A regular meeting of the City Council was held in the Council Chamber, City Hall, at 4 p.m., on November 26, 1946, with Mayor Baxter presiding, and Councilmen Childs, Hinson, Johnston, McIntyre, Newsom, Puette and White present.

MINUTES APPROVED.

Upon motion of Councilman Johnston, seconded by Councilman Newsom, the minutes of the last meeting, on November 19th, were approved as read.

CROSS-TOWN BOULEVARD ROUTE ADOPTED.

Councilman Newsom moved that the proposed Crosstown Boulevard be routed through Westmoreland Avenue, High Street, Hawthorne Lane, Lillington Avenue, Craighead Street, to Stonewall Street, Caldwell Street to Morehead Avenue, said route being designated as Route No. 2.

Motion seconded by Councilman Puette, who stated he preferred this route due to it providing over-passes at Seventh and Fourth Streets.

Councilman Newsom then stated he wished to amend his motion that recommendation be made to the State Highway Commission that the two over-passes be included in the project, as suggested by Councilman Puette.

Councilman White offered a substitute motion that Route No. 1 be adopted, via Westmoreland Avenue, High Street, Park Terrace, Fox Street, Stonewall Street, Caldwell Street to Morehead Street, at South Boulevard.

He stated he favored this route as it was the first preference of the highway engineers who surveyed all of the routes.

A substitute motion to the substitute motion was made by Councilman McIntyre that Route No. 3 be approved, and he offered the following resolution and moved its adoption:

WHEREAS, the City Council in the interest of public safety and the elimination of traffic congestion deems it advisable to construct a Cross-Town Highway to connect the Monroe Road with South Boulevard and Morehead Street; and

WHEREAS, the Bureau of Public Works and the State Highway Commission have surveyed different routes described in detail on map filed with the City Clerk and designated as a portion of the Major Street Plan for the City of Charlotte;

NOW, THEREFORE, BE IT RESOLVED that the City Council authorize the City Manager to make application to the Bureau of Public Works, Washington, D.C., through the North Carolina Highway and Public Works Commission to declare a new road beginning with a new underpass under the Seaboard Air Line Railway on the present Monroe Highway and pass through certain vacant land to connect with Crescent Avenue Extension, thence along Crescent Avenue to the intersection of Fourth Street and Queens Road, thence southward along vacant property to Lillington Avenue, thence across Luther and Baxter Streets across vacant property behind Henley Place to the intersection with Morehead Street, immediately west of Sugar Creek, to be a part of the Federal Aid System of Highways proposed on the Major Street Plan approved in substance by the City Council on June 4th, 1946.
