Upon motion of Councilman Wilkinson, seconded by Councilman Dellingier, and unanimously carried, the Minutes of the last meeting on January 28th were approved as submitted.

INJUNCTION PROCEEDINGS DIRECTED FILED TOMORROW AGAINST W. O. FLOWE FOR VIOLATION OF BUILDING PERMIT ISSUED FOR CONSTRUCTION OF GARAGE AT 4800 THRIFT ROAD.

A delegation of residents of Thrift Road appeared before Council, with Mr. F. L. Johnson as spokesman, who inquired as to what action has been taken in connection with instituting an injunction against Mr. W. O. Flowe for the violation of the Building Permit issued him for the construction of a garage for personal use, at 4800 Thrift Road.

Mayor Smith advised that the matter has been discussed by the Council in his office; that all the preliminaries have been completed and action will be taken tomorrow toward filing the injunction.

Mr. Johnson asked if the Mayor thinks the Perimeter Zoning Law will be considered? Mayor Smith stated that all the City can do is ask for civil action and it will be up to the Court from then out.

Councilman Alby asked how long it will take to enjoin Mr. Flowe, and Mr. Shaw, City Attorney, stated it will take a day to draw the complaint and file it and it is up to the Judge from then on.

Councilwoman Evans asked if in light of instructions to draw the papers, could Mr. Shaw suggest any legal action that would make the injunction effective tonight? Mr. Shaw replied there is none.

Councilman Foard asked if it is not true that Mr. Flowe has already moved his heavy equipment from the lot? Mr. Shaw advised that he is advised that all of the equipment except junk has been moved; that the question now is as to his use of the office equipment, which is in violation.

Councilwoman Evans asked Mr. Shaw if he would make a statement for the record as to any affiliation he has with Mr. Flowe, and Mr. Shaw replied that he does not represent Mr. Flowe in any way and never has.
Mr. Johnson then asked if it is permissible for Mr. Floe to use the back of his lot to store heavy equipment, and Mayor Smith stated that will all be determined by the Court.

NAME OF CELANSENE DRIVE AUTHORIZED CHANGED TO BARCLAY DOWNS DRIVE.

Mr. Yancey, City Manager, reported that he has received a letter from the Celanese Corporation, in reply to his, stating they approve the change in the name of Celanese Drive to Barclay Downs Drive. He advised further that the majority of the street lies within the County and they have already changed the street name as requested by the property owners.

Councilman Pard stated he does not like the idea at all; that we work to bring big business to Charlotte and name a street for them, and then in a few years change the name, and he thinks it is a poor policy.

Councilman Albee stated that in view of the change in street name being agreeable to the Celanese Corporation and desired by all other property owners on the street, he moved that the change be made. The motion was seconded by Councilwoman Evans, and carried, with the votes cast as follows:
