PUBLIC FORUM

7. Public Forum
8. **Consent agenda items 28 through 106 may be considered in one motion except for those items removed by a Council member. Items are removed by notifying the City Clerk.**

Consideration of Consent Items shall occur in the following order:

- A. Items that have not been pulled, and
- B. Items with residents signed up to speak to the item.
PUBLIC HEARING
9. **Public Hearing for Columbus McKinnon Corporation Business Investment Grant**

**Action:**

A. Conduct a public hearing regarding approval of a Business Investment Grant to Columbus McKinnon Corporation, and

B. Approve the city’s share of a Business Investment Grant to Columbus McKinnon Corporation for a total estimated amount of $36,946 over five years.

**Staff Resource(s):**

Tracy Dodson, Economic Development
Lori Lencheski, Economic Development

**Explanation**

- On August 30, 2019, Columbus McKinnon Corporation announced its selection of Charlotte for a capital investment of $3,140,000 to expand its regional headquarters for research and development.
- This action is requesting City Council approval of a Business Investment Grant estimated to be up to $36,946 over five years. Mecklenburg County’s share is estimated to be $62,234, bringing the combined city and county grant estimated total to be $99,180.
  - On August 7, 2019, the Mecklenburg County Board of Commissioners, in Closed Session, indicated its intent to approve a Business Investment Grant to Columbus McKinnon Corporation.
  - On August 26, 2019, City Council, in Closed Session, indicated its intent to approve a Business Investment Grant to Columbus McKinnon Corporation.
  - In addition to the grant for the expansion, the State of North Carolina also approved a Community College Training Grant of $25,000.
- In addition to the $3,140,000 capital investment, Columbus McKinnon has committed to 25 jobs to be hired locally over one year ($118,600 average wage).
- Additional benefits of this project include:
  - Workforce development partnerships and relationship with the company can be utilized to connect talent to available positions.
  - Alignment with:
    - City Values and Winning Cities Characteristics,
    - Letter to the Community (Good Paying Jobs),
    - Equitable Economic Development, and Economic Opportunity,
    - Diversity of jobs on the proposed project,
    - Job retention through corporate expansion, and
    - Growth industry with significant job and contracting opportunities.

**Business Investment Grant**

- The general terms and conditions of this grant include:
  - The company will be asked to coordinate job fairs and recruitment events for both temporary and permanent jobs with the city and county. Community organizations and residents will receive ample notice of these employment activities in addition to training opportunities with city job training and placement partnerships.
  - Actual grant payments are based on the value of the investment as appraised by the Mecklenburg County Tax Office.
  - Grant payments are reimbursed only if the investment, total jobs hired, and average regional wage is met.
  - Property taxes due from Columbus McKinnon Corporation must be paid before a grant payment is made.
  - If Columbus McKinnon Corporation removes the investment from Charlotte during the grant term, the company shall pay back 100 percent of the investment grant paid to date.
  - If Columbus McKinnon Corporation moves the investment from Charlotte within seven years
of the end of the Business Investment Program (BIP) grant term, a portion of the grant must be repaid as follows:

- Within one year of the end of the BIP Term - 90 percent of grant payments
- Within two years of the end of the BIP Term - 75 percent of grant payments
- Within three years of the end of the BIP Term - 60 percent of grant payments
- Within four years of the end of the BIP Term - 45 percent of grant payments
- Within five years of the end of the BIP Term - 30 percent of grant payments
- Within six years of the end of the BIP Term - 20 percent of grant payments
- Within seven years of the end of the BIP Term - 20 percent of grant payments

10. Public Hearing and Decision on Catawba Plantation Townhomes Voluntary Annexations

Action:
A. Hold a public hearing for the Catawba Plantation Townhomes voluntary annexation, and
B. Adopt an annexation ordinance with an effective date of September 23, 2019, to extend the corporate limits to include these properties and assign them to the adjacent City Council District 2.

Staff Resource(s):
Taiwo Jaiyeoba, Planning, Design and Development
Katrina Young, Planning, Design and Development

Explanation
- Public hearings to obtain community input are required prior to City Council taking action on annexation requests.
- A petition has been received from the owner of public owned properties totaling 23.121 acres.
- The property is owned by True Homes, LLC.
- The properties are zoned (MX-2) Mixed Use Conditional District.
- Petitioned area consists of two parcels: parcel identification numbers 031-141-07 and 031-141-03.
- The property is located within Charlotte's extraterritorial jurisdiction.
- The intent of the annexation is to enable the development of approximately 125 multi-family residential dwelling units.

Consistency with City Council Policies
- The annexation is consistent with voluntary annexation policy approved by City Council on March 24, 2003.
  - Is consistent with the policy to not adversely affect the city’s ability to undertake future annexations;
  - Is consistent with the policy to not have undue negative impact on city finances or services; and
  - Is consistent with the policy to not create unincorporated areas that will be encompassed by new City limits.

11. **Public Hearing and Decision on Miranda Village Voluntary Annexations**

**Action:**
A. Hold a public hearing for the Miranda Village voluntary annexation, and

B. Adopt an annexation ordinance with an effective date of September 23, 2019, to extend the corporate limits to include these properties and assign them to the adjacent City Council District 2.

**Staff Resource(s):**
Taiwo Jaiyeoba, Planning, Design and Development
Katrina Young, Planning, Design and Development

**Explanation**
- Public hearings to obtain community input are required prior to City Council taking action on annexation requests.
- A petition has been received from the owner of public owned properties totaling 115.305 acres.
- The property is owned by Denali Ref, LLC.
- The properties are zoned (R-3) Single Family Residential, which allows up to three units per acre.
- Petitioned area consists of parcel identification number 037-411-09.
- The property is located within Charlotte’s extraterritorial jurisdiction and shares boundaries with current city limits.
- The intent of the annexation is to enable the development of approximately 304 single family residential dwelling units.

**Consistency with City Council Policies**
- The annexation is consistent with voluntary annexation policy approved by City Council on March 24, 2003.
  - Is consistent with the policy to not adversely affect the city’s ability to undertake future annexations;
  - Is consistent with the policy to not have undue negative impact on city finances or services;
  - Per policy, voluntary annexations that encompass unincorporated areas by new city limits may be approved if either of the following conditions exist:
    - A petitioner for a voluntary annexation would experience a significant hardship if the annexation were not approved; or
    - Under the facts of a particular voluntary annexation petition, the city’s interests are served by varying the application of one or more of these policies.
  - This voluntary annexation is being recommended because the city’s interests will be served by annexing the petitioned property.

POLICY
12. City Manager’s Report
13. **Amended and Restated Interlocal Cooperation Agreement and Memorandum of Agreement - Brooklyn Village**

**Action:**
Adopt a resolution authorizing the City Manager to execute:
- An amended and restated Brooklyn Village Interlocal Cooperation Agreement between the City of Charlotte and Mecklenburg County that preserves the city’s leverage for the development of affordable housing in the redevelopment plans for Brooklyn Village, and
- An amended and restated Brooklyn Village Memorandum of Agreement among the City of Charlotte, Mecklenburg County, and the Charlotte Housing Authority.

**Staff Resource(s):**
Pamela Wideman, Housing and Neighborhood Services

**Explanation**
- In 2007, the city conveyed Marshall Park to Mecklenburg County to facilitate redevelopment of Brooklyn Village. In return, Mecklenburg County conveyed land to the city to facilitate development of Knights Stadium, now known as BB&T Ballpark.
- The implementation of affordable housing and the terms by which the existing Marshall Park property is included in the Brooklyn Village redevelopment plans is specified in the Interlocal Cooperation Agreement between Mecklenburg County and the City of Charlotte (Interlocal Agreement), as well as the Memorandum of Agreement (MOA) among the city, Mecklenburg County, and the Charlotte Housing Authority.
- The current Interlocal Agreement contains a reversion option to convey Marshall Park back to the city at no cost if the county fails to sell the property to a developer by December 31, 2019.
- In 2018, Mecklenburg County, with the assistance, support, and knowledge of the city, entered into a Master Redevelopment Agreement with BK Partners, LLC, to serve as master developer of Brooklyn Village.
- An updated Interlocal Agreement and MOA are necessary to preserve the city’s leverage for affordable housing on the Brooklyn Village site while providing sufficient time to implement the development. The city, Mecklenburg County, and the Charlotte Housing Authority have worked in good faith to amend the terms of the Interlocal Agreement and MOA to reflect the current development plan.
- The Interlocal Agreement has been revised to extend the time Mecklenburg County has to sell any portion of the existing Marshall Park property to BK Partners, LLC from December 31, 2019, to December 31, 2029. If none of the Marshall Park property is sold by the County to the developer by that time, the city can request that Marshall Park be conveyed back to the city at no cost.
- The developer has agreed to provide a minimum of 114 housing units to households earning up to 80 percent of the area median income (AMI). A minimum of 35 of these housing units will be made available to households earning up to 60 percent of AMI; the remaining affordable units will be available to households earning 61 percent to 80 percent of AMI. The MOA has been revised to:
  - Reflect that a minimum of 35 housing units will be made available to households with tenant-based Housing Choice Vouchers for households earning up to 60 percent of the AMI.
  - The previous MOA involved vouchers for 30 housing units for those households earning up to 80 percent of AMI, and
  - Include a provision that ensures a deed restriction will be placed on the below 60 percent AMI units for a term of at least 30 years.
- The Mecklenburg County Board of Commissioners approved a similar action on June 18, 2019.

14. **Construct the Charlotte Convention Center Phase I Renovation**

**Action:**

A. Authorize the City Manager to negotiate and award a guaranteed maximum price of $114,500,000 to Holder-Edison Foard-Leeper Company for Construction Manager at Risk Services for the Charlotte Convention Center Phase I Renovation project, and

B. Adopt a budget ordinance appropriating $11,900,000 from the Convention Center Tax Fund for the Convention Center Phase 1 Renovation.

**Staff Resource(s):**
Tracy Dodson, Economic Development
Angela Lee, General Services
Mike Davis, General Services
Kelly Flannery, Finance

**Explanation**

- This project will construct renovations to the 23-year old Charlotte Convention Center, a city-owned facility in Council District 1.
- In 2015, the Charlotte Regional Visitor’s Authority (CRVA) initiated a study that concluded that several improvements would advance the Convention Center’s marketability and competitiveness.
- On September 25, 2017, City Council approved the set-aside of $110,000,000 of future debt capacity for the Convention Center Phase I Renovation.
- The city has selected the Construction Manager at Risk (CMAR) project delivery method to provide more effective coordination, more control of project costs and schedule, and to better mitigate risk during construction.
- Representatives from the city and CRVA selected Holder-Edison Foard-Leeper Company using the qualifications-based selection process to provide construction management services.
- Upon successful completion of the pre-construction phase, City Council approved an initial CMAR contract on November 26, 2018 for an amount not to exceed $98,000,000 with Holder-Edison Foard-Leeper Company.
- After bidding, negotiating with subcontractors, and value engineering, Holder-Edison Foard-Leeper Company has determined the cost of construction to be $114,500,000 - an amount that exceeds the current CMAR contract value by $16,500,000.
- The city and CRVA will use $4,600,000 of existing funds to pay for construction-related items such as furniture, materials testing, and building commissioning.
- Another $11,900,000 is needed in order to increase the existing CMAR contract to the $114,500,000 guaranteed maximum price (GMP) value.
- Holder-Edison Foard-Leeper Company has developed a GMP for construction phase services, including coordination of all construction activities, managing all subcontractors, and delivering the project on schedule and within budget in collaboration with the city, the CRVA, and the design consultants.
- Under the CMAR delivery method, once the GMP is set, all construction risks transfer to the construction manager except for any issues arising from deficiencies in the construction plans.
- Holder-Edison Foard-Leeper Company, as the CMAR, will not be allowed to self-perform the construction work. The company will be required to prequalify all first-tier subcontractors and competitively bid the work to subcontractors.
- The project is anticipated to be complete by third quarter 2021.

**Charlotte Business INClusion**
The city has established project goals of 7.00% SBE and 14.00% MBE. Because this is a Construction Manager at Risk project, the Construction Manager has the opportunity to add small business enterprises (SBE) and Minority Business Enterprises (MBE) firms throughout the life of the project. (Part G: Section 2.3
15. Land Sale to Norfolk Southern Railroad Company

Action:
Adopt a resolution to authorize the sale of the Intermodal Rail Facility property located at Charlotte Douglas International Airport to Norfolk Southern Railway Company.

Staff Resource(s):
Brent Cagle, Aviation
Haley Gentry, Aviation

Explanation
- On June 14, 2010, City Council approved a Master Development Agreement between the city and Norfolk Southern pursuant to which the parties would enter into a ground lease at the Airport for the construction of an Intermodal Rail Facility.
- The City Council further authorized the city to grant Norfolk Southern an option to purchase the land upon which the Intermodal Rail Facility would be constructed within 10 years.
- The ground lease for the Intermodal Rail Facility took effect on March 28, 2012.
- Norfolk Southern notified Aviation by letter dated May 17, 2019 of its intent to exercise its purchase option.
- The estimated sale price is $12,574,776.90 which represents fair market value as determined by a property appraisal.
- Aviation and Norfolk Southern anticipate completing this transaction by mid-November subject to the release of the property by the Federal Aviation Administration.

Fiscal Note
Funding: Revenue from this transaction will be allocated between Airport Improvement Grant funding and Airport Discretionary funding in accordance with the original funding formulas.

Resolution for Land Sale
16. Norfolk Southern Uptown Property Acquisition

Action:
A. Authorize the City Manager to negotiate and execute a purchase sale agreement and any ancillary agreements with Norfolk Southern Railway for $9,000,000 to acquire 2.8 acres of land, and

B. Adopt a budget ordinance appropriating $9,000,000 from the CATS Revenue Reserve Fund to the CATS Capital Projects Fund.

Staff Resource(s):
Tracy Dodson, Economic Development
John Lewis, CATS

Explanation
- The 2.8-acre property (parcel identification 073-16S-01 and 073-17S-01), located in Uptown (Council District 2), represents a significant opportunity for future transit development with its proximity to both the Charlotte Gateway Station District and the future LYNX Silver Line alignment. The property could also be made available for short-term use such as construction laydown area before permanent development is completed.
- The parcel is currently under a lease agreement with Preferred Parking and the city would assume the lease agreement that provides parking income estimated at $350,000 per year.
- In addition to the land, the transaction includes important railroad crossings and easements that will benefit future transit projects such as the LYNX Silver Line and the proposed LYNX Blue Line service to Pineville and Ballantyne.
- This transaction is scheduled for approval by the Metropolitan Transit Commission on September 25, 2019.

17. **Construct Poindexter Drive Storm Drainage Improvement Project**

**Action:**

A. Approve a contract in the amount of $880,785.00 to the lowest responsive bidder United Construction Company, Inc. for the 215 Poindexter Drive Storm Drainage Improvement project, and

B. Adopt a budget ordinance appropriating a reimbursement of $102,337.20 from Marsh Realty Co. to the city for storm drainage improvements.

**Staff Resource(s):**
- Angela Lee, General Services
- Kruti Desai, General Services
- Stewart Edwards, General Services

**Explanation**

**Action A**
- The Poindexter Drive Storm Drainage Improvement Project (SDIP) will replace storm drainage systems along Ideal Way, near the intersection with Euclid Avenue in Council District 1.
- The project will replace approximately 670 linear feet of storm drainage pipe and associated sanitary sewer, water main, utility relocations, paving, curb and gutter, and sidewalk.
- The project will address flooding on Ideal Way and provide a realignment of the drainage system through the Marsh Realty Co. property, accommodating future development.
- On August 2, 2019, the city issued an Invitation to Bid; three bids were received.
- United Construction Company, Inc. was selected as the lowest responsive, responsible bidder.
- The project is anticipated to be complete by third quarter 2020.

**Action B**
- The City Manager approved an agreement between the city and Marsh Realty Co. in May 2019.
- Marsh Realty Co. owns a property (tax parcel ID #147-031-02) within the city’s project limits that has an undersized and deteriorated storm drainage system.
- Marsh Realty Co. requested the city realign the storm drainage system to the eastern property line of its parcel to accommodate future development.
- The city and Marsh Realty Co. have determined mutual objectives can be met by installation of the new storm drainage system in this location.
- Marsh Realty Co. has agreed to donate all necessary easements (storm drainage, temporary construction, and private utility easements) as well as fund the difference for construction of this new alignment on their property. Marsh Realty Co. provided the engineering design of the system on its property.

### 18. Appropriate Private Developer Funds

**Action:**
A. Approve developer agreements with Lemmond Farm, LLC and Northlake West Real Estate Investors, LLC for traffic signal installations and improvements, and

B. Adopt a budget ordinance appropriating $20,000 in private developer funds for traffic signal installations and improvements.

**Staff Resource(s):**
Liz Babson, Transportation
Charles Abel, Transportation

**Explanation**
- Private developer agreements and appropriations are needed when a developer is required through the city rezoning process to make traffic signal improvements.
- Funding contributions from private developers must be appropriated prior to the city's initiation of work.
- The $20,000 in private developer funding is for traffic signals, traffic signal modifications and/or upgrades, and other related work associated with the developers’ projects. The funding is restricted to the projects noted below:
  - Lemmond Farm, LLC contributed $10,000 for a new traffic signal at the intersection of Wilgrove-Mint Hill Road and Albemarle Road in Council District 5, and
  - Northlake West Real Estate Investors, LLC contributed $10,000 for signal modifications at the intersection of Reames Road and Perimeter Parkway in Council District 2.
- These developer contributions are based on cost estimates prepared by the Charlotte Department of Transportation (CDOT).
- Any funding contributed by the developer(s) for a signal project that is unused by the city will be refunded back to the developer(s) after project completion.
- CDOT will install and operate these signals as part of the existing signal systems in the area.

19. Authorization of General Obligation Bond Anticipation Notes

Action:
A. Adopt a resolution to authorize a bond anticipation notes program for up to $150,000,000 to be used for projects approved in the 2014 and 2016 referenda, and

B. Authorize City Officials to take the necessary actions to complete the financing, including making the application to the Local Government Commission.

Staff Resource(s):
Kelly Flannery, Finance
Scott Greer, Finance

Explanation
- This action authorizes a Bond Anticipation Notes (BAN) program for up to $150,000,000 for projects authorized by voters in the 2014 and 2016 bond referenda.
- This is a routine financing mechanism for capital projects financed with debt.
- This short-term BAN program will be used as construction period financing and converted to long-term, fixed-rate General Obligation Bonds once construction nears completion (up to 36 months).
- This action authorizes City Officials named in the Resolution to take the necessary actions to complete the financing and execute related documentation for the life of the debt.

28. **Construct the Charlotte-Mecklenburg Police Department Independence Division Station**

**Action:**
Approve a guaranteed maximum price of $13,045,257 to Turner Construction Company for Construction Manager at Risk Services for the Charlotte-Mecklenburg Police Department Independence Division Station and the City View Connector project.

**Staff Resource(s):**
Angela Lee, General Services  
Mike Davis, General Services  
William Haas, General Services  
Kerr Putney, Police

**Explanation**
- This project will construct a 14,500-square-foot, two-story facility at 5809 East Independence Boulevard, in Council District 5.
- The Independence Division is currently occupying a leased property at 9315 Monroe Road.
- This facility has been designed to achieve basic-level LEED version 4 certification per the city’s policy on Sustainable Facilities.
- This contract also includes the construction of the City View Connector Street project, funded by the Land Acquisition and Street Connections Program. This project will increase neighborhood connectivity and improve safety. Combining the projects will streamline subcontractor coordination and enhance schedule integration for project delivery.
- The city has selected the Construction Manager at Risk (CMAR) project delivery method to provide more effective coordination, more certainty with project costs and schedule, and to better mitigate risks during construction.
- On October 1, 2018, the city issued a Request for Qualifications (RFQ); seven responses were received.
- Based on the RFQ, the city awarded the pre-construction phase to Turner Construction Company on April 5, 2019, in the amount of $107,504. Turner Construction Company is currently in the final stages of pre-construction.
- Upon successful completion of the pre-construction phase, Turner Construction Company was determined to be the best qualified firm to meet the city’s needs for CMAR Services on the basis of demonstrated competence and qualification of professional services in response to the RFQ requirements.
- Turner Construction Company has developed a guaranteed maximum price for construction phase services, including coordination of all construction activities, managing all subcontractors, and delivering the project on schedule and within budget in collaboration with the city and the design consultant.
- Turner Construction Company, as the CMAR, will not be allowed to self-perform the construction work. The company will be required to prequalify all first-tier subcontractors and competitively bid the work to subcontractors.
- The project is anticipated to be complete by third quarter 2020.

35. Temporary Traffic Control Services

**Action:**
A. Approve unit price contracts for temporary traffic control services for an initial term of two years with the following:
   - GDC Supplies Equipment & Contracting LLC, DBA GDC Inc,
   - Phoenix Spirit Group LLC, and

B. Authorize the City Manager to renew the contracts for up to one, two-year term with possible price adjustments and to amend the contracts consistent with the purpose for which the contracts were approved.

**Staff Resource(s):**
Liz Babson, Transportation
Charlie Jones, Transportation
Capryce Crowder, Transportation

**Explanation**
- Work in city right-of-way often requires temporary traffic control to provide protection for workers, motorists, pedestrians, and cyclists.
- Contracted traffic control services provide city crews the opportunity to focus on completing repairs or existing projects without allocating staff or devices to traffic control activities such as flagging and lane closures. Contracted traffic control services also allow the city to maintain fewer signs, cones, and barricades in its inventory.
- On July 12, 2019, the city issued a Request for Proposals (RFP); two responses were received.
- The companies selected best meet the city’s needs on the basis of demonstrated competence and qualification of professional services in response to the RFP requirements.
- Total annual expenditures are estimated to be $500,000.

A. Approve contracts for professional services for the design and construction administration of Intelligent Transportation Systems projects for initial terms of three years with the following:
   - DRMP, INC.,
   - Exult Engineering, PC,
   - HNTB North Carolina, PC,
   - Kimley-Horn and Associates, Inc.,
   - Midsouth Consulting Engineers, Inc., and

B. Authorize the City Manager to renew the contracts for up to two, one-year terms and to amend the contracts consistent with the purpose for which the contracts were approved.

Staff Resource(s):
Liz Babson, Transportation
Ashley Boenisch, Transportation

Explanation
- Intelligent Transportation Systems (ITS) projects are part of the implementation of the Intelligent Transportation System Master Plan described in the Transportation Action Plan.
- The city continues to install fiber optic cable to support its growing communications system with over 325 miles of fiber optic cable connecting over 500 traffic signals.
- Fiber optic cabling, traffic signal interconnection, and video traffic management cameras provide the ability to remotely adjust traffic signals in response to traffic flow and emergency conditions.
- These services will vary and include conceptual planning, design preparation, utility coordination services, and construction administration/inspection.
- On February 14, 2019, the city issued a Request for Qualifications (RFQ); 10 proposals were received.
- DRMP, INC., Exult Engineering, PC, HNTB North Carolina, PC, Kimley-Horn and Associates, Inc., and Midsouth Consulting Engineers, Inc. are the best qualified firms to meet the city’s needs on the basis of demonstrated competence and qualification of professional services in response to the RFQ requirements.
- Total expenditures over the initial, three-year term are estimated to be $2,750,000.

Charlotte Business INClusion
The city negotiates subcontracting participation after the proposal selection process (Part B: Section 3 of the Charlotte Business INClusion Policy). On these contracts, the Prime Consultants have each committed a percentage of the total contract amount to the following certified firms:

41. Professional Engineering Services for Minor Storm Drainage Projects

Action:
A. Approve unit price contracts for project engineering services for an initial term of three years to the following:
   - CALYX Engineers and Consultants, Inc.,
   - ESP Associates, Inc.,
   - Kimley Horn and Associates, Inc.,
   - LaBella Associates, PC,
   - LandDesign, Inc.,
   - The John R. McAdams Company, and

B. Authorize the City Manager to renew the contracts for up to two, one-year terms with possible price adjustments and to amend the contracts consistent with the purpose for which the contracts were approved.

Staff Resource(s):
Angela Lee, General Services
Krutí Desai, General Services
Stewart Edwards, General Services

Explanation
- Storm Water Services is using consultant engineers to provide design services for minor storm drainage projects throughout the city. This will increase the capacity for Storm Water Services to complete additional minor projects.
- On June 19, 2019, the city issued a Request for Qualifications (RFQ); 12 proposals were received.
- The firms selected are the best qualified to meet the city’s needs on the basis of demonstrated competence and qualification of professional services in response to the RFQ requirements.
- Annual expenditures for all contracts combined are estimated to be $4.5 million.

Charlotte Business INClusion
Per Charlotte Business INClusion Policy: Part C: Section 2.1(a) The city shall not establish Subcontracting Goals for Contracts where: (a) there are not subcontracting opportunities identified for the Contract; or (b) there are no SBEs or MBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

42. **Construct McAlpine Creek Wastewater Treatment Plant Reliability and Process Improvements**

**Action:**

A. Approve a guaranteed maximum price of $43,494,549 to Garney Companies, Inc. for Design-Build construction services for the McAlpine Creek Wastewater Treatment Plant Reliability and Process Improvements project, and

B. Approve contract amendment #1 for $2,931,730 to the contract with Black and Veatch International Company for consultant services for the McAlpine Creek Wastewater Treatment Plant Reliability and Process Improvements project.

**Staff Resource(s):**

David Czerr, Charlotte Water  
Ron Hargrove, Charlotte Water  
Carl Wilson, Charlotte Water

**Explanation**

- This project will rehabilitate or replace critical components of the wastewater treatment process systems at the McAlpine Creek Wastewater Treatment Plant (WWTP), located in the Town of Pineville (adjacent to Council District 7), to ensure reliable discharge permit compliance.

**Action A**

- Garney Companies, Inc. has developed a guaranteed maximum price (GMP) for construction of aeration tank improvements.
- This project will be designed and constructed in phases over a span of up to five years and has an estimated construction cost of approximately $120,000,000. The first phase contract was approved by City Council on February 26, 2018, with subsequent phase approvals on May 14, 2018, January 14, 2019, and May 13, 2019.
- In the future, Council will receive requests for the approval of remaining project GMPs once they are established.

**Action B**

- This contract amendment is for additional consultant services associated with the design of the process pilot and the accelerated schedule for the overall project. The full-scale process pilot will provide necessary data to implement improvements to the wastewater treatment process that could result in significant savings in chemical and energy costs.
- On December 12, 2016, Council approved a contract with Black and Veatch International Company for consultant services.
- The new value of the contract including the amendment will be $7,505,728.

**Charlotte Business INClusion**

**Action A - Construction Contract**

The city negotiates subcontracting participation for Design-Build contracts after scopes of work are defined for construction services (Part G: Section 2.7 of the Charlotte Business INClusion Policy). Garney Companies, Inc. has committed 18.26% ($7,943,847) to the following certified firms:

- CITI, LLC (MBE) ($3,970,747) (instrumentation and control services)
- East Coast Construction Services, LLC (WBE) ($3,268,600) (electrical services)
- Southeastern Consulting Engineers, Inc. (SBE) ($603,000) (electrical design)
- JB Long Photography (SBE) ($70,000) (construction photography)
- Richa Graphics (SBE) ($16,500) (printing services)
- Joel E. Wood & Associates, PLLC (SBE) ($15,000) (geotechnical)

**Action B - Contract Amendment**
All additional work for this amendment will be performed by Black and Veatch International Company and their existing subconsultants (Part D: Section 6 of the Charlotte Business INClusion Policy). Black and Veatch International Company has committed 3.41% ($100,000) of the total amendment to the following certified firms:

- The Survey Company, Inc. (SBE) ($70,000) (surveying)
- Chef Charles Catering Inc. (SBE) ($30,000) (catering)

### 43. Odor Scrubber Units

**Action:**

A. Approve a contract with Syneco Systems, Inc. for the leasing of odor scrubber units for an initial term of three years, and

B. Authorize the City Manager to renew the contract for up to two, three-year terms with possible price adjustments and to amend the contract consistent with the purpose for which the contract was approved.

**Staff Resource(s):**
David Czerr, Charlotte Water  
Ron Hargrove, Charlotte Water  
Travis Hunnicutt, Charlotte Water

**Explanation**

- This contract allows the city to lease odor scrubber units as an odor control solution for its sewage pumping stations.
- Pumping stations are essential to providing wastewater service, and these odor scrubber units reduce odors associated with the pumping stations.
- Leasing odor scrubber units, which have a relatively short useful life of two to three years, is a best practice.
- The lease contract provides for any necessary replacement parts and maintenance during the lease period.
- Annual expenditures are estimated to be $138,000.

**Charlotte Business INClusion**
Per Charlotte Business INClusion Policy: Part C: Section 2.1(a) The city shall not establish Subcontracting Goals for Contracts where: (a) there are not subcontracting opportunities identified for the Contract; or (b) there are no SBEs or MBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

This contract meets the provisions of (b) - there are no SBEs or MBEs certified to provide the product.

B. Authorize the City Manager to renew the contract for up to three, one-year terms with possible price adjustments and to amend the contract consistent with the purpose for which the contract was approved.

**Staff Resource(s):**

David Czerr, Charlotte Water  
Ron Hargrove, Charlotte Water  
Scott Clark, Charlotte Water

**Explanation**

- This contract will provide for parts and fittings which are required for the installation and repair of water and sanitary sewer lines and meters.
- Parts and fittings purchased through this contract must be available to the city immediately, at all times, for use in emergency repairs.
- On July 29, 2019, the city issued an Invitation to Bid; three bids were received.
- Ferguson Enterprises, Inc. was selected as the lowest responsive, responsible bidder.
- Estimated annual expenditures are $1,500,000.

**Charlotte Business INClusion**

Per Charlotte Business INClusion Policy: Part C: Section 2.1(a) The city shall not establish Subcontracting Goals for Contracts where: (a) there are not subcontracting opportunities identified for the Contract; or (b) there are no SBEs or MBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

60. **Set Public Hearing on Larkhaven Annexation**

**Action:**
Adopt a resolution setting the public hearing for October 28, 2019, for the Larkhaven voluntary annexation petition.

**Staff Resource(s):**
Taiwo Jaiyeoba, Planning, Design and Development
Katrina Young, Planning, Design and Development

**Explanation**
- The city has received a petition for voluntary annexation of private property.
- Public hearings are required prior to City Council action on annexation requests.
- This property is located within Charlotte’s extraterritorial jurisdiction.
- The area proposed for annexation shares boundary with current city limits.
- Annexation of this area will allow for more orderly land development review, extension of city services, capital investments, and future annexation processes.
- The 141.9-acre site is located east of Interstate 485 and south of Camp Stewart Road in eastern Mecklenburg County.
  - The property is currently vacant.
  - The petitioner has plans to construct up to 350 single family residential dwelling units in accordance with rezoning petition number 2018-005.
  - The property is zoned (R-5 CD) Single Family Residential which allows up to five units per acres with conditions.
  - The property is located immediately adjacent to Council District 5.
  - The petitioned area consists of two parcels: parcel identification numbers 111-211-12 and 111-211-08.

**Consistency with City Council Policies**
- The annexation is consistent with all city voluntary annexation policies approved by the City Council on March 24, 2003:
  - Is consistent with the policy to not adversely affect the city’s ability to undertake future annexations;
  - Is consistent with the policy to not have undue negative impact on city finances or services; and
  - Is consistent with the policy to not create unincorporated areas that will be encompassed by new city limits.

**Public Hearing Date**

**Staff Resource(s):**
Taiwo Jaiyeoba, Planning, Design and Development
Katrina Young, Planning, Design and Development

**Explanation**
- The city has received a petition for voluntary annexation of private property.
- Public hearings are required prior to City Council action on annexation requests.
- This property is located within Charlotte’s extraterritorial jurisdiction.
- The area proposed for annexation is across a major highway that shares boundary with current city limits.
- Annexation of this area will allow for more orderly land development review, extension of city services, capital investments, and future annexation processes.
- The 77.31-acre site is located east of Interstate 485 Highway and southwest of Caldwell Road in western Mecklenburg County.
  - The property is currently vacant.
  - The petitioner has plans to construct a pedestrian-friendly, mixed-use center with 102 single family residential dwelling units, 275 multi-family units, 131,000 square feet of retail, a hotel with 120 rooms, and a 50,000-square foot movie theater on the site.
  - The property is zoned (CC) Commercial Center Development District, which allows for large-scale development.
  - The property is located immediately adjacent to Council District 4.
  - The petitioned area consists of three parcels: parcel identification numbers 105-361-01, 105-361-05, and 105-361-06.

**Consistency with City Council Policies**
- The annexation is consistent with voluntary annexation policy approved by City Council on March 24, 2003.
  - Is consistent with the policy to not adversely affect the city’s ability to undertake future annexations;
  - Is consistent with the policy to not have undue negative impact on city finances or services;
  - Per policy, voluntary annexations that encompass unincorporated areas by new city limits may be approved if either of the following conditions exist:
    - A petitioner for a voluntary annexation would experience a significant hardship if the annexation were not approved; or
    - Under the facts of a particular voluntary annexation petition, the city’s interests are served by varying the application of one or more of these policies.
  - This voluntary annexation is being recommended because the city’s interests will be served by annexing the petitioned property.

120. Reference - Charlotte Business INClusion Policy

The following excerpts from the City’s Charlotte Business INClusion Policy are intended to provide further explanation for those agenda items that reference the Charlotte Business INClusion Policy in the business meeting agenda.

**Part A: Administration and Enforcement**

**Part A: Section 2.3: Targeted Outreach and Designated Contracts for Small Business Enterprises (SBEs).**
When feasible, the Charlotte Business INClusion (CBI) Office may designate certain Contracts or categories of Contracts in which solicitation efforts will be directed only to SBEs. In designating Contracts for targeted outreach or SBE participation, the CBI Office takes into account the size and scope of the Contract and the availability of SBEs to provide the applicable services or products.

**Part A: Section 3.1: Subcontracting Goals.** The City shall establish one or more Subcontracting Goals for all Construction Contracts of $300,000 or more and for all Architecture, Engineering, and Surveying Contracts of $100,000 or more. Contracts estimated to be less than these thresholds are exempt from the goal setting process.

**Appendix Section 20: Contract:** For the purposes of establishing an (Minority, Women, and Small Business Enterprise (MWSBE) subcontracting goal on a Contract, the following are examples of contract types:

- Any agreement through which the City procures services from a Business Enterprise, other than Exempt Contracts.
- Contracts include agreements and purchase orders for (a) construction, re-construction, alteration, and remodeling; (b) architectural work, engineering, surveying, testing, construction management, and other professional services related to construction; and (c) services of any nature (including but not limited to general consulting and technology-related services), and (d) apparatus, supplies, goods, or equipment.
- The term “Contract” shall also include Exempt Contracts for which an SBE, Minority Business Enterprise (MBE), or Women Business Enterprise (WBE) Goal has been set.
- Financial Partner Agreements, Development Agreements, Infrastructure Improvement Agreements, Design-Build, and Construction Manager-at-Risk Agreements shall also be deemed “Contracts,” but shall be subject to the provisions referenced in the respective Parts of the Charlotte Business INClusion Program Policy.

**Appendix Section 27: Exempt Contracts:** Contracts that fall within one or more of the following categories are “Exempt Contracts” and shall be exempt from all aspects of the Charlotte Business INClusion Policy:

**No Competitive Process Contracts:** Contracts or purchase orders that are entered into without a competitive process, or entered into based on a competitive process administered by an entity other than the City, including but not limited to contracts that are entered into by sole sourcing, piggybacking, buying off the North Carolina State contract, buying from a competitive bidding group purchasing program as allowed under G.S. 143-129(e)(3), or using the emergency procurement procedures established by the North Carolina General Statutes.

**Managed Competition Contracts:** Managed competition contracts pursuant to which a City department or division competes with Business Enterprises to perform a City function.

**Real Estate Leasing and Acquisition Contracts:** Contracts for the acquisition or lease of real estate.

**Federal Contracts Subject to Disadvantaged Business Enterprise (DBE) Requirements:** Contracts that are subject to the U.S. Department of Transportation Disadvantaged Business Enterprise Program as

**State Funded Contracts Subject to the State’s MWBE Requirements:** Contracts that are subject to an MWBE Goal set by the State of North Carolina pursuant to N.C. Gen. Stat. 143-128.2.

**Financial Partner Agreements with DBE or MWBE Requirements:** Contracts that are subject to a DBE program or minority and women business development program maintained by a Financial Partner.

**Interlocal Agreements:** Contracts with other units of federal, state, or local government.

**Contracts for Legal Services:** Contracts for legal services, unless otherwise indicated by the City Attorney.

**Contracts with Waivers:** Contracts for which the City Manager or CBI Program Manager waives the CBI Program requirements (such as when there are no MWSBE subcontracting opportunities on a Contract).

**Special Exemptions:** Contracts where the department and the CBI Program Manager agree that the department had no discretion to hire an MWSBE (e.g., emergency contracts or contracts for banking or insurance services) shall be Exempt Contracts.

**Appendix Section 35: Informal Contracts:** Contracts that are estimated to be less than the following dollar thresholds prior to issuance of the City Solicitation Documents:

- Construction Contracts: $500,000, and
- Service Contracts and Commodities Contracts: $100,000.

**Part B: Construction and Commodities Contracts**

**Part B: Section 2.1:** When the City sets a Subcontracting Goal, each Bidder must either: (a) meet each Subcontracting Goal; or (b) comply with the Good Faith Negotiation and Good Faith Efforts requirements for each unmet Subcontracting Goal. Failure to comply constitutes grounds for rejection of the Bid. The City Solicitation Documents will contain certain forms that Bidders must complete to document having met these requirements.

**Part B: Section 2.3:** No Goals When There Are No Subcontracting Opportunities. The City shall not establish Subcontracting Goals for Contracts where: a) there are no subcontracting opportunities identified for the Contract; or b) there are no SBEs, MBEs, or WBEs (as applicable) to perform scopes of work or provide products or services that the City regards as realistic opportunities for subcontracting.

**Part C: Service Contracts**

**Part C: Section 2.1(a) Subcontracting Goals:** No Goal When There Are No MWSBE Subcontracting Opportunities. The City shall not establish Subcontracting Goals for Service Contracts where: a) there are no subcontracting opportunities identified; or b) there are no SBEs or MWBEs certified to perform the scopes of work that the City regards as realistic opportunities for subcontracting.

**Part C: Section 2.1(b) and 2.1(c):** The City may require each Proposer to submit with its Proposal one or more of the following: (a) a Participation Plan describing how Proposer intends to solicit MWSBE participation; (b) the Proposer’s Committed Subcontracting Goals; and (c) an affidavit listing the SBEs and MWBEs it intends to use on the Contract.

**Part C: Section 2.1(h) Negotiated Goals:** The City may seek to negotiate Subcontracting Goals after Proposals have been submitted.

**Part D: Post Contract Award Requirements**
**Part D: Section 6: New Subcontractor Opportunities/Additions to Scope/Contract Amendments**

If a Contractor elects to subcontract any portion of a Contract that the Contractor did not previously identify to the City as a subcontracting opportunity, or if the scope of work on a Contract increases for any reason in a manner that creates a new MWSBE subcontracting opportunity, the City shall either (a) notify the Contractor that there will be no Supplemental MWSBE Goal for the new work; or (b) establish and notify the Contractor of a Supplemental MWSBE Goal for the new work.

**Part G: Alternative Construction Agreements**

**Part G: Section 2.7:** Prior to City Council’s vote to award the Alternative Construction Agreement, the Program Manager and the Company shall negotiate and agree on proposed MWSBE Goals for the Project and on a Participation Plan that describes the outreach and efforts the Company will be required to undertake to meet the MWSBE subcontracting goals.

### 121. Reference - Property Acquisitions and Condemnations

- The City has negotiated in good faith to acquire the properties set forth below.
- For acquisitions, the property owner and staff have agreed on a price based on appraisals and/or estimates.
- In the case of condemnations, the value was established by an independent, certified appraisal followed by a third-party appraisal review.
- Real Estate staff diligently attempts to contact all property owners by:
  - Sending introductory letters via regular and certified mail,
  - Making several site visits,
  - Leaving door hangers and business cards,
  - Seeking information from neighbors,
  - Searching the internet,
  - Obtaining title abstracts, and
  - Leaving voice messages.
- For most condemnation cases, City staff and the property owner(s) have been unable to reach a settlement. In some cases, condemnation is necessary to ensure a clear title to the property.
- If the City Council approves the resolutions, the City Attorney’s office will initiate condemnation proceedings. As part of the condemnation process, real estate staff and the City Attorney’s Office will continue to negotiate, including court-mandated mediation, in an attempt to resolve the matter. Most condemnation cases are settled by the parties prior to going to court.
- If a settlement cannot be reached, the case will proceed to a trial before a judge or jury to determine "just compensation."
- Full text of each resolution is on file with the City Clerk’s Office.
- The definition of easement is a right created by grant, reservation, agreement, prescription, or necessary implication, which one has in the land of another, it is either for the benefit of land, such as right to cross A to get to B, or "in gross," such as public utility easement.
- The term “fee simple” is a synonym for ownership and is an estate under which the owner is entitled to unrestricted powers to dispose of the property, and which can be left by will or inherited.
122. Reference - Property Transaction Process

Property Transaction Process Following City Council Approval for Condemnation

The following overview is intended to provide further explanation for the process of property transactions that are approved by City Council for condemnation.

Approximately six weeks of preparatory work is required before the condemnation lawsuit is filed. During this time, City staff continues to negotiate with the property owner in an effort to reach a mutual settlement.

- If a settlement is reached, the condemnation process is stopped, and the property transaction proceeds to a real estate closing.
- If a settlement cannot be reached, the condemnation lawsuit is filed. Even after filing, negotiations continue between the property owner and the City's legal representative. Filing of the condemnation documents allows:
  - The City to gain access and title to the subject property so the capital project can proceed on schedule.
  - The City to deposit the appraised value of the property in an escrow account with the Clerk of Court. These funds may be withdrawn by the property owner immediately upon filing, and at any time thereafter, with the understanding that additional funds transfer may be required at the time of final settlement or at the conclusion of litigation.

- If a condemnation lawsuit is filed, the final trial may not occur for 18 to 24 months; however, a vast majority of the cases settle prior to final trial. The City's condemnation attorney remains actively engaged with the property owner to continue negotiations throughout litigation.
  - North Carolina law requires that all condemnation cases go through formal non-binding mediation, at which an independent certified mediator attempts to facilitate a successful settlement. For the minority of cases that do not settle, the property owner has the right to a trial by judge or jury in order to determine the amount of compensation the property owner will receive.
