A regular meeting of the City Council was held in the Council Chamber, City Hall, at 4 p.m., on Wednesday, October 1, 1947, with Mayor Baxter presiding, and Councilmen Albee, Childs, Delaney, Jordan, Lambeth, McKee and White present.

---

INVOCATION.

The invocation was given by the Reverend T. W. MacLean, Pastor, Avondale Presbyterian Church.

MINUTES APPROVED.

Upon motion of Councilman Lambeth, seconded by Councilman Albee, and unanimously carried, the minutes of the last meeting, on September 24th, were approved as submitted.

INFORMATION REGARDING AUDITORIUM BOND ELECTION REQUESTED BY INDEPENDENCE POST, AMERICAN LEGION.

Mr. Thos. B. Watkins, Mr. Joe Grier and Mr. Wilson Wallace, representing Independence Post, American Legion, expressed concern over the probable result of the election on October 28th to approve $2,500,000 Bonds for an Auditorium, due to the lack of information that has been made available to the public. They voiced their disapproval of asking the citizens to vote for the issuance of so large an amount of bonds without thoroughly understanding what is entailed. They expressed sincere interest in the project and their willingness to assist in the campaign, if concrete facts are made public and approved.

They requested information as to the type of building that is proposed, the facilities it will provide, how the cost will affect the tax rate, the proposed location of the building, and other pertinent facts. If such information is available, the election, in their opinions, should be postponed until such details have been worked out and made public, otherwise the election would probably not carry.

Mayor Baxter expressed appreciation for the interest of Independence Post members, and assured the speakers that all possible information will be made available prior to the election. He stated that the Planning Board, who recommended the construction of an auditorium some two years ago, would submit recommendations after their scheduled meeting on tomorrow, and that a general report will be published shortly, giving definite ideas and plans as to all phases of the proposed auditorium.

He briefly outlined the facilities now planned for the auditorium; including a main auditorium to seat 4,500 persons, smaller meeting rooms, dining room, and kitchen. He stated it was hoped that the Armory could be enlarged to take care of athletic and sport events, and the Auditorium used for civic and cultural affairs.

He further stated that it would not be possible to give definite information as to the site, nor detailed drawings of the auditorium, as no funds are available for such expenditures prior to an affirmative vote of the bonds.
