A regular meeting of the City Council of the City of Charlotte, North Carolina, was held in the Council Chamber, City Hall, on Wednesday, November 19, 1952, at 10 o'clock p.m., with Mayor Shaw presiding, and Councilmen Albee, Baxter, Boyd, Coddington, Dellinger, Jordan and Van Every present.

INVOCATION.

The invocation was given by the Reverend Lee Tuttle, Pastor of the First Methodist Church.

MINUTES APPROVED.

Upon motion of Councilman Van Every, seconded by Councilman Jordan, and unanimously carried, the minutes of the last meeting on November 12th, were approved as submitted.

ORDINANCE NO. 163 DESIGNATING PARTS OF BREVARD, CALDWELL, ALEXANDER, FIRST, SECOND AND SIXTH STREETS AS ONE-WAY STREETS ADOPTED.

The Reverend Lee Tuttle and members of the First Methodist Church appeared before Council and requested that Eighth Street not be designated as a one-way street. They were advised that Eighth and Ninth Streets had been eliminated from the proposed list of one-way streets. Mr. Fred Hasty, representing the North State Laundry, 716 S. Brevard Street, expressed opposition to Brevard Street being made a one-way street South. He stated that it would mean a loss of $1/3 of the laundry's business as customers from the southern area of the City would not go a round-about-route to reach the Laundry; too, that the one-way traffic would increase the existing traffic congestion at Brevard Street and Independence Boulevard. He recommended that since the natural flow of traffic is South on Brevard Street, in order to prevent the bottle-neck at Brevard Street and Independence Boulevard, the street should be made one-way North instead of South. He was advised that the Traffic Engineer will re-condition the intersection at Brevard Street and Independence Boulevard and also two lanes for traffic will be provided instead of the one at present. The Ordinance entitled: "Ordinance #163 Designating Parts of Brevard, Caldwell, Alexander, First, Second and Sixth Streets as One-Way Streets", was introduced and read and upon motion of Councilman Baxter, seconded by Councilman Van Every, was unanimously adopted. The Ordinance is recorded in full in Ordinance Book 11, at Page 280.
