$900.00 TO BE APPROPRIATED FOR POLICE AND SANITARY PURPOSES FOR DEFENSE COUNSEL RECREATION.

Mr. C. M. Mayor Currie advised that this would be referred to the City Attorney to determine if the Council has the power to make such donation, but after hearing Mr. Francis Clarkson, and after Councilman Ross asked if the City could make such an appropriation for police and sanitary purposes and was informed by the City Attorney, Mr. Hugh Campbell, that it could be done in that manner, Councilman Ross, seconded by Councilman Ward, moved that an appropriation of $900.00 from the Emergency Fund be used for police and sanitary purposes for the Council for Defense Recreation if the City Attorney rules that it can be done legally. Motion carried.

AUTHORIZATION FOR INCREASE IN SALARY OF TWO CLERICAL WORKERS IN JUDGE REED'S OFFICE.

Mayor Currie presented a letter received from Mr. S. Y. McAdoo, Chairman of the Board of County Commissioners, Mecklenburg County, in which he enclosed copy of a letter from Judge Reedd, acted upon by the Board at their meeting on August 11th. This letter reads in part as follows:

"At the present time we have with us Miss Marian Balfour who has been with us quite a long period, and is a highly efficient bookkeeper and cashier of the Court. Miss Balfour receives a salary of $70.00 per month. Miss Jessie Auten, who has also been with us some time, and is a stenographer, dictaphone operator and record clerk. She works with the probation officers and caseworkers of the Court and her work is highly satisfactory. She receives a salary of $60.00 per month. Our problem is to keep Miss Balfour and Miss Auten and frankly, it will not be possible to do so at the salary they are receiving. Out of loyalty to the Court, Miss Auten has refused a salary of $85.00 per month, etc.

I respectfully recommend and request that you approve a salary of $80.00 per month a piece for these young ladies. This is a total increase of $65.00 per month, of which the County's share would be $15.00 per month."

The County moved that these raises be granted and that the City Council be asked to concur in this action, inasmuch as one-half this expense will be borne by the City. On motion of Councilman Price, seconded by Councilman Albee, this increase was granted.

On motion of Councilman Ward, seconded by Councilman Albee, this matter was again deferred for one week, pending study of this ruling by the City Attorney, and the Clerk was ordered to have each member of the Council furnished a copy of this ruling.

Charlotte Hardware Company (Colts) 445.00

Mr. Armstrong reported that the Police Department has standardized on Colt Revolvers and would like to continue with that make. Also, that the Colts Patent Fire Arms Mfg. Company, of Cincinnati, Ohio, would not be able to furnish guns as described above for approximately five months on account of the Preparedness Program. The Smith & Wesson Co. of Springfield, Mass. advised that they would not be able to furnish revolvers at all. Inasmuch as the price quoted by Colts Patent Fire Arms Mfg. Company was identical with the local dealers, it was the recommendation of the City Manager that the order be divided between Smith-Wadsworth Hardware Company and the Charlotte Hardware Company.

Upon motion of Councilman Albee, seconded by Councilman Hovis, the City Manager's recommendation was approved and the Mayor and Clerk were authorized to sign contracts with the two company's as above stated; the delivery date to be five months from the date order is placed.

Mr. Armstrong advised that numerous requests have been received for a signal control at the intersection of South Tryon Street and West Boulevard and that the result of investigation shows that present conditions warrant the installation of same, inasmuch as it is felt that this control will tend to slow traffic to a reasonably safe condition at West Kingston and West Park Avenues.

Upon motion of Councilman Ross, seconded by Councilman Albee, authority was given for the expenditure of approximately $500.00 in relaying sewer line in Altondale Avenue and Cottage Place in order to do away with the sewer line that is in bad shape at this point.
Councilman Baker moved that the term of office of Mr. Jas. W. Armstrong, as City Manager, be terminated at once. This motion was seconded by Councilman Daughtry.

Councilman Hovis asked if the Council had anyone in mind to put in this place and Councilman Albee also stated that he felt that a man should be selected to fill the place before voting on the above motion.

Mr. Hugh Campbell, City Attorney, was requested to read from the city charter the section relative to the office of City Manager, after which Councilmen Hovis, Ward and Albee voiced strong opposition to the dismissal of Mr. Armstrong, whom they stated had rendered satisfactory service as Manager, and who had worked day and night with the new Council in the preparation of the City's budget for the fiscal year 1941-42.

After hearing the above Councilmen, the Mayor called for a vote on the motion as made by Councilman Baker, which showed the following result:

NAY: Councilmen Albee, Hovis, Little and Ward.

The Mayor declared the motion carried.

Councilman Baker then moved that Mr. L. L. Ledbetter, in addition to his duties as City Treasurer, be appointed temporary or acting City Manager, his salary to be fixed at a later date. Mr. Baker was informed by the City Attorney that there was no such office as acting City Manager provided for in the charter, and he, thereupon, changed his motion to read "City Manager" instead of "temporary or acting City Manager". This motion was also seconded by Councilman Daughtry and the following votes were recorded:

NAY: Councilmen Albee, Hovis, Little and Ward.

And the Mayor declared this motion had passed.

Councilman Hovis, seconded by Councilman Ross, moved that Mr. Armstrong be paid for his regular vacation period. Mr. Campbell informed them that the same ruling as had been given with regard to the discharge of other City officials would prevail and that when a discharge becomes effective immediately the man is no longer an employee and the City does not have the power to make a gift to anyone of public money. Councilman Hovis then made a motion that the resolution presented by Councilman Baker with regard to the termination of Mr. Armstrong as City Manager, be changed to read effective as of September 1st. After some discussion, the Mayor declared a recess in order that the City Attorney draw up proper motion to cover this.

After a 10 minute recess, the Council reconvened, and Councilman Baker, seconded by Councilman Daughtry, moved that the two motions previously passed with regard to the City Manager, be rescinded. Motion Carried.

The following motion was then offered by Councilman Baker, which was seconded by Councilman Daughtry:
August 13, 1941
Page 142.

Effective from this date that Mr. L. L. Ledbetter, in addition to his duties as Treasurer, perform the duties of City Manager."

This motion carried on the following recorded vote:

NAY: Councilmen Albea, Hovis, Little and Ward.

After the passage of the above motion, Councilman Baker then offered the following resolution, which was seconded by Councilman Daughtry and carried on a vote of six to four, the same as shown above:

WHEREAS, the position of City Manager has become vacant, and, whereas, the Council desires now to appoint a City Manager to take office and serve pending the Council's consideration of the qualifications of all persons whose names may be brought before it for appointment as successor to James W. Armstrong:
