PETITION REQUESTING APPROPRIATION OF $25,000 TOWARDS MAINTENANCE AND OPERATION OF CHARLOTTE COLLEGE CENTER FILED BY ADVISORY BOARD OF CENTER.

Mr. J. Murrey Atkins, representing the Advisory Board of the Charlotte College Center, and accompanied by Dr. E. H. Garinger, Mr. R. L. Young and Mr. J. W. Wilson, members of the Board, and Miss Bonnie Cone, Director of the College Center, presented a petition requesting the financial aid of the City for the permanent operation of the Center, under the ownership of the City of Charlotte and County of Mecklenburg.

Mr. Atkins stated that the Charlotte College Center was one of twelve such accredited schools established in North Carolina during 1946, under the control and supervision of the University of North Carolina, as an emergency measure to provide educational facilities to students whom the colleges were unable to accommodate, due to crowded conditions; that more than 300 students enrolled at the Charlotte Center in 1947. He stated that the continued operation of the Center under the present plan was not assured, and the Advisory Board felt that the institution should become a permanent Junior College in Charlotte, owned, directed and operated locally. He further advised that in order that the school be accredited, it must be assured of an established source of revenue. That the Advisory Board recommended that the City and County take over the maintenance and operation of the Charlotte Center, and that the City appropriate and set up in a reserve or revolving fund $25,000.00, and that Mecklenburg County put into such fund a like amount for the permanent operation of the Center as a Junior College, under the administration and supervision of the Charlotte Board of School Commissioners and Mecklenburg County Board of Education.

Mayor Baxter advised the group that the request would be carefully considered and the petition be studied by the Council.
