After the adoption of the foregoing ordinance and resolution relative to the Public Hospital, Mr. Paul Whitlock presented the following resolution to the Council:

To the Mayor and City Council, Charlotte, North Carolina.

We respectfully request your honorable body to pass the following resolution.

WHEREAS, a resolution has been adopted by the City Council of the City of Charlotte calling an election for a $350,000.00 bond issue for the purpose of raising funds with which to build and equip a community hospital in the City of Charlotte, said funds to be augmented by funds to be raised by the Charlotte Memorial Hospital Association, Inc., by subscriptions, and a grant from the Public Works Administration of the Federal Government; and,

WHEREAS, it is necessary to accompany the application for the Public Works Administration grant with plans and specifications for said hospital; and,

WHEREAS, the City of Charlotte has no funds at this time with which to employ architects to prepare such plans and specifications, and will not have unless and until said bond election carries and said bonds are sold and a grant of approximately $450,000.00 is obtained from the Public Works Administration and approximately $200,000.00 supplied from other sources; and,

WHEREAS, the Charlotte Memorial Hospital Association, Inc., represents to the Council that Dr. William Henry Walsh of Chicago, Hospital Consultant, and Charles C. Hook and Son, Architects, of Charlotte, North Carolina, have agreed to prepare plans and specifications for said hospital upon a contingent basis with the understanding that they are to be paid nothing in the event said hospital is not constructed, and that they are to be employed as architects for said job in the event said hospital is constructed, and are to be paid for their work not in excess of the architects' fees allowed for work done under Public Works Administration specifications;

NOW, THEREFORE, be it resolved that the said Dr. William Henry Walsh, Consultant, and Charles C. Hook and Son be, and they are hereby authorized to prepare plans and specifications for said hospital upon such understanding, and that if the said bond issue is carried and sufficient additional funds are raised from other sources, including the grant from the Public Works Administration, to erect and equip said hospital and the City proceeds with said work then the said Dr. William Henry Walsh and Charles C. Hook and Son will be paid for their services the usual commissions for said work, not to exceed the architects' commissions allowed by the Public Works Administration to be paid where Public Works Administration funds are used; provided, that, if Dr. William Henry Walsh or the City Council of the City of Charlotte deem it necessary, a consulting architect

ELECTION OF TWO MEMBERS TO BOARD OF DIRECTORS OF CHARLOTTE MEMORIAL HOSPITAL ASSOCIATION, INC.

Mr. Whitlock then asked that the City Council proceed to elect two members to the Board of Directors of the Charlotte Memorial Hospital Association, Inc., either from the Council or by the Council, the Mayor to be ex officio member. The two directors to be elected are to serve until the annual meeting of this Association in January 1939, their successors then to be elected for a three year term.

Councilman Albee, seconded by Councilman Nance, moved to proceed with the election of these members at this time, which motion carried. It was decided that election be by ballot.

Councilman Hudson nominated Councilman Hovis as a member of this Board.

Councilman Albee nominated Councilman Nance, Chairman of the Health Committee.

Councilman Wilkinson nominated Chairman of the Finance Committee, Councilman Durham.

Councilman Nance nominated Mr. B. M. Boyd, City Attorney, stating that he would readily withdraw his name in favor of Mr. Boyd. Mr. Boyd stated that he should not be considered on this Board, but Councilman Albee withdrew his nomination of Councilman Nance in favor of City Attorney Boyd, reluctantly.

Thereupon, Councilman Albee, seconded by Councilman Hovis, moved that the nominations be closed, and the Council proceeded to vote by ballot, with Councilman Hovis and Mr. Boyd being elected to serve as Directors on the Charlotte Memorial Hospital Association, Inc. Board until January 1939.

TAXICABS.

Mr. Keith Beaty was present and advised the Council that he held a check in his hand to pay off all consent judgments outstanding against the Beaty Service Company and a check to replace the money taken from the bond to make this original bond back to $10,500.00; and advised that the bonding company would operate under the old name of Beaty Service Company instead of the Charlotte Bonding Company, as intended.

Mr. Fred Helms, attorney representing a colored girl injured by a taxicab of the Beaty Service Company, was again present and stated he was interested in protecting the rights of his client. He pointed out that damage suits totaling $65,000 still remain unsettled and that the bonds posted by the taxicabs are not increased from time to time as cabs are put on and therefore are of little benefit to the public.

Mr. Boyd, City Attorney stated that the ordinance adopted by the Council on July 13th. is valid, constitutional and binding in every respect.

An agreement was read with reference to the transfer of money from one company to another, but Mr. Boyd advised that he had told Mr.
Beaty that he would not approve the transfer and that the only way that they could operate under the ordinance as drawn would be to continue to let the money deposited by Beaty Service Company as now deposited, that they pay the $3400.00 on consent judgments out of other sources, leaving $9200.00 plus $600.00 to bring it back to the maximum amount of $10,500.

Councilman Baxter stated that in view of what Mr. Helms had said to the Council at the last meeting, that he was interested in protecting the citizens of Charlotte and that he personally would not be liable for any suits that may be brought in the future to settle claims. Mr. Beaty stated that if compelled to post another $10,500.00 that he would be unable to operate.

Councilman Baxter, after much discussion by Mr. Helms, Mr. Boyd, Mr. Beaty and the Council, moved that the matter be held in abeyance until the Council could have time to study and know where it stands. This motion seconded by Councilman Wilkinson, stating that he wished to go on record as being opposed to limiting the life of any pedestrian or passenger riding in taxicabs because he felt that was going beyond his rights. Mayor Douglas advised, however, that the above motion was not in order as the ordinance has already been adopted and that it would require the repeal of the ordinance now in effect unless the interested parties would agree not to operate.

Councilman Wilkinson then moved that the ordinance be repealed and placed back on the ordinance requiring insurance. Mr. Boyd advised that this would be necessary to be done by an ordinance as it would be repealing an ordinance.

Mr. Taylor, Attorney for Mr. Beaty, advised that there has not been a valid claim against the money on deposit that has not been paid.

Councilman Baxter suggested that the present ordinance be amended to make a new bond be required for the new ordinance, as he was interested in providing property protection, and it was suggested that the resolution of the Junior Chamber of Commerce be incorporated in that amendment, but Councilman Durham was not in favor of this, as it would not be fair that an operator would lose his license simply for violating two minor traffic laws, something that any citizen might do at any time.

Councilman Baxter then stated that he would like to have the ordinance amended by changing sub-section 2-C as follows: "That under this present ordinance new money to the amount of $5500.00 for the first cab and $100.00 for each additional cab, be put up as surety for the protection of the public."

Councilman Griswold asked that he go on record as being opposed to using the old bond on deposit now for the protection of claims now pending. Councilman Huntley asked that he also go on record to this effect. It was then moved that further discussions cease, and the following amendment to the ordinance now in effect was prepared by the City Attorney to cover Councilman Baxter's motion for amendment:

Section 2. That all ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 3. That this ordinance shall become effective immediately upon its adoption.

The motion to adopt this amending ordinance, made by Councilman Baxter, seconded by Councilman Wilkinson, was put to a vote with the following result:

NAY: Councilmen Hovis, Sides, Albee, Nance and Hudson.

This being a tie vote, the Mayor voted against the repeal, and the ordinance failed to carry on first reading.

Mr. L. L. Ledbetter, City Treasurer, who was present, asked that the City Council instruct him to accept the bond of the Beatty Service Company. Before this was done Mr. Helms, attorney for Arnetha Smart, colored, advised that he wished to enter his protest as attorney for Arnetha Smart to any action of the Council permitting or allowing the deposit by Beatty Service Company to be used as a deposit under Subsection 2-C of the Ordinance of the City Council adopted July 15, 1936. Mr. Ledbetter, Treasurer, was present at the time this objection was made.

Councilman Wilkinson moved that the money not be transferred, which was seconded by Councilman Griswold, but after argument on this point, this was ruled unnecessary, and the City Attorney was advised to instruct the City Treasurer regarding the deposit.
