INVOCATION.

The invocation was given by Councillor Claude L. Albee.

MINUTES APPROVED.

Upon motion of Councillor Albee, seconded by Councillor Baxter, and unanimously carried, the Minutes of the meeting on April 1st were approved as submitted.

REQUEST FOR REZONING OF FOUR LOTS AT 1302-22 SEIGLE AVENUE WITHDRAWN BY MR. J. C. GRIFFIN, PETITIONER.

At the scheduled hearing on the petition of Mr. J. C. Griffin for a change in zoning on four lots at 1302-22 Seigle Avenue, from R-2 to Industrial, Mr. Fred Haruy, Attorney stated that Mr. Griffin wished to withdraw his petition without prejudice to any request he might make at a later date. Councillor Albee moved that the request for withdrawal of the petition be granted, which was seconded by Councillor Baxter, and unanimously carried.

Mr. A. L. Buchanan, resident of 815 East 20th Street, acting as spokesman for a large delegation of residents of the area who were present in opposition to the change in zoning, stated that if the zoning is made, they feel they can better rear their children as useful citizens to the community.

CONSIDERATION OF CONTINUED APPROPRIATION TO THE INDUSTRIAL HOME DEFERRED ONE WEEK TO STUDY REQUESTED OPERATIONAL BUDGET OF HOME.

Councillor Dellinguer recommended that the question of the City contributing further financial aid to the Hoccleburb County Industrial Home be postponed until the preparation of the budget for the next fiscal year. He stated further that the Chairman of the Board of Commissioners for Hoccleburb County advised him that there is a balance of $5,000.00 in the Industrial Home budget, which is sufficient to meet its needs for the present fiscal year. He also stated that in his opinion the County should assume full responsibility for the operation of the Home as they realize all of the service benefits; also, that he does not feel the Home is serving a useful purpose to society. Councillor Albee expressed the opinion that under the Act creating the Industrial Home, the City has a legal responsibility towards its support; he asked the City Attorney to give a ruling in the matter. Mr. Shaw, City Attorney, stated that under the Act it is a joint operation and funds are jointly appropriated, however, the law contains no provision as to the amount the City shall contribute.

Councillor Dellinguer moved that the matter be deferred for one week, and the City Manager request the Chairman of the Board of Commissioners to submit to the Council by that time a detailed report of the operational budget of the Home for the past two years. The motion was seconded by Councillor Boyd, and unanimously carried.

REQUESTED APPOINTMENT OF DR. H. B. BETHOL AS ACTING COUNTY HEALTH OFFICER REJECTED BY COUNCIL.

Dr. Yancey, City Manager, advised that the Chairman of the Board of Commissioners for Mecklenburg County had today given him a copy of the minutes of the Joint Meeting of the Board of Commissioners for Mecklenburg County and the Mecklenburg County Board of Health, which contains the appointment of Dr. H. B. Bethol, City Health Officer, as Acting County Health Officer, contingent on the loan of his services by the Charlotte City Council and the approval of the State Health Officer and the acceptance by Dr. Bethol of the appointment.

Councilman Baxter stated that due to the fact that the population of the City of Charlotte is increasing monthly, and that all of our departments are requiring more services, especially the Health Department, he moved that we keep Dr. Bethol in his present position as City Health Officer so that he can concentrate on better health conditions in the City of Charlotte. The motion was seconded by Councilman Dallinger and unanimously carried.

Councilman Boyd stated that at the last Council Meeting the City Attorney was requested to prepare the necessary papers finding as a fact that it is necessary to extend bus services to various thinly populated areas of the City, and to restore service where discontinued and reduced six months ago; however, inasmuch as this will constitute an extension of service into new areas of the City, he is of the opinion that rather than to adopt the prepared ordinances or resolutions, it will be wise for the City to make a formal request again to Duke Power Company Officials for this service, and ask that only to survey these areas. He stated further that some people have the erroneous idea that he is fighting Duke Power Company, that he is not fighting them nor anyone; that the Council is merely trying to show Duke Power Company how to make more money.

He moved that action be deferred on the adoption of any ordinances or resolutions today, and Duke Power Company Officials be requested to make a survey of the Ashley Park, Merry Oaks and Atando Avenue proposed routes; and the said routes be furnished the Power Company Officials by the City Manager; and that the Officials be further requested to meet with the City Council on Monday, April 20th, for a discussion of the matter. The motion was seconded by Councilman Dallinger, and unanimously carried.

REQUEST FOR ERECTION OF TRAFFIC SIGNALS AT THE PLAZA AND BELVEDERE AVENUE, AND AT ARDSLEY ROAD AND PROVIDENCE ROAD.

Councilman Boyd stated that a Committee of five persons from The Plaza, Belvedere Avenue area requested him to request the installation of a traffic signal at the intersection of the Plaza and Belvedere Avenue. He stated such signal is badly needed at this location, that it is impossible at times for traffic from Belvedere Avenue to cross the intersection.

Councilman Baxter requested that a traffic signal be installed at Ardsley Road and Providence Road.

No action was taken on the two requests.
REQUEST THAT TRUCK TRAFFIC BE REMOVED FROM THE PLAZA.

Councilman Boyd stated it is his understanding that the Plaza is not a designated truck route, however hundreds of trucks move over this street every day and night, and he was today requested by a Committee of citizens of the area to request that something be done to correct the condition.

The City Manager stated that the Plaza is not a truck route, and he will have an investigation made.
