INVOCATION.

The invocation was given by Councilman Claude L. Albea.

MINUTES APPROVED.

Upon motion of Councilman Brown, seconded by Councilman Albea, and unanimously carried, the Minutes of the last meeting on February 26th were approved as submitted.

CHARLOTTE ARCHERS TO BE ADVISED PETITION FILED PROTESTING THEIR USE OF EVERGREEN CEMETERY PROPERTY ON PROGRESS LANE AND ASKED IF THEY CAN LOCATE ANOTHER SITE FOR ARCHERY RANGE.

Mr. Robert Perry, Attorney representing property owners on Progress Lane, filed a petition signed by the owners of property on Progress Lane protesting the use of Evergreen Cemetery property, at the dead-end of Progress Lane, by the Charlotte Archers as an Archery Range.

Mr. Perry stated that Progress Lane Chapel has not entered into the Petition as they do not wish to be involved in an argument; however, many of the petitioners are members of the Chapel. He advised further that their objections are based on an increase of traffic on Progress Lane, excessive noise and disturbance to an otherwise quiet area and interference with the activities of Progress Lane Chapel. Mr. Perry stated that Progress Lane is a private road, and is maintained by the property owners, and has never been taken over by the State Highway Commission nor maintained by them. He advised that there are some five or six residences on the street and other property owners purchased their property with the view of constructing residences; that Mr. Terrell Efird is owner of the property nearest the Archery Range and will give up his plans for erecting a residence if the area beyond the dead-end is to be used as a playground.

The City Attorney stated the City was and is of the opinion that Progress Lane is not a dead-end street but that it circles Evergreen Cemetery property and is a back entrance to the Cemetery.

Following the discussion, Councilman Baxter stated that there is so much property around Charlotte that a location should be found that would not prove objectionable to residents. Councilman Albea concurred in the statement. Councilman Baxter suggested that the City Manager write the Charlotte Archers and advise them that objections to their use of the property have been raised and ask if they cannot find another location that would be satisfactory to all concerned. The City Attorney stated that the lease of the property to the organization carries a cancellation clause, and, too, that if this is a service road to Evergreen Cemetery property and the Cemetery continues to be widely used, it may well be that the roadway will have to be used as an entrance to the Cemetery.
