GLENWOOD SECTION REQUESTED FINANCIAL ASSISTANCE ON THEIR RECREATIONAL CENTER

A delegation from the Glenwood Section appeared before the Council requesting assistance in the financing of their Recreational Center on the site of the Old Alexander Home. The spokesman for this Club stated that they went in debt to purchase this property and preserve this old historical home and had built an additional building but that the revenue from this recreational center was not sufficient to take care of the indebtedness and that they have an outstanding bill of $600.00 on their property. They stated that if they could secure financial assistance in the sum of $600.00 they could pay off the debt on the small house and the revenue from the big house would carry itself, and asked that inasmuch as this property adjoins City school property and served as a recreational center for that section if the City Council could assist them to this extent.

Mayor Douglas advised that it would be impossible for the City to do anything in connection with this by reason of the law and explained to them just why the City could not aid them at this time. He did state however, that he would be glad to go into the matter and see what could be done and Councilman Baxter offered to assist in getting aid for them through the F.H.A.

WAGE RATES FOR CHARLOTTE MEMORIAL HOSPITAL AND ADOPTING NEW RESOLUTION.

The City Manager reported that the Public Works Administration
in Atlanta had returned the resolution adopted by the Council on December
14, 1938, relative to additional minimum wage rates for the Charlotte
Memorial Hospital, with the statement that these rates were covered by other
classifications with the exception of the "Miner Operator", which rate
should be 60 cents per hour, and that, therefore, it would be necessary for
the Council to rescind the resolution of December 14th and adopt a new
resolution.

On motion of Councilman Wilkinson, seconded by Councilman
Huntley, the resolution adopted on December 14th, was rescinded.

LICENSES ON NINE HOTELS OF MRS. M. K. BLUME REVOKED.

Councilman Baxter stated that in cooperation with the Police Committee an investigation had been made by the Police Department of certain hotels uptown operated by Mrs. M. K. Blume, and called on the City Manager to give a report regarding this investigation.

Mr. Marshall stated that in applying for licenses to operate these hotels misrepresentation was made as to the number of rooms in each hotel, and read a report showing the number of rooms each hotel actually contained as compared to the number shown on the applications for licenses. He also stated that the State Board of Health had made an investigation of these hotels and that several had been found to have a rating of less than 70, and that they had this date been indicted and the cases were now pending.

Mr. Marshall then read the following letter from the Chief of Police:

"I am submitting herewith a written report from Mrs. Stella Patterson, Policewoman, on the following hotels, Roosevelt, Ritz, Albert, Franklin, Frances, Astoria, Southern, Jefferson, Piedmont and Windsor, which are operated by Mrs. M. K. Blume. Due to the numerous complaints we have had in the past and Mrs. Blume obtaining license under false pretense by giving the wrong number of rooms in each hotel, I am asking that the above licenses be revoked at the next meeting of the City Council.

(Signed) E. D. Pittman
Chief of Police"

The letter of Mrs. Stella Patterson, Policewoman, above referred to, reads as follows:

"As a result of my recent investigation of the hotels operated by Mrs. M. K. Blume, namely the Roosevelt, Ritz, Albert, Franklin, Frances, Astoria, Southern, Jefferson, Piedmont and Windsor, I find that when applying for license to operate these hotels that Mrs. Blume made false statement regarding the number of rooms in each hotel with the exception of the Frances Hotel. In other words, the number of rooms given on the license were less than the actual number of rooms in the hotels.
January 4, 1939
Page 303.

I also requested Mr. McIntire, City Food and Health Inspector, to inspect these hotels as to their sanitary conditions and as a result of this Mr. McIntire has found true bills and made indictments against five of these hotels.

The purpose of this letter is to ask that you please write a letter to the City Council recommending that the license for the operation of these hotels be revoked, same to be presented at the Council's next meeting, if possible.

Yours very truly,
Stella Patterson
Policewoman

Mr. Marshall stated that in view of the Chief of Police asking that the licenses on these hotels be revoked, it was his recommendat-
ion that the Council revoke these licenses and that in the future applicants for license to operate a hotel be required to appear before the Council and made such application in person.

Thereupon, Councilman Baxter, seconded by Councilman Griswold, made a motion that these licenses be revoked with the exception of the Wrenco's Hotel (which was found to have been correctly reported), due to the fact that they were erroneously reported in the applications for licenses and also due to the numerous complaints received by the Chief of Police in the past regarding same. Motion unanimously carried.

Councilman Baxter, seconded by Councilman Griswold, then moved that in the future any party or parties interested in opening a hotel in the City of Charlotte shall be required to appear in person before the City Council and ask for such license. This motion unanimously carried.
