RECOMMENDED SETTLEMENT WITH HEIRS TO REID ESTATE FOR PURCHASE OF PROPERTY FOR SEWER SYSTEM EXTENSION DEFERRED ONE WEEK.

Mr. John D. Shaw, City Attorney, advised that the Heirs to the Reid Estate have advised they will accept settlement from the City at $350.00 per acre for the land required for the extension of the City's sewer system, and he recommended that the offer be accepted. He advised further that this is a compromise price between the $500.00 per acre originally fixed for the land by the Heirs to the Estate and the $150.00 per acre fixed by the Board of Appraisers for the city, and stated that he is advised by a realtor that it will be well to accept the offer instead of proceeding with the condemnation suit as the property within the vicinity has increased in value since the plans were announced by the Calanese Corporation that they will erect an office building on adjacent property.

Mr. Tancey, City Manager, stated that it is important that there be no delay in securing the property required for the sewer system extension, and in view of the Council having authorized the condemnation of the property and the City paid for an appraisal of its value by a committee of the Board of Realtors, that he would like the Courts to settle the case.

Following the discussion, Councilman Jordan moved that action be deferred for one week. The motion was seconded by Councilman Dallingcr, and unanimously carried.
