A regular meeting of the City Council of the City of Charlotte, North Carolina, was held in the Council Chamber, City Hall, on Wednesday, October 3, 1951, at 4 o'clock p.m., with Mayor Shaw presiding and Councilmen Albee, Baxter, Coddington, Jordan, Dellinger and Van Every present at the opening of the meeting. Councilman Boyd joined the Council in time to vote on instituting condemnation proceedings against J. E. Fraley Estate and M. B. Cozart et al.

INAUGURATION.

The invocation was given by Councilman Claude L. Albee.

MINUTES APPROVED.

Upon motion of Councilman Jordan, seconded by Councilman Coddington and unanimously carried, the minutes of the last meeting were approved as submitted.

PROTEST PLAN OF THE CITY COUNCIL TO ACQUIRE 11.16 ACRES REID PROPERTY FOR SEWER DISPOSAL OPERATION.

Mr. John A. McRae, Attorney for Lydia Reid Cochran and husband, N. S. Cochran and Mr. Arthur C. Bernard, husband of Mrs. Nancy A. Bernard, appeared before the City Council with the plea that the City abandon its plan to improve and enlarge the present Sugaw Creek Disposal Plant and to build a new plant farther away from the City of Charlotte and 11.16 acres of property of Lydia Reid Cochran and husband, N. S. Cochran and Nancy A. Bernard and husband, A. C. Bernard, which representatives of the City have attempted to purchase without success.

Mr. J. A. McRae stated that he believed this property was less than six miles by airline from the Square and the fact that the present Sugaw Creek Disposal Plant is in the proximity of the property of his clients retarded the development of this property for residential purposes, and for the City to add to and improve this property and the acquiring of this additional land for this purpose will further damage the remaining property.

He petitioned the City Council to abandon this plan and to buy a site farther away from Charlotte and this property, and build a new plant.

Mr. Bernard elaborated on the observations of Mr. McRae, stating that the present disposal plant is very near to Selwyn Village and that the odors are already obnoxious and for this plant to be enlarged and the drying beds to be increased materially would practically run the people out of this village; that he anticipated that the City would have a lot of law suits and if the present plant is enlarged that within five years it would still be necessary to build a new plant and that it would be to the City's advantage to build a new plant now farther away from the city.

Mr. H. A. Tannen, City Manager, stated that the matters referred to by the attorney had been taken into consideration by the City Attorney, and the attorneys for the project, and also called the Council's attention to the fact that to go farther away from town would bring a new disposal plant closer to the South Carolina line and that recent legislation passed by the State of South Carolina with reference to polluting streams worked against this petition, and recommended that resolution providing for the extension of the City sewer system near Sugaw Creek Disposal Plant and providing for condemnation of lands necessary for such extension, be read and passed.

RESOLUTION PROVIDING FOR THE EXTENSION OF THE CITY SEWER SYSTEM NEAR SUGAW CREEK DISPOSAL PLANT - CONDEMNATION OF LANDS NECESSARY FOR SUCH EXTENSION.

A resolution entitled, "Resolution providing for the extension of the City Sewer System near Sugaw Creek Disposal Plant - Condemnation of Lands necessary for such extension", was introduced and read.

Councilman Baxter moved the adoption of the resolution. It was seconded by Councilman Coddington, and unanimously carried. The resolution is recorded in full in Resolutions Book 1, at Pages 430 and 431.
ARMED SERVICES GIVEN PERMISSION TO PARK MOBILE UNIT ON NORTH TRYON STREET AND ERECT SIGNS AT RAILWAY PASSAGE MAYS.

Upon motion of Councilman Albee, seconded by Councilman Jordan, and unanimously carried, the request of Major Paul Johnson was granted, permitting a truck to be parked in front of W. B. Smith Jewelers, Inc., on North Tryon Street for the duration of the World Series and on Saturdays thereafter for the duration of the football season as a civic project to display the scores of the various games and to create interest in enlistments into the armed services.

REQUEST FOR POLICE PROTECTION AND TRAFFIC LIGHT AT CHERRY STREET AND INDEPENDENCE BOULEVARD — CITY MANAGER AUTHORIZED TO EMPLOY TWELVE PEOPLE ON PART TIME BASIS.

A delegation appeared before the City Council calling attention to the heavy traffic on Independence Boulevard and difficulty in people crossing at Cherry Street with particular reference to school children and petitioning for a traffic light. The City Manager upon direct questioning of the speaker proved to the City Council that a traffic light was not the solution and that aid from the Police Department was necessary.

Councilman Coddington moved that the plan previously presented by Mr. Yancey for the employment of 12 people on a part time basis to work at traffic congested areas usually near schools to help the children cross the streets in safety on the way to school and returning to their homes at the close of school, to be employed at a price not to exceed $50.00, and that $6,000.00 be transferred from the Emergency Fund to the Police Department, to cover this expense, which was seconded by Councilman Van Every and passed.

THE COMMUNITY CHEST GIVEN PERMISSION TO PARK TRUCK IN FRONT OF ED. MELLON COMPANY FROM OCTOBER 16, 1951 — NOVEMBER 2, 1951.

Upon motion of Councilman Van Every, seconded by Councilman Dallinger and passed unanimously, the Community Chest was granted permission to park a truck in front of Ed. Mellon Company for the duration of their campaign from October 16, 1951 to November 2, 1951, as requested in their letter addressed to the Mayor.

PURCHASE OF HANGAR FROM CLEARVIEW AIRCRAFT CORPORATION. AGREEMENT TO MOVE AND RELEASE HANGAR TO THEM.

Councilman Coddington submitted report of the Council's committee and moved its adoption, motion seconded by Councilman Dallinger and passed with Councilman Boyd voting no.

REPORT OF COMMITTEE.

To The Mayor and Members of the City Council.

Gentlemen:

Your Committee appointed for further negotiation with the Clearview Aircraft Corporation wishes to report that a tentative agreement has been
reached and it is recommended that the Council approve a contract embodying substantially the following terms:

1. Pay to Clearview Aircraft Corporation the sum of $21,000.00 which is the depreciated value of their hangar as determined under the terms of the present lease agreement.

2. Agree to move the hangar to the new location agreed upon and release to Clearview Aircraft Corporation at the then prevailing rates for other tenants at the Airport.

3. New proposed lease be from ten to fifteen years as may be agreed upon and to contain the usual 60 day cancellation clause.

4. Store tools and equipment of Clearview Aircraft Corporation without cost to the Company in a vacant building at the Airport, which has already been selected, and is now available, for two years or until the hangar has been moved and a new lease tendered Clearview. Insurance, if any, to be the responsibility of Clearview.

5. Pay to Clearview for being forced out of business for an estimated period of two years as follows:

   (a) Pay in cash the sum of $7,988.00 which represents the average earnings of the Company from 1946 to 1951.

   (b) If hangar has not been moved and re-erected within one year from the date of this proposed agreement, pay to Clearview at the rate of $65.67 per month or one-twelfth of the above mentioned annual earnings, until the hangar has been moved and new lease tendered to Clearview, but in no event shall more than twelve such payments be made.

Respectfully submitted,

H. H. Baxter
W. I. Coddington
Phil Van Every
John Shaw
H. A. Yancey
