TRANSFER OF CEMETERY LOTS.

Upon motion of Councilman Albee, seconded by Councilwoman Evans, and unanimously carried, the Mayor and City Clerk were authorized to execute deeds for the transfer of the following cemetery lots:

(a) Deed with Mr. L. H. Everitt, for Graves #1 and #2, Lot 97, Section 3, Evergreen Cemetery, at $30.00.
(b) Deed with Mr. Jimmie and Ruth M. Almond, for Lot 223, Section 4-A, Evergreen Cemetery, at $126.00.

PLATS AND DESCRIPTIONS OF OLD INCINERATOR PROPERTY ON SHUMAN AVENUE AND OLD WATER WORKS PROPERTY ON BEATTIES FORD ROAD TO BE PREPARED FOR STUDY IN CONNECTION WITH REQUEST OF PARK AND RECREATION COMMISSION THAT THESE PROPERTIES BE DEEDED THEM FOR PARK PURPOSES.

Mr. Ernest Sifford, Chairman, Park & Recreation Commission, stated that some three or four years ago he requested that a portion of the Old Incinerator property on Shuman Avenue be deeded the Commission for park purposes, and his request was granted by the Council and they assumed that the deed was drawn, and they have since developed the property into a park for negroes and now proposed to spend an additional $12,000.00 to pipe a ditch through the park. That he now understands there is no record in the Council Meeting Minutes of his request having been officially acted on.

Also, that he requested the Council last year to deed them a piece of the old Water Works property on Beatties Ford Road for park purposes, and it was granted and they have since developed it into a beautiful park for negroes. That he is now advised there is no record of official action on this transaction.

He asked what the status of these two properties is today, and requested that they be deeded to the Park & Recreation Commission.

Councilman Dellinger stated he believes Mr. Sifford was told that the Council would not deed the Incinerator property to the Park Commission but they could use it until such time as the city needed it. Mr. Sifford replied this was not his understanding at all, that he was under the impression that the land was given to the Commission.

Councilman Brown moved that the properties be deeded to the Park & Recreation Commission.

Mr. Shaw, City Attorney, stated that since the exact description of the properties seems indefinite, plats should be prepared and the transaction be consummated by resolution; that a recapture clause could be included if the Council so wishes.

Mr. Sifford stated the amount of money they would spend in the development of the parks would make a recapture clause unacceptable to the Commission; that with the $12,000.00 they propose to spend on the Shuman Avenue property, they would have $40,000.00 tied up in this park.

Councilman Brown offered a substitute motion that plats and descriptions be prepared of the exact portions of both the
Old Incinerator property and the old Water Works property that
the Park Commission desires to use and Council then go into the
matter with Mr. Sifford. The motion was seconded by Councilman
Albee, and unanimously carried.

Councilman Baxter suggested that Mr. Sifford also bring in de-
scriptions and plats of other properties the Commission will
want to fill their future needs, and that they all be handled
at the same time. Mr. Sifford replied that he does not know
of anything further at this time.

ADJOURNMENT.

Upon motion of Councilman Baxter, seconded by Councilman
Dellinger and unanimously carried, the meeting was adjourned.
