PAYMENT FOR CLOTHING DAMAGED BY CITY TRASH BOX MOUNTED ON UTILITY POLE REQUESTED BY JOHN SCROGGS, DENIED.

Mr. John Scroggs stated that in passing the City’s Trash Box mounted on a utility pole at the intersection of West Trade and North Tryon Street, he tore his trousers on a protruding edge of the Box. He stated both the price of the trousers, which were new, and the principle of the thing is involved. That he contacted the City Manager regarding the matter, he referred his claim to the City Attorney, who in turn referred it to the Engineering Department for investigation of the Box. That the City Attorney advised him later that the City could not make restitution for the damages. Councilwoman Evans asked Mr. Scroggs if the Box was not mounted high on the pole, in the usual manner? Mr. Scroggs stated it was mounted approximately 3½ feet from the ground, but the protruding edge caught in his trousers pocket. The City Attorney stated the Engineering Department reported to him that the Box was properly mounted and there was nothing wrong with it; that there is a little flange on the box that protrudes where the lid fits. Councilman Wilkinson asked the City Attorney if he recommends that the claim be denied, and Mr. Shaw, City Attorney, stated that he does as the City has no liability in the matter. Councilman Wilkinson moved that the request for payment for damages be denied, which was seconded by Councilman Dellinger, and unanimously carried.

CITY TREASURERcommended on BROCHURE ON GROWTH OF CHARLOTTE, FOR USE IN PROMOTING SALE OF BONDS.

Councilman Baxter referred to the very fine brochure on the Growth of Charlotte, for use in promoting the sale of bonds, which Mr. Ledbetter, City Treasurer compiled, and moved that Mr. Ledbetter be commended for getting up these interesting facts. The motion was seconded by Councilman Albee, and unanimously carried. Mr. Yancey, City Manager, stated this is a piece of work that Mr. Ledbetter volunteered to do, which was beyond the line of the duties of his position, and there is no doubt that by placing the book in the hands of bond buyers will save the City a large amount of money in the sale of the bonds.

ADJOURNMENT.

Upon motion of Councilman Smith, seconded by Councilman Wilkinson, and unanimously carried, the meeting was adjourned.
