maintenance hangar and are used to transport miscellaneous aircraft components throughout the hangar.

2. **HUGO BIDS.**

Bids will be opened October 25, 1989.

3. **NOMINATIONS.**

Nominations for Appointment to Boards, Commissions and Committees

Council members will make their nominations after which they will hand their nomination forms to the City Clerk. In the event there is only one person nominated for any one position, Council may make that appointment at this meeting.

A. Housing Authority - One appointment for an unexpired term ending 12/17/90/

Nasif Majeed has resigned.

Attachment No. 3

4. **ACTIONS RELATED TO FOOTBALL STADIUM.**

Information on this subject will be given to Mayor and Council prior to the meeting.

**PUBLIC HEARINGS**

5. **(89-98)** Hearing on Petition No. 89-98 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from O-6 and B-2 to R-6, R-6MP and B-1 for 6.3 acres located along South Tryon Street, West Boulevard, West Park Avenue, West Kingston Avenue and Woodcrest Avenue.

Attachment No. 5

6. **(89-99)** Hearing on Petition No. 89-99 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from B-2 and I-2 to R-6, O-6 and B-1 for 15.4 acres located in a triangle formed by South Tryon Street, Camden Road and West Boulevard.

Attachment No. 6
7. (89-100) Hearing on Petition No. 89-100 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from B-2 and I-2 to B-1 for 13 acres located along the west side of South Boulevard from Rensselaer Avenue to Worthington Avenue. These properties front along South Boulevard, East Park Avenue, East Kingston Avenue and East Boulevard.

Attachment No. 7

8. (89-101) Hearing on Petition No. 89-101 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from I-1 and I-2 to O-6, B-1 and U-MUD for 11.3 acres located adjacent to South Boulevard just south of the I-277 Freeway.

Attachment No. 8

9. (89-102) Hearing on Petition No. 89-102 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from O-6, B-2 and I-1 to R-6MF, O-6 and B-1 for 8.25 acres located along the east side of South Boulevard from Bland Street south to East Boulevard.

Attachment No. 9

10. (89-103) Hearing on Petition No. 89-103 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from R-6MF and O-6 to R-6 and R-6MF for approximately 11 acres located within the Dilworth Neighborhood bounded by Cleveland Avenue, Butternut Court, Euclid Avenue and East Boulevard.

Attachment No. 10

11. (89-104) Hearing on Petition No. 89-104 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from O-6 and B-1 to R-6 and R-6MF for 3.2 acres located along the western side of Euclid Avenue, from south of East Boulevard to Magnolia Avenue.

Attachment No. 11

12. (89-105) Hearing on Petition No. 89-105 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from I-1 to B-1 for 8.65 acres located along South Boulevard, Cleveland Avenue, Worthington Avenue and Tremont Avenue.

Attachment No. 12
13. (89-106) Hearing on Petition No. 89-106 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from I-1 to 0-6 and B-2 for approximately 6.2 acres located along the eastern side of South Boulevard, Cleveland Avenue and McDonald Avenue.

Attachment No. 13

14. (89-107) Hearing on Petition No. 89-107 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from I-1 and I-2 to R-6 for 12.87 acres involving two sites; one is on the north side of I-85 immediately west of Rozzelles Ferry Road, currently zoned I-1, and the second is four blocks north of there on the west side of Gossett Avenue, currently zoned I-2.

Attachment No. 14

15. (89-108) Hearing on Petition No. 89-108 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from R-6MF and B-2 to R-6 for 8.2 acres located on the east side of Rozzelles Ferry Road between Hoskins Road and I-85.

Attachment No. 15

16. (89-109) Hearing on Petition No. 89-109 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from I-2 and B-2 to B-1 for nine lots, consisting of 6.81 acres, located on the south side of South Hoskins Road at Hoskins Avenue.

Attachment No. 16

17. (89-110) Hearing on Petition No. 89-110 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from I-1 and R-6MF to R-6 for 95.48 acres located north of I-85, and east of Rozzelles Ferry Road.

Attachment No. 17

18. (89-111) Hearing on Petition No. 89-111 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from I-2 to I-1 for 10.42 acres located between Brookshire Boulevard and Rozzelles Ferry Road, south of Nelson Avenue.

Attachment No. 18
19. (89-112) Hearing on Petition No. 89-112 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from B-2 to B-1 for 7 lots, totaling 2.82 acres, located on the west side of Rozelles Ferry Road south of Halsey Street.

Attachment No. 19

20. (89-113) Hearing on Petition No. 89-113 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from R-6MF to R-6 for 14.05 acres located on Lakewood Avenue and Jones Street, west of Rozelles Ferry Road.

Attachment No. 20

21. (89-114) Hearing on Petition No. 89-114 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from R-6MF to R-6 for 50.1 acres located on Hovis Road at Bradford Drive.

Attachment No. 21

22. (89-115) Hearing on Petition No. 89-115 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from R-6MF to R-6 for 75.2 acres located on the south side of the previous site and extending south to Lynn Street and Welling Avenue.

Attachment No. 22

23. (89-116) Hearing on Petition No. 89-116 by The Charlotte-Mecklenburg Planning Commission for a change in zoning from R-6MF and B-1 to R-6 for 57.25 acres bounded by Freedom Drive on the south, Brown's Avenue on the west, and Saratoga Drive on the north.

Mayor and City Council:

RE: Petitions to be Heard in October, 1989

Attached you will find appropriate maps and copies of each petition, as well as the Pre-Hearing Staff Analysis, for petitions scheduled for public hearing on October 30, 1989 at 6:00 o'clock P.M., in the Charlotte-Mecklenburg Government Center, Meeting Chamber, 600 East Fourth Street.

This material is intended to provide background information concerning the requests and the area in which the properties are located.

Sincerely,

Walter G. Fields, III (aml)
Land Development Manager

PRE-HEARING STAFF ANALYSIS*
Rezoning Petition Nos. 89-98 through 89-106

BACKGROUND

In February 1987, the Charlotte City Council formally approved the South Boulevard Special Project Plan. This plan is aimed at revising the Dilworth Commercial District along South Boulevard and preserving the neighborhood edges of both the Dilworth and Wilmore Neighborhoods.

Since the passage of this plan in 1987, the subject study area has undergone many changes. When the rezoning process began in 1988, Planning Commission staff found that many of the recommended zoning changes were no longer appropriate.

Through an extensive process, both the Planning Commission and staff have updated the necessary corrective rezonings. These updated recommendations are contained in Rezoning Petition Nos. 89-98 through 89-106.

Petition No. 89-98

This petition includes approximately 6.3 acres with properties located along South Tryon, West Boulevard, West Park, West Kingston, and Woodcrest Avenues.

These parcels are currently zoned O-6 and B-2. The predominant land uses in this petition are single family and duplex residential. There are also currently five businesses in operation.

The South Boulevard Special Project Plan recommends returning nearly all of these properties to a residential use - both single family and multi-family. Those properties which front along South Tryon Street and are proposed to be rezoned to a single family use may develop as a mixed use development in the future (depending on the site plan presented). Therefore, the proposed R-6 zoning is actually an interim zoning which would protect Wilmore from unwanted business uses.

The Bojangles at the intersection of South Tryon and West Boulevard is a more permanent business and therefore is proposed to be rezoned from B-2 to B-1.

The rezonings requested in this petition would create five nonconforming uses, of these five nonconforming uses, two are duplexes and three are businesses.

*Subject to further refinement following public hearing.

PETITION NO. 89-98  HEARING DATE October 30, 1989

ZONING CLASSIFICATION, EXISTING O-6 & B-2  REQUESTED R-6, R-6MF, & B-1

LOCATION  Approximately 6.3 acres including property located at the intersection of S. Tryon Street, W. Park Avenue, and several properties extending along S. Tryon Street to the north side of Woodcrest Avenue.

SEE ATTACHED MAP

ZONING MAP NO. 102 & 103  SCALE 1" = 400'

PROPERTY PROPOSED FOR CHANGE
Petition No. 89-99

This petition includes approximately 15.4 acres located in a triangle formed by South Tryon Street, Camden Road, and West Boulevard.

The land use within this petition ranges from single family residential to industrial. Most of the residential development is located along South Tryon Street, West Park Avenue, and West Kingston Avenue.

Those properties along and approximate to South Tryon Street from just north of West Boulevard to West Park Avenue are proposed to be rezoned to R-6. Like those properties along the west side of South Tryon Street, this zoning is protective and may be changed in the future to allow for a mixed use development with nonresidential and residential components.

Three parcels along South Tryon north of West Park Avenue are proposed to be rezoned to O-6. The existing land uses for these parcels are office, multi-family, and a vacant lot.

The rest of the parcels in this petition are proposed to be rezoned from B-2 and I-2 to B-1. The B-1 zoning would conform to the plan's goal of creating neighborhood business district to serve both the Dilworth and Wilmore neighborhoods.

The rezoning of these parcels to less intensive business and office zoning will create nine nonconforming uses. All nine of these are businesses, some needing industrial zoning.

SOUTH BOULEVARD
I-2 to O-6
B-2 to R-6
B-2, I-2 to B-1

350'

S. BIVN #2
Petition No. 89-100

This petition involves over 13 acres located along the west side of South Boulevard from Rensselaer Avenue to Worthington Avenue. These properties front along South Boulevard, E. Park Avenue, E. Kingston Avenue, and East Boulevard.

This petition proposes rezoning these properties from B-2 and I-2 to B-1. The current land use throughout this petition is a mix of business and industrial uses, and one church. Several of these properties are vacant stores and industrial buildings.

The proposed B-1 zoning will provide Dilworth and Wilmore with an opportunity for a revitalized neighborhood center; a main goal of the approved plan. This area has historically functioned as the commercial center for the adjacent neighborhoods. Due to improper B-2 and I-2 zoning, several undesirable uses have developed along South Boulevard leading to a general decline of this area. In the past two years, new development interest has been shown in this area and some redevelopment has occurred.

This petition, if approved, will create five nonconforming uses. All five of these uses are business and industrial uses.

ZONING MAP NO. 102 & 103 SCALE 1" = 400'

PROPERTY PROPOSED FOR CHANGE
Petition No. 89-101

This petition involves rezoning 11.3 acres from I-1 and I-2 to less intensive O-6, B-1, and U-MUD zoning. The properties included in this petition are located adjacent to South Boulevard just south of the I-277 Freeway.

Properties located within this petition include the Cablevision office, The Cellar, Simpson's Lighting, Pritchard Memorial Church, The Park Elevator Building, and several smaller renovated offices.

This portion of South Boulevard functions as a gateway into Uptown Charlotte. The current industrial zoning allows for more unsightly uses which would make this gateway much less desirable.

This petition creates no nonconforming uses.

ZONING MAP NO. 102

PROPERTY PROPOSED FOR CHANGE

SCALE 1" = 400'
Petition No. 89-102

This petition involves rezoning approximately 8.25 acres running along the east side of South Boulevard from Bland Street south to East Boulevard.

Those properties which front along South Boulevard are proposed to be rezoned from B-2 and I-1 to a less intensive B-1 zoning. The B-1 zoning will allow the neighborhood commercial center proposed in the South Boulevard Special Project Plan. The existing land use of these parcels is generally business with some office uses. Several parcels are used for parking and a few are vacant.

Located just east of South Boulevard are a string of parcels zoned B-2. Many of these parcels are located mid-block along Rensselaer, Park, and Kingston Avenues and function as a transition area from South Boulevard into the Dilworth Neighborhood. Many of these properties are currently used as offices or are vacant, therefore, the plan recommends these parcels be rezoned from B-2 and I-1 to O-6. The third part of this petition involves rezoning several vacant parcels from O-6 to R-6MF. These parcels are all contiguous and offer an excellent chance to create a sensitive multi-family development. Across Cleveland Avenue and again diagonally across Park Avenue/Cleveland Avenue intersection are two multi-family developments which have certainly enhanced this area.

The rezonings requested in this petition would create four nonconforming uses. All four of these are located along South Boulevard and require the current B-2 zoning.

ZONING MAP NO.  102,103,110,5111

PROPERTY PROPOSED FOR CHANGE

SCALE 1" = 400'
Petition No. 89-103

This petition provides for the rezoning of approximately 11 acres
within the Dilworth Neighborhood bounded by Cleveland Avenue, Butternut
Court, Euclid Avenue, and East Boulevard. This area of Dilworth has
suffered from erosion created by improper zoning. A major goal of this
plan is to preserve the residential fabric and quality of life
available in Dilworth.

The first portion of this petition involves rezoning much of the
subject area from R-6MF and O-6 to R-6. Those properties affected are
single family with occasional duplexes and quadruplexes. Three parcels
are being used as a group home for war veterans.

The second part of this petition involves rezoning several parcels
along Cleveland Avenue from O-6 to R-6MF. Properties affected include
two condominium developments, three duplexes, and two single family
homes.

This petition will create six nonconforming uses. Five of these uses
are either duplexes or quadruplexes with the sixth being a boarding
home for Vietnam veterans.

R-6MF, 0-6 to R-6

0-6, to R-6MF

S. BLVD #6
Petition No. 89-104

This petition involves the rezoning of approximately 3.2 acres. These parcels are located along the western side of Euclid Avenue from just south of East Boulevard to Magnolia Avenue.

The subject parcels in this petition are currently zoned O-6 and B-1. The Planning Commission has proposed these parcels be rezoned to R-6 and R-6MF; a zoning which better reflects their current use. These properties are all residential in use with one office located in a house on McDonald Avenue.

The goal of this rezoning is to protect the Dilworth Neighborhood edge from further erosion.

This petition will create three nonconforming uses. Of these, two are duplexes and one is a house converted into an office.

PROPERTY PROPOSED FOR CHANGE
Petition No. 89-105

This petition provides for the rezoning of 8.65 acres located along South Boulevard, Cleveland Avenue, Worthington Avenue, and Tremont Avenue. These properties are currently zoned I-1 and are proposed to be rezoned to B-1.

The existing land use for the subject properties is predominantly a mixture of business and office. These uses have encroached into the edge of the Dilworth Neighborhood due to improper I-1 zoning. The South Boulevard Special Project Plan recommends area businesses be neighborhood related and their advance further into Dilworth be halted. The B-1 zoning will allow for the limiting in intensity of business uses in this area.

This petition, if approved, will create eight nonconforming uses. All eight of these uses are business related and would need either a B-2 or I-1 zoning to be conforming.

PETITIONER: Charlotte-Mecklenburg Planning Commission

PETITION NO. 89-105  HEARING DATE: October 30, 1989

ZONING CLASSIFICATION, EXISTING: I-1  REQUESTED: B-1

LOCATION: Approximately 8.65 acres located on the easterly side of South Boulevard bounded by East Boulevard to the north and E. Tremont Avenue to the south, also property 300 feet south of East Boulevard along both sides of Cleveland Avenue extending to E. Tremont Avenue.

SEE ATTACHED MAP

ZONING MAP NO. 102 & 111  SCALE 1" = 400'

PROPERTY PROPOSED FOR CHANGE
Petition No. 89-106

This petition involves the rezoning of approximately 6.2 acres along the eastern side of South Boulevard, Cleveland Avenue, and McDonald Avenue. This proposal requests a zoning change from I-1 to less intensive O-6 and B-2 zones.

The existing land uses of these properties range from single family homes to a printing company and an office development.

The Planning Commission has recommended rezoning the Colorcraft Printing Company, a plant nursery with greenhouses, and a restaurant/bar to B-2. Also recommended are rezoning the Atherton Office development and several small parcels along McDonald Avenue to O-6 to better reflect their existing or desired uses.

This petition does not create any nonconforming uses.

PRE-HEARING STAFF ANALYSIS
Rezoning Petitions 89-107 through 89-116
Thomasboro-Hoskins Special Project Plan

BACKGROUND

The Thomasboro-Hoskins Special Project Plan was adopted on October 17, 1988. One of the major issues described in that plan is that of inappropriate zoning in the study area. Much of the existing zoning survives from the original zoning of the City in the early 1960's and is consequently out-of-date and inappropriate for the area's future. The proposed rezonings below attempt to correct these errors and stabilize residential areas or address poor edge relationships. Many merely make zoning consistent with existing land use.

PETITION NO. 89-107

This petition totals 12.87 acres and involves two sites; one is on the north side of I-85 immediately west of Rozzelle's Ferry Road and the second is four blocks north of there on the west side of Gossett Avenue. The first is zoned I-1 and the second, I-2.

The site along I-85 is vacant and is surrounded by property zoned R-6, most of which is occupied by single family residences. The I-2 site is adjacent to the Hoskins Mill project and is made up of four single family homes. Other adjacent uses are a church to the east and single family homes to the south.

The site along I-85 is not appropriate for industrial use as it has no access to a thoroughfare except through single family areas and surrounding uses are all single family residences.

The I-2 site is also surrounded by residential uses and the zoning is inconsistent with the existing uses, which are expected to remain for the foreseeable future.

*Subject to further refinement following public hearing.*

PROPERTY PROPOSED FOR CHANGE
PETITION NO. 89-108

This site (8.2 acres) consists of lots one block deep on the east side of Rozzelles Perry Road generally between Hoskins Road and I-85. Four lots are proposed to be rezoned from B-2 to R-6 and 25 lots from R-6MF to R-6. Existing uses are all single family homes with the exception of two duplexes, one industrial use and three vacant lots.

Surrounding uses are residential and religious on the west side of Rozzelles Ferry, commercial on the north end of the site, a mixture of commercial and vacant to the east and a mix of uses to the south.

This petition will make the zoning of the area consistent with existing uses and enhance the stability of this residential neighborhood, preserving important affordable housing resources.

PROPERTY PROPOSED FOR CHANGE
PETITION NO. 89-109

This petition concerns nine lots (6.81 acres) on the south side of South Hoskins Road at Hoskins Avenue. Existing zoning is B-2 and I-2 and proposed zoning is B-1. Existing uses are commercial, industrial, vacant lots and two single-family homes. When rezoned, the two industrial sites will become legally nonconforming uses.

Surrounding uses are residential except for an office/commercial area west of Morgan Street.

The existing B-2 and I-2 allow for uses which are too intense to be compatible with neighboring residential areas.

ZONING MAP NO. 80  

PROPERTY PROPOSED FOR CHANGE
PETITION NO. 89-110

This petition includes a total of 95.48 acres separated over a relatively large area generally north of I-85 and east of Rozzelles Ferry Road. I-1 and R-6MF areas are proposed to be rezoned to R-6. The I-1 sites are on the periphery of this residential neighborhood and are currently vacant. The R-6MF sites are predominantly single family residential with a few duplexes and mobile homes interspersed.

The vacant I-1 parcels are bordered by residential uses on one side and industrial on the other. The three R-6MF areas are bounded by a variety of land uses.

The R-6MF to R-6 rezonings will make the zoning consistent with existing land uses. The I-1 to R-6 rezonings will create a buffer for the existing residential and allow Stewart Creek to act as a natural buffer for a large portion of the area to be rezoned.

PROPERTY PROPOSED FOR CHANGE
PETITION NO. 89-111

This petition includes a total of 10.42 acres located generally between Brookshire Boulevard and Rozzelles Ferry Road, south of Nelson Avenue. The proposal is to rezone from I-2 to I-1. Current land uses include four homes, a wrecker/towing storage yard, contractor's office, a shopping center, open equipment storage yards, and metal fabrication shops. Depending on interpretation by the Zoning Administrator, several of these uses may become legally nonconforming as a result of this rezoning. Surrounding land uses to the east (across Belhaven Boulevard) are some single family residences and vacant land zoned R-6MF, B-2 and I-2. West of the site, Odum Avenue and the railroad bound part of the rezoning with single family homes bordering the remainder. Single family homes and a church are on the north side of the majority of the site. Commercial uses are north of the shopping center.

This rezoning would reduce the intensity of permitted uses in this highly visible entrance to the central city.

PROPERTY PROPOSED FOR CHANGE: 

[Map Diagram]
PETITION NO. 89-112

This site is on the west side of Rozzelles Ferry Road south of Halsey Street and contains 7 lots totaling 2.82 acres. The lots are currently zoned B-2; B-1 is proposed. Existing uses are several businesses, single family homes and vacant lots. An existing lounge is already nonconforming due to its proximity to residences. This rezoning will not create any additional nonconforming uses. Surrounding uses are generally residential with some commercial/light industrial across Rozzelles Ferry Road.

This petition will make the zoning consistent with existing land uses and preclude more intensive commercial uses from impacting the adjacent neighborhood.

PETITION NO. 89-114

This site is irregularly shaped but is centered on Hovis Road at Bradford Drive.

This large (50.1 acres) rezoning proposal would change the area from R-6MF to R-6. Existing uses are single family residential with the exception of a duplex or two. Surrounding uses are primarily residential, with a few commercial/office uses along major streets.

This proposal will bring the zoning of the area into conformance with existing land uses and the adopted plan.

ZONING MAP NO.  80 & 87  SCALE 1" = 400'
PROPERTY PROPOSED FOR CHANGE
PETITION NO. 89-115

This 75.2 acre area is located on the south side of the previous site and extending south to Lynn Street and Welling Avenue. Rezonings from R-6MF and B-1 to R-6 are proposed.

Existing uses are single family homes with a few duplexes. The current B-1 lot is vacant. Multi-family uses in the area have been excluded from this rezoning.

Surrounding uses are residential except for commercial uses fronting on Bradford Drive and one industrial use on the south side of the site.

These rezonings will make the zoning conform to existing uses and protect the area from more intense development.

ZONING MAP NO. 80 & 87       SCALE 1" = 100'
PETITION NO. 89-116

This 57.25 acre area is bounded by Freedom Drive on the south, Brown's Avenue on the west and Saratoga Drive on the north. A portion of the proposed R-6MF to R-6 rezoning is east of Bradford Drive. Existing uses are predominantly single family residential. Multi-family and commercial/office uses in the area have been excluded from the petition.

Surrounding uses are predominantly residential with some commercial/office uses located on Bradford and Freedom Drives.

This petition seeks to recognize and preserve existing single family uses in the area.
