CAROLINA SPASTICS ASSOCIATION BOARD OF TRUSTEES REQUEST CONTRIBUTION OF  
$190,000.00 FOR ADDITION TO HOSPITAL.  

Mr. M. E. Pierson, President of the Carolina Spastics Association,  
together with members of the Board of Trustees, appeared before Council and  
requested the City to contribute $190,000.00 for the construction of an  
addition to the Spastics Hospital. Mr. Pierson stated the construction of  
the Hospital filled a great service to the crippled children, and every day  
the Board receives requests to take care of additional children, which is  
impossible because of lack of space. He stated that a larger hospital will  
also be an asset to the hospitals who can release such children after  
operations at an earlier date when they can be cared for in the Spastics  
Hospital. He stated that the three pressing problems in Charlotte today  
are for (1) a Health Center, (2) Better hospital facilities for colored  
people and (3) larger facilities for Spastic Children, all of which would  
cost approximately $4,000,000.00, and the amount needed for the Spastics  
Hospital addition is only a small portion of this sum.  

Mayor Van Every stated that the Council will begin a study of the  
1954-55 Budget tonight or tomorrow night, and the Council will give serious  
consideration to the problem presented by Mr. Pierson.  

ACTION DEFERRED ONE WEEK ON REQUESTED APPROPRIATION FOR PURCHASE OF SPECIAL  
CHEMICALS FOR EXTERMINATION OF THE WHITE FRINGE BEETLE.  

Mr. Yancey, City Manager, recommended that an appropriation of  
$50.00 be made for the purchase of special chemicals for use by the U.S.  
Department of Agriculture for the extermination of the white fringe beetle  
Mecklenburg County. Mr. H. V. Autry of the Department of Agriculture  
present and explained the possible destruction to crops by the beetles,  
the possibility of quarantine against the shipments of produce until  
their requirements are met. He stated that Mecklenburg County will appro  
late a like amount for their program. Councilman Brown moved that the  
appropriated be made, which was seconded by Councilman Wilkinson.
