A regular meeting of the City Council of the City of Charlotte, North Carolina, was held in the Council Chamber in the City Hall, on Wednesday, May 18, 1959, at 4 o'clock p.m., with Mayor Smith presiding, and Councilmen Albee, Babcock, Dellinger, Hitch, Myers, Smith and Whittington being present.

ABSENT: None.

-----------------

INVOCATION.

The invocation was given by Councilman Claude L. Albee.

MINUTES APPROVED.

Upon motion of Councilman Albee, seconded by Councilman Babcock and unanimously carried, the Minutes of the last meeting on May 11, 1959 were approved as submitted.

LEAGUE OF WOMEN VOTERS’ REQUEST THAT FUNDS FOR PURCHASING VOTING MACHINES BE INCLUDED IN 1959-60 BUDGET TO BE DISCUSSED AT MEETING ON JUNE 8, 1959.

Mrs. Thomas Sharpe was spokesman for a delegation of the League of Women Voters urging that Council include funds in the 1959-60 Budget for the purchase of Voting Machines, as outlined in their letter to the Mayor and Council on May 16th. Mrs. Sharpe asked permission to discuss the request with the Council prior to the preparation of the Budget.

Councilman Smith called attention that there is a Bill presently before the Legislature whereby the State would pay half the cost of voting machines purchased by counties. He expressed the opinion that the Council would want to await action on the Bill before making a definite decision as to providing funds in the City Budget for their purchase.

Councilman Dellinger moved that the request be taken under advisement until the meeting on June 8th at which time it would be discussed with the League members if they desire. The motion was seconded by Councilman Whittington, and unanimously carried.

CONSIDERATION OF ADDITIONAL CONTRACT WITH LEE ASSOCIATES TO PREPARE JOB CLASSIFICATION PAY PLAN DEFERRED ONE WEEK.

Councilman Dellinger recommended that a second contract be entered into with Lee Associates for preparing the second phase of the Job Classification Program, being the Salary Schedule, in order to complete the Program. He advised that as Chairman of the Job Classification Study Committee of the former City Council he has checked the present status of the Program with Lee Associates and is advised that the first phase, being the Job Evaluation portion is completed and they can immediately prepare the Salary Schedule. Councilman Dellinger explained that at the time the contract was made with the firm funds were not available for the entire Program, and the contract covered only the first phase, at a cost of $5,000.00; that Lee Associates advise the cost of preparing the Salary Schedule will be $5,000.00. He urged that the contract be made with the firm to complete the program.

At the suggestion of Councilman Hitch, Mr. Charles Geer of Lee Associates was called into the meeting and stated it was understood when the original contract was made with them for the Evaluation of each job and establishment of job levels that the Pay Plan preparation and establishment would be made under an additional contract at a later date, as funds were not available at that time. He stated further that the second phase of the work is necessary for the City to realize the full benefit from the Program.

At the question of Councilman Hitch as to what similar studies the firm has made, Mr. Geer stated a Job Classification Plan was established by them for Gaston County, Mecklenburg County and the Mecklenburg County ABC Board.
May 18, 1959
Minute Book 38 – Page 386

At the question of Councilman Babcock as to what savings would result from the Plan, Mr. Geer stated there would be no savings, that to the contrary there would doubtless be an increase in funds required to establish the system, however, the City would benefit financially in the long run, and in the meanwhile, inequalities in job work and pay would be realized immediately. Mr. Geer also advised that it would require two and a half months to compile the Pay Plan program. In reply to the inquiry of Councilman Smith, Mr. Geer advised there are 1,640 city employees and 171 types of jobs done by them.

Councilman Babcock expressed the opinion that the work now completed should first be reviewed.

Councilman Hitch asked if action is delayed a week in order to review the completed work, and it was decided to contract with the firm for the Pay Plan, could they submit the entire Program by July 1st to be considered when the Budget is made? Mr. Geer stated it would rush them but they could complete it by that date.

Councilman Myers moved that consideration of a contract covering the Pay Plan preparation be deferred one week. The motion was seconded by Councilman Albee, and unanimously carried.

Mayor Smith requested Councilman Myers to serve on the new Job Classification Committee with Councilman Dellingier and Babcock, and asked Councilman Dellingier as Chairman of the Committee to call them together immediately to study the Job Evaluation Plan completed.

APPOINTMENT OF DEPARTMENT HEADS WILLING TO SERVE DEFERRED FOR TWO WEEKS.

Councilman Dellingier stated he believes the Department Heads are doing a good job and he asked that the appointment of those willing to serve be made today.

Councilman Babcock moved that these appointments be deferred for two weeks. The motion was seconded by Councilman Hitch.

Councilman Dellingier expressed objections to the delay, stating he feels the personnel deserves to get the matter settled.

Following the discussion, the vote was taken on the motion and unanimously carried.

PRIORITY LIST OF STREET PROJECTS PRESENTED COUNCIL BY COUNCILMAN DELLINGER.

Councilman Dellingier presented each member of the Council with a Priority List of Street Projects adopted by the former City Council. He advised that some of the work is completed, some presently under construction and a small portion pending.

APPOINTMENT OF HOWARD B. ARBUCKLE AS CITY RECORDER.

Councilman Smith stated that in view of the fact that the present Judge of Recorder’s Court is not available for reappointment, he is of the opinion that the vacancy should be filled. Councilman Dellingier expressed objection, stating he thought the matter of appointments has just been deferred for two weeks and that as a number of men have been mentioned for the position, he is not in position to vote today.

Following the general discussion, Councilman Smith nominated Mr. Howard B. Arbuckle as City Recorder.

Councilman Myers stated Mr. Arbuckle has been highly recommended for the position and he concurs in the nomination.
May 18, 1959
Minute Book 38 – Page 367

Councilman Hitch also concurred in the nomination of Mr. Arbuckle and stated he has received a number of letters about this important position and feels Mr. Arbuckle will serve the best interest of the citizens.

Councilman Albee stated his candidate for the position was Mr. E. McA. Currie, however he advised him today that he is not available for appointment, therefore, he will pass on making a nomination.

Councilman Whittington stated there are a number of good candidates for the position and Mr. Arbuckle is alright with him. That he hopes the appointment will be made by unanimous vote and the Council will give the person so appointed a vote of confidence.

Councilman Babcock stated he has had four names submitted to him for the position, and two persons have been to see him. That he called the Bar Association and learned they do not care to recommend anyone for appointment. That he has not received a single unfavorable comment regarding Mr. Arbuckle and is willing to vote for his appointment today.

Councilman Hitch stated it is his impression that Mr. Arbuckle is not seeking the position but he believes that he will accept it. That he thinks there are a number of matters before the Council that will take much consideration but the matter of this appointment is one of integrity.

Councilman Dellinger voiced his objections to the appointment of Mr. Arbuckle on the grounds that during the past eight years the Council has been plagued with law suits relative to properties around the Airport and that Mr. Arbuckle has been the legal representative of the majority of these persons bringing suit. That, in fact, there is presently pending in Court against the City one of these suits for $15,000.00. He stated he thinks that Mr. Arbuckle is a fine man; however, he does not think anyone can serve two masters and that no one should be appointed who will sue the City on one hand and at the same time draw a salary from the City.

Mr. John D. Shaw, City Attorney, stated that the Judge of Recorder’s Court is prohibited by law from practicing in Criminal Court, and that these Airport cases referred to are Civil Matters and there is no connection between the work of the Judge of Recorder’s Court and his legal practice in civil matters.

Councilman Dellinger then nominated Mr. J. C. Sedberry as City Recorder.

Councilman Smith moved the appointment of Mr. Howard B. Arbuckle as City Recorder effective May 20th. The motion was seconded by Councilman Hitch.

Councilman Dellinger moved the appointment of Mr. J. C. Sedberry as City Recorder effective May 20th. The motion was seconded by Councilman Albee.

The vote was taken on the first motion for the appointment of Mr. Arbuckle and carried with the votes cast as follows:

YEAS: Councilmen Babcock, Hitch, Myers, Smith and Whittington.

Councilman Albee asked that the appointment of Mr. Arbuckle be made unanimous and cast his vote for his appointment.

NAYS: Councilman Dellinger.

SALARY AND BOND OF HOWARD B. ARBUCKLE, CITY RECORDER, FIXED AT THE PRESENT SALARY AND BOND.

Councilman Albee moved that the salary and bond of Mr. Howard A. Arbuckle, as City Recorder, be fixed at the present salary and bond. The motion was seconded by Councilman Babcock, and unanimously carried.
