Upon motion of Councilman Albee, seconded by Councilman Jordan, and unanimously carried, the minutes of the last meeting, on May 25th, were approved as submitted.

ORDINANCE (NO. 67) AMENDING THE ZONING ORDINANCE ADOPTED.

Pursuant to the introduction on May 11, 1949, of an ordinance entitled, "Ordinance (No. 67) to Amend Chapter 21 of The City Code With Respect To The Zoning Ordinance" to change the Building Zone Map from an R-1 to an R-2 district on property located on Commonwealth Avenue, and the adoption of a Resolution providing for a public hearing thereon at 11 o'clock a.m., on June 1, 1949, the Mayor stated that interested persons would now be heard.

Mr. N. Krumbine, 2516 Chesterfield Avenue, representing residents of the Chantilly section and the Chantilly Community Club, expressed opposition to the area being re-zoned to permit the erection of business establishments.

It was explained by the City Manager that the change from an R-1 to an R-2 district would not permit business establishments in the area but would allow the erection of apartments and duplex houses, in addition to the present uses in an R-1 district.

Mr. Krumbine expressed no objections to this change. Whereupon, Councilman Daughtry moved the adoption of the ordinance amending the zoning ordinance and map. Motion seconded by Councilman Doddington, and unanimously carried. Ordinance is recorded in full in Ordinance Book 11, at Page 6L.

ORDINANCE (NO. 68) AMENDING THE ZONING ORDINANCE ADOPTED.

Pursuant to the introduction on May 11, 1949, of an ordinance entitled, "Ordinance (No. 68) to Amend Chapter 21 of The City Code With Respect To The Zoning Ordinance", to change the Building Zone Map from an R-2 to a B-1 district on property located on South Fox Street, and the adoption of a Resolution providing for a public hearing thereon on June 1, 1949, at 11 a.m., the Mayor advised that interested persons would now be heard.

No objections to the proposed change were voiced, whereupon Councilman Albee moved the adoption of the ordinance. Motion was seconded by Councilman Wilkinson, and the ordinance was unanimously adopted. Ordinance is recorded in full in Ordinance Book 11, at Page 6S.

REQUEST OF L. C. EATON, JR. AND C. E. EATON FOR PRIVILEGE OF CONNECTING TO CITY WATER SYSTEM DEFERRED FOR CONSIDERATION.

Messrs. Lloyd C. Eaton, Jr., and C. E. Eaton requested permission to connect onto the City's water system to serve residences on their property adjacent to Morris Field outside the city limits. Mr. Eaton stated their property was used in connection with the Airbase and purchased back from the Federal Government who assured them they would have the use of the water and sewer lines laid to serve Morris Field.
